Dear Mr. Damman:

Per our phone conversations yesterday, enclosed please find drawings representing the new signage for the above referenced Wal-Mart location.

As we discussed, Wal-Mart is currently remodeling this store. They will be removing the existing signage and would like to replace it with new updated signage. The 5' Wal-Mart letters will remain the same. The pylon sign will also remain the same with the exception of adding a 2'x8' appendage can reading Pharmacy. We will be painting the roadsign as well.

After your review please let me know how to proceed. If you need further information or have any questions, please don't hesitate to phone me at 1-800-742-3655.

Thanks for your help.

Best regards,

Julie Weber
