The first order of business is the re-organization of Board members by voting for President and President Pro-Tem.

Matt Bressler reached out again and would like to propose a disc golf course within the parks system. He plans to be at the meeting to discuss.

We will need to vote for the Parks and Recreation Service Award recipient for 2022. I've enclosed past winners of this award. Please consider an individual or group that is deserving of this award.

If you have any questions or need additional information, please contact me.
