Thu 06/06/96

Ptl Carroll was dispatched to the Hogrefe property on Oakwood Ave across from Wal-Mart to check on a report of 16 nuisance vehicles. He observed these vehicles and reported back to me as ordered.

Fri 06/07/96

I went to Brent Damman's Office and told him that as I see it, the property and the cars are in compliance with the Napoleon City Ordinances concerning nuisance vehicles. We talked about possible zoning alternatives and he will check further. I forwarded a copy of this complaint to his office for his file.
