Re: 560 Rohm Drive Sewer Connection: In particular, but not limited
two my sump crock

Deer Mr. Chad Lulfs, Ms. Monica Ireland, Mr. Trevor Hayberger, Mr. Jeff Rathge, and last, but certainly not leased, Mr. Marty Crossland:

I want to first thank yea for drawing my attention to my illegally connected sump crock. When I purchased the homestead from them water drainage cheats I had no idea they was dumping the lumps in the sump. I was assured by the real nice realtor that the real new house was real safe and real legal and everythin. Never in my life did I mean, or even think my sump was doin things it were not supposed to be doin.

And I em barrased about not noing Rule 27 (C) ,26.4 in Chapter 501.99 of the Codified Ordinances of the City of Napoyon, AHia before my buyin the dang burn property. And now its two late. Is done and bought it and is stuck wiph it.

I will be contactin my pummer in the morn to see if heins nos what the same hell a sump crock is. I think it is a crock of sumpin, but thats probably another somein else. If he aint about to go lookin for this critter, at least he well no who willin.

And I m sur he will arrange a get to gether within urine inspects and get the important specs too. I look forward too future doings with you guys, but heck, since were now friends feel free to stop ore anytime. You all come back now, y'hear.

You bless yourself now,

George Cochran

Investigation of illegal sewer connections revealed no illegal connections. All downspouts are in compliance at this time. Smoke testing showed smoke coming from sanitary grinder pump in basement.
