Human Resource Management

Associate of Applied Business in Business Management

An environment that is very fast paced and dynamic requires human resource professionals that are able to help manage a productive and efficient workforce. The human resource professional is a critical member of the management team and has direct responsibility for managing employee relations, wage and salary administration, benefits, as well as contract negotiations. The Ohio demand for professionals in the time period 2006 to 2016 is expected to grow at 14% compared to a national average of 11 percent for Human Resource Managers.
