Subject: Driveway and Sidewalk Replacement

We recently replaced our driveway at this address and, as instructed by you or your representative, the curb was also replaced. We understand that the city will pay \$10 per foot for the curb. Attached is a copy of the bill from Larry Irving, Jr. showing that 34 feet of curb was replaced.

In addition there was a 15 foot section of sidewalk on the Glenwood side of our lot which was settling over a city drain. I considered this a safety problem and it also made it difficult to keep clear of snow in the winter and this section was replaced. I believe the cost of replacement of this section should be the responsibility of the city. Attached is a copy of the bill submitted by L. J. Irving, Jr. for replacement of this section of sidewalk.

Mr. Brent Dammon is familiar with these improvements.

We have paid these bills as submitted by Mr. Irving.

Thank for your prompt attention to these matters.

  
Gordon Jameson
