To Whom It May Concern:

City Manager  
Dr. Jon A. Bisher

In November of the year 2008, you were notified by the City Engineer that your property at the location of **928 Woodlawn Ave.** had illegal sewer connections, to wit: having downspouts connected to the City's sanitary sewer system. Please be advised that Rules 9 and 26.4 of the City's Rules for Water and Sewer Service prohibit the discharge of any unpolluted waters such as storm water, groundwater, roof runoff, subsurface drainage, or cooling water to enter the City's sewers. Pursuant to Rule 9, you are hereby notified that you have 90 days after service of this Order to remove, eliminate, or correct such conditions.

Finance Director  
Gregory J. Heath

Pursuant to Rule 27, a violation of Rule 26.4 constitutes a misdemeanor of the minor degree, punishable by a fine of up to \$150.00 per day. Each day in violation constitutes a separate offense. In addition to the criminal penalties, this matter may be deemed a public nuisance and a cause for civil action; finally, the failure to abide by this Order may subject your premises to disconnection of utility services pursuant to Rule 15.1.

Law Director  
David M. Grahn

Please be a good citizen and timely comply with this Order. Please contact the City of Napoleon's Engineering Department regarding all questions and permits. The Engineering Department may be reached at 592-4010.

City Engineer  
Chad Lulfs, P.E.

Sincerely,

  
Dr. Jon A. Bisher,  
City Manager
