Re: City of Napoleon
No Parking Enforcement on
Wood Drive

City Manager
Marc S. Gerken, P.E.

Dear Mr. Williams:

The City has received preliminary notification that the Taco Bell located on Wood Drive will be opening in mid-February, 1997. As directed by the City Manager, the City will begin to enforce the no parking regulations at that time, as posted, along Wood Drive. Due to this change, off-street parking will be required. Off-street parking facilities must comply with all applicable zoning regulations.

Finance Director
Gregory J. Heath

If you have any questions, please call Brent Damman or myself.

Law Director
