Re. Decorative concrete over water line easement.

Dear Sirs

This letter is to inform you that the decorative concrete pad which was poured adjacent to the milkshake stand is over top of a City water line easement. Although you have not violated the current City regulations in doing this, I wish to inform you that in the event of the necessity to remove such concrete slab in order to repair the underlying water line, the City of Napoleon will not replace said concrete slab or pay for any costs associated with such replacement.

If you have questions regarding this letter please call.

Sincerely

  
Brent N Damman  
Zoning Administrator
