City Manager

Re: Ditch closure-State Route 424
West - Napoleon, Ohio 43545

Dear Mr. Meyers:

We have reviewed your request to fill in the roadside swale at the rear of your property, adjacent to and including State Route 424 right-of-way.

We will approve this request based on the following conditions:

- 1) The ADS pipe shall be bedded its entire length with #67 limestone.
- 2) Any tile that will connect to this line shall be hooked up utilizing fitting manufactured by ADS, Inc.
- 3) Slope from the edge of pavement to the center of new swale shall be 1" per foot minimum.
- 4) The City of Napoleon shall inspect the bedded pipe prior to covering the pipe with dirt.
- 5) The City of Napoleon shall inspect the final graded swale prior to owners seeding, fertilizing and mulching.

We hope that these items will not cause any inconvenience to you.

Your contact person with the City of Napoleon shall be Mr. Sonny Helberg.

Respectfully submitted,

Marc S. Gerken, P.E.
City Engineer
