Robert G. Heft
James Hershberger

Dear Mr. and Mrs. Parker:

The Utilities Department as well as our Zoning Administrator, Brent Damman, has informed Engineering as to your question regarding your paying for sewer service when you are not hooked into the system.

City Manager
Terry Dunn

Our records are correct that you are being billed for sanitary service and if you are not presently tied into the system, there is a sanitary sewer running adjacent to your property.

Finance Director
Rupert W. Schweinhagen

This sewer lies along the Oberhaus Creek and is adjacent to your property.

Law Director
Michael J. Wesche

The City of Napoleon enacted legislation in compliance with Ohio E.P.A. guidelines that mandates that within sixty (60) days of availability, the Owner shall tie into the sewer.

Prosecuting Attorney
Thomas L. Bischoff

Also, it is City policy that if a sewer is available, regardless of utilization, that sewer charges shall be made.

We have enclosed two (2) sewer maps illustrating the sewer available.

If you have any questions, please call.

Respectfully,

Marc S. Gerken, P.E.
City Engineer
