Re. 1129 Sycamore Dr. - sidewalk damage during pool construction
04/04/2000.

Dear Mr. Dawson

This letter is to inform you that the sidewalk slab which was damaged during the pool construction at the subject residence has not been replaced as promised by Shelby Dawson. I spoke with Shelby on the job site on or around April 4th, 2000 identifying the sidewalk slab which was destroyed by your equipment during the pool construction. He stated that I was not to be concerned about it and that he would take care of it. It has been over two years, the slab is still the same and needs to be replaced. Please make arrangements to replace the slab within 30 days of receipt of this letter.

Thank you in advance for your cooperation in this matter.

Sincerely

Brent N. Damman
Zoning Administrator
