Jim Trudell  
Restoration Mechanical  
26901 Eckel Rd.  
Perrysburg Ohio 43551

I was called on 03/19/2014 to the fire damaged residence at 955 Westmont by the Electric contractor to do a walkthrough to discuss the proposed electrical repairs. From that walkthrough I will require the following:

All the wiring in the basement including the service and distribution panel needs to be replaced and made code compliant with the current code.  
Any wiring on the first floor that is exposed because of the restoration from the fire needs to be made code compliant with the current code.

Please call my Office at 419-592-4010 if you have any questions

Tom Zimmerman

Electric Inspector &  
Building and Zoning Official  
City of Napoleon Ohio
