28 June 99

Proposed partition will be wood studs/drywall with treated lumber for lower plate. Outlets will be connected to existing circuits. Will probably also run wire to prepare for hook-up of 220 volt electric baseboard heaters; but will not complete electrical hook-up for heaters at this time. Also intend to install suspended ceiling.

1328 Woodlawn, Napoleon, Ohio.

Being made into a law office in front half of building.
