

ATTN: Jeff Marinhugh

Rosie Haislet 419-592-9187
1104 Willard ST.

Backyard and sidewalks are
always underwater when it rains.

They wanted to know if city of Nap.
would do anything for them?

If not, they would like to know
what they can do to correct this
standing water problem, If city of
Nap. has any suggestions.

Stopped and talked
to residents on 2-12-09
@ 12:45 p.m.

Thank you,
Ret Moll
