Re. Home Occupation

City Manager
Marc S. Gerken, P.E.

Dear Mr. Weaks

Regarding our recent discussions on the subject matter, please keep in mind that certain home occupations may meet the criteria as set forth in the City Zoning Code and still have an adverse impact on the surrounding neighborhood. If a home occupation does indeed cause an adverse impact (as determined by the Zoning Administrator) it must be discontinued. A zoning permit must be applied for before a home occupation may begin operation.
