Dear Manager:

Members of Council

William Young
Darel Austermler

James Zumfelde

Our office has received a complaint regarding trash and debris along the rear of your property. An inspection of the premises determined that trash from your trash container is collecting in the ditch to the rear of the property. This is in clear violation of Section 92.01(K) of the City Nuisance Ordinance.

City Manager
Alan E. Tandy

You, as Manager, are hereby requested to clean up this trash, including the bed mattress, within 15 calendar days of the date of this notice.

Law Director
Keith Muehlfeld

If the nuisance persists after the 15 days, the Penalty Clause of the Nuisance Ordinance will be enforced.

We are also contacting the railroad in order to cut the weeds that exist in this ditch, however, the weeds cannot be cut until the debris is removed. Prompt action in this matter will be appreciated.

Sincerely,

Richard G. Hayman
Building Commissioner
