Mr. Richard Hayman
Building & Zoning Commissioner
City of Napoleon

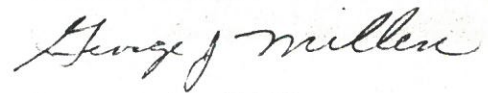

Dear Mr Hayman:

This is in regards to our plans to have a static display of model air crafts in our parking lot on June 11 from 11 a.m. to 4 p.m. This event is being put on by the Thistledown Flyers IMMA Chapter II of Napoleon. The Thistledown Flyers organization started in Napoleon, and now there are chapters all over the United States. Our main idea of having this promotion at our plaza is to promote the city of Napoleon, our plaza and the Thistledown Flyers IMMA Chapter II. As we discussed we should generate a lot of traffic for the area. To help relieve this possibility we plan to 1.) hire policemen for traffic control 2.) have all our employees park in the rear of our stores 3.) eliminate the proposed road races, which would have taken up parking spaces.

To generate interest in our project we plan on contacting P.M. Magazine and Channel 13 of Toledo. We are also having notices in our local papers as well as spot announcements on our local radio stations.

All in all we hope to have a very successful promotion of our city and also our shopping plaza. We would appreciate a special permit that we might need for this promotion. Thank you for your cooperation and any help that you might give us. If you need more information please call me at my store, 599-4376.

Yours truly,
