Dear Mrs. Hogrefe:

James Zumfelde

Over the past few months, the City has received numerous complaints about the condition of your property at 820 Welsted.

After inspecting the property, I found a numerous amount of rubbish and junk lying around the yard, plus a junk auto and a residential structure that is in need of repair.

City Manager

Richard A. Hayward

These items constitute a violation under the Nuisance Ordinance No. 1705 of the City of Napoleon.

Law Director

Keith P. Muehlfeld

I would ask that you correct this situation as soon as possible so that the City does not have to take stronger action to abate the violations at your expense.

Your cooperation is appreciated.

Yours truly,

Richard G. Hayman
Building Commissioner
