Dear Dr. Manahan:

Your building at 1325 Woodlawn is in an "A" Residential District and businesses are not permitted in residential areas. Because your business has been there 20 years or more, it is considered a legal non-conforming use. Non-conforming uses may continue but may not be extended or expanded. It may be changed to another non-conforming use of the same or greater restriction, provided the size or area of the structure or premises is not increased.

If you have any questions, please feel free to call.

Yours truly,

Richard G. Hayman
Building Commissioner
