Mr. Craig Joseph
1060 North Perry Street
Napoleon, Ohio 43545

Re: Alley Repair

Dear Mr. Joseph:

It is our understanding that you have talked to several people with the City of Napoleon concerning the condition of the alley off Perry Street just south of Yeager Street.

In checking on this alley, years ago the City accommodated several residents request to block off the east end to prevent traffic to travel from the east end.

The City of Napoleon has a policy that it does not maintain any alley's which are not utilized for refuse pickup (see attached list).

The City of Napoleon will provide the labor and equipment to level stone furnished by the Owners, but that is the extent of our participation.

We know that this answer will not meet your approval, but it should be noted that we have received complaints from other residents adjacent to other alleys.

Due to the freeze/thaw action, these alleys become a quagmire.

Respectfully,

Marc S. Gerken
Marc S. Gerken, P.E. *SAW*
City Engineer
