Re: Sewer Tap
1227 Rye Street

Dear Mr. Campos:

We have been notified by the City Utility Department that you or your tenant has protested the sanitary sewer payment of the above referenced residence due to the fact you do not have a sanitary sewer.

Our records indicate that you purchased this property from Mrs. Hutchinson sometime after the Oberhaus Sanitary Sewer Interceptor was installed (1989).

As per our enclosed plan sheet, a tap was extended to the property line of this house and the Owner was to have made the connection to this sewer within ninety (90) days.

We have enclosed a Permit for your signature, which you should return to our office. The fee is waived due to the assessment.

You will have ninety (90) days to complete the hookup.

This is a requirement that the City
adopted per Ordinance as per Ohio E.P.A.
requirements.

If you have any questions, please call.

Respectfully,

Marc S. Gerken, P.E.
City Engineer
