Dear Mr. Roebuck:

Prior to issuing final approval of the proposed site plan, the following information must be provided:

City Manager  
Marc S. Gerken, P.E.

- 1.) Calculations showing the estimated potable water consumption for the facility (equivalent water fixture units);
- 2.) Details for the water supply riser including a City of Napoleon approved backflow prevention device;
- 3.) Details for all signage proposed for the site; and
- 4.) One (1) copy of the runoff calculations for the site (pre- and post-development).

Finance Director  
Gregory J. Heath

Law Director  
David M. Grahn

City Engineer  
Adam C. Hoff, P.E.

If you have any questions or require further information, please call me.

Yours truly,

Adam C. Hoff, P.E.  
City Engineer

# MEMORANDUM

CITY OF NAPOLEON BUILDING & ZONING DEPARTMENT

TO: Adam C. Hoff, P.E. City Engineer  
FROM: Brent N. Damman, Building & Zoning Administrator *BND*  
SUBJECT: Taco Bell 605 Wood Drive  
DATE: October 22, 1996

We are in need of the following information related to the above project.

1. Calculations showing the potable water gallons per minute flow needed for the facility.
2. Details on the water supply riser including an approved backflow device.
3. Details on all signage proposed on the site.
