City Engineer
Adam C. Hoff, P.E.

Re: City of Napoleon
North Scott Street Sidewalks

Dear Mr. Huston:

Per our recent conversations, the City of Napoleon will fill the area between the existing sidewalk and back of curb in front of your establishment as a concrete sidewalk, per City standards. The City will provide the labor at no expense to you and will forward an invoice to you for all related materials.

The work will be scheduled for our crews as soon as possible. However, due to several other priority projects, this may not be completed until late Summer or early Fall. We will inform you before we commence with the work. In the meantime, you will need to maintain the grass area.

If you have any questions, please call us.

Yours truly,

Adam C. Hoff, P.E.
City Engineer
