Dear Mr. Frame:

Members of Council

The City of Napoleon has been receiving numerous complaints on your house at 1012 Woodlawn. The first floor tenant is storing numerous trucks and trailers in the rear yard of the above address. This makes an unsightly view to the neighboring properties.

City Manager
Richard A. Hayward

The City of Napoleon is working hard to keep our City a nice community to live in. We would ask your help in getting this tenant to store his commercial vehicles, camping trailers and trucks at another location, besides a residential district.

Law Director
Keith P. Muehlfeld

Your help and cooperation in this matter would be appreciated.

Yours truly,

Richard G. Hayman
Building Commissioner
