Mayor Robert G. Heft Mr. John Rosebrock c/o Mel Lanzer Company 2266 N. Scott St. Napoleon, OH 43545

Clerk-Treasurer Rupert W. Schweinhagen

Dear John:

Members of Council
Vern Holers, President
Lawrence Haase
James Jackson
Marilyn Rausch
David Strobel
William Young

This is to confirm our conversation of May 17, 1978 regarding construction at the V.F.W. building at 1008 N. Perry.

City Manager Alan E. Tandy It was agreed that an addendum in addition to that accepted by Mr. Don Bergstedt on February 20, 1978, would apply to construction Permit No. 21-78, which was issued to the V.F.W. Lodge on March 6, 1978. The additional work indicated on your drawings over and above that which was indicated on the original plans for the permit are acceptable to this Department, with the exception that the existing furnace room shall be reconstructed in such manner that would comply with the regulations of the Ohio Building Code.

Law Director Keith Muchifeld

We agreed that cement block walls would be constructed to replace the existing stud partitions, that a "B" label door would be installed as the access door to the furnace room, that 5/8 type "X" sheet rock would be installed on the ceiling, and finally, that combustion air for the existing furnace would be provided by means of duct work from the exterior, having adequate area to supply combustion air for the fuel burning appliances installed in the furnace room.

We suggest that the furnace room be constructed and used for furnace room purposes only. If the V.F.W. Post requires storage area, please provide the storage space in a room separate from the furnace room.

If you have any further questions regarding our requests, please feel free to call.

Sincerely,

Robert F. Johnson
