

Mr. Mark Spiess,

In regards to the Commercial business located at 950 Scott Street in Napoleon OH.

That location is not my residents but I also have access to a bed due to my medical issues. There are times I may have a reaction due to the medicine I prescribed to which causes me to use the bed provided.

I can provide medical documents of all the injuries that I have incurred and medicine I'm subscribed to.

Thank You,
Patrick Switzer
