Dear City of Napoleon,

This letter is pertaining to a zoning permit.

My intentions are simple. I will be receiving catalogs and other fliers, stuffing them into envelopes, and mailing them. When the recipients of these items order they will be sending the order along with payment to my address. I will then take my pay out of the orders and then forward the order and payment to the companies. No merchandise will be coming to my address.

I am also planning on assembling products at home. Which I will then sent fully assembled back to the company.

There is also enough parking for UPS or any other delivery service that may have to deliver at this address.

Thank You,  
Ita Banks
