Mr. Blackwood,

On December 20, 2012 in our meeting you brought forth a proposal to re-occupy the building at 631 N. Perry Street in Napoleon. We discussed a number of construction and zoning issues related to the proposal. At the conclusion of the meeting, you indicated that you were going to hire a design firm and submit a more formal proposal, which was to include some preliminary design drawings.

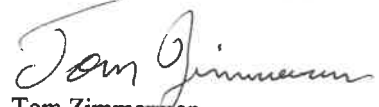

We have not received any drawings nor have we had any further communication from you since our meeting. The City stands ready to assist you in any reasonable way we can and will support development of the downtown business community.

We are interested in the progress on your development and would like to receive an update related to your intentions for the property.

Thank you,

Robert J. Bennett, EFO
Chief, Napoleon Fire Rescue
