Re: Minor Subdivision  
Hoeffel to ADS

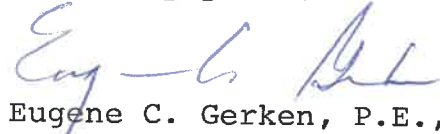

Dear Mr. Hayman:

Transmitted herein is the minor subdivision plat required by the Napoleon Subdivision Control Ordinance necessary to transfer a three acre parcel to Advance Drainage Systems, Inc. for your review and approval. Upon your obtaining the Henry County Auditor's and Recorder's signature, we would appreciate being notified thereof and obtaining five prints of the plat for the use of the seller, their attorney, the buyer and our records.

Based on the information provided by City Engineer, Von Berlin we are enclosing the \$12 review fee.

Please advise of any questions or if additional information is needed.

Sincerely yours,

Eugene C. Gerken, P.E., P.S.
