shall be completed in accordance with the specifications as issued by the City of Napoleon Engineering Department. It is further agreed that JERRY GLANZ shall save harmless the City of Napoleon from any liability due to damage of utilities, personal property loss, personal injury, non-payment of suppliers or any possible litigation arising from the construction as stated above.

If it is the opinion of the Napoleon Engineering Department that the work does not meet specifications, appropriate deductions from the deposit will be made to compensate the City for any corrections necessary.
