FROM: Roger O. Freytag, Zoning Administrator *ROF*
SUBJECT: An application for Variance
DATE: 6 July 1990
MEETING: 10 July 1990 at 5:30 PM
MEETING NO.: BZA 90/10

RECOMMENDATION

It is recommended that the Board of Zoning Appeals approve a variance to construct a pool and deck within the side and rear yard setbacks and to vary the lot coverage requirements for these uses at 923 Woodlawn.

BACKGROUND

An application for Variance by Douglas L. Wolfe on behalf of Deborah Wolfe, Napoleon, to construct a pool and deck within the side and rear yard setbacks and to vary the lot coverage requirements for these uses. The Variance shall be to Section 151.35(D)(1) & (F)(1) of the City of Napoleon, Ohio, Code of Ordinances. The proposed development is located at 923 Woodlawn in a "C" Residence District.

The standards for variation to be considered are as follows:

- (a) that there are exceptional or extraordinary circumstances or conditions applicable to the property or to the intended use that do not apply generally to the other property or use in the same vicinity of district.
- (b) that such Variance is necessary for the preservation and enjoyment of a substantial property right possessed by other property in the same vicinity or district but which is denied to the property in question.
- (c) that the granting of such Variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity or district in which the property is located.
- (d) that the granting of such a Variance will not alter the land use characteristics of the vicinity of district, diminish the value of adjacent land and improvements or increase the congestion in the public streets.
