RE: 201 Sheffield Ave.

Mr. Hancock:

This letter is in regards to my correspondence sent to you on December 10, 2007. We received the majority of the proper paperwork to register your company as a contractor to work within the city limits. We also received an application for the sewer repair permit for the above address. But we failed to receive the fee for both. As you recall the letter from December 10, stated that there is a \$25 fee for the contractor registration and another \$25 for the sewer permit. We only received \$25 which was applied to your contractor registration fee. We still need a copy of your liability insurance, which may be faxed to 419-599-8393, to complete your registration. We will also need the \$25 fee for the sewer permit for 201 Sheffield Ave.

In the event proper permits are not applied for in *advance* for any future work the City as the right to revoke your Contractor License and you would not be permitted to work within the City of Napoleon limits.

Thank you for your prompt attention to this matter. If you should have any questions feel free to give my office a call.

Thank you,

Tom Zimmerman
