Re: Sanitary Sewer Relocation Notice

Dear Ms. Zuniga,

It has come to the City of Napoleon's attention that the sewage from your residence is entering into the sump pit at 621 Jefferson Street. This water is then pumped from the sump pit into the alley located on the south side of 621 Jefferson Street. Per Ohio E.P.A. orders and the City of Napoleon's Water & Sewer Rules, this is prohibited.

This letter is to alert you of the situation and to serve notice that this issue must be corrected immediately. You are hereby directed to relocate your sanitary sewer service to Jefferson Street. A sanitary sewer tap on the mainline sanitary sewer located on Jefferson Street will be provided to you by the City of Napoleon. The City of Napoleon will install a tap from the main to the westerly right-of-way of Jefferson Street. You have four (4) weeks from the time of the installation of the sanitary tap to reroute your existing sanitary sewer. If the required work is not completed, legal action may be taken.

If you have any questions or require additional information, please contact us at your convenience.

Yours truly,

Chad E. Lulfs, P.E., P.S.
City of Napoleon Engineer
