The first part of the document  
 discusses the general principles  
 of the system. It is divided into  
 two main sections: the first  
 section deals with the theory  
 and the second section deals  
 with the practice. The theory  
 section is further divided into  
 three parts: the first part  
 deals with the basic principles  
 of the system, the second part  
 deals with the advanced principles  
 and the third part deals with  
 the application of the system.

The second part of the document  
 discusses the practical aspects  
 of the system. It is divided into  
 two main sections: the first  
 section deals with the theory  
 and the second section deals  
 with the practice. The theory  
 section is further divided into  
 three parts: the first part  
 deals with the basic principles  
 of the system, the second part  
 deals with the advanced principles  
 and the third part deals with  
 the application of the system.
