City of Napoleon, Ohio  
255 W. Riverview Ave.  
Napoleon, OH 43545-0151

Attn: Chad E. Lulfs

This letter serves as our formal request for a replacement driveway due to bridge construction to access the west portion of our property at 1005 E. Riverview Ave. The new driveway will angle to the west from the adjacent driveway at 954 E. Riverview Ave., which is located at survey pin 597.

Thanks for your help in this matter.
