herein referred to as "Property Owner" witness that and hereby agree to as follows:

Contractor agrees to furnish all materials, equipment, and labor necessary to service the below grade masonry for the above named Property Owner. Worked to be performed will be based on the option chosen by Property Owner as detailed below.

I/we XBJ the Property Owner(s) have read the reverse side of this agreement and understand that due to the nature of water seepage problems, the services provided by this agreement will not make the area serviced impermeable to water and that additional service may be required should subsequent seepage occur. (See reverse side of this agreement clause No. 9)

The Contractor represents that the installation of the work chosen below will be completed on or before the date of 01 / 20 / 2020

**INSPECTIONS AND SERVICE** It is understood and agreed that at anytime during the warranty period, including both the Included Warranty and the Master Service Warranty as detailed below, it may be necessary for the Contractor to service or inspect the work originally performed. If the Contractor determines this service or inspection is needed, the Buyer must make the floor and/or necessary foundation walls bare and accessible by removing all obstructions completely, or all warranties may be declared null and void.
