This permit shall be void six months after date of issue unless construction shall have been started. Application for Permit shall be accompanied by two complete sets of plans including: Elevations, Floor Plans, Specifications, Plot Plans and such other information as the Building Inspector may require.

Any substantial alteration of plans covered by this Permit may be made only by written permission of the Building Inspector.

No part of any building area authorized by this Permit may be occupied until final inspection and issuance of a Certificate of Occupancy by the Building Inspector. Building Permit card shall be posted conspicuously by job site during construction.

January 3, 1962

Charles L. Barber and Associates  
2313 Madison Avenue  
Toledo 2, Ohio

Attention: Mr. Raymond Jaminet

Subject: St. Pauls Methodist Church

Dear Mr. Jaminet:

Enclosed herewith is one copy of the drawings and specifications for subject project.

We have reviewed the drawings and specifications and have approved both with one addition to the specifications.

Under the Section Concrete: 1910, 27 Concrete Walks we would like the following addition: Concrete walks shall be 4 inches thick, except that portion which runs through driveways or alleys, at these locations the concrete walk shall be 6 inches thick.

If you have any questions pertaining to our comments, feel free to call us.

Very truly yours,  
CITY OF NAPOLEON
