You have illegally constructed a fence on property owned by the City of Napoleon.

A photograph which identifies your property line and a copy of the City's deed are enclosed.

You have seven (7) days from this date to remove the fence or city crews will remove it and you will be billed for the costs involved.

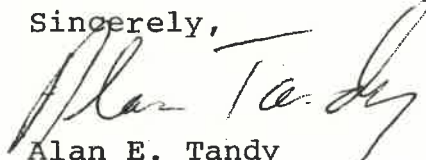

City Manager
Alan E. Tandy

In the recent past you have put in a garden on a portion of the property and we did not object because it was not in active city use. Due to your action in constructing the fence however the gardening will also have to stop.

Law Director
Keith P. Muehlfield

The property line and deed were checked by a registered surveyor. They are accurate.

Sincerely,

Alan E. Tandy
City Manager
