Dear Mrs. Pilliod:

Members of Council
Vern Holers, President

Our records indicate that you are the owner of the building at Washington & Perry Street, which houses the Murphey Store, and therefore we are directing this letter to your attention.

Lawrence Haase
James Jackson
Marilyn Rausch
David Strobel
William Young

Inspections of your building were recently accomplished by this Department, and we find that there is a roof leak in the eaves section of the building, directly above the fire escape on Perry Street. Water is dropping from this area and creating a constant problem on the pavement.

City Manager
Alan E. Tandy

We suggest that if this is a roof leak it should be repaired promptly to protect the structural integrity of the roof overhang.

Law Director
Keith Muchfeld

We will appreciate your prompt attention to this matter, to remove the nuisance value of water dropping to the sidewalk, and also for the future hazardous condition that will be created when the winter brings on an icing condition on the sidewalk.

If this building is no longer under your control, or if you have any questions regarding repairs to the structure, please feel free to call.

Sincerely,

Robert E. Johnson
Dept. of Building & Zoning
