Dear Mr. Merz:

Thank you very much for the courtesy extended me during our phone conversation last week.

Your cheerful and prompt response to our request that you have a sidewalk installed adjacent to the new bank facility on Glenwood Avenue, was greatly appreciated. It is this type of community spirit that greatly contributes to the neat and orderly growth of our City.

If this Department can be of any assistance, in the completion of the new bank facility or provide information on future construction work, please feel free to call.

Sincerely,

Robert E. Johnson
