CALL TO ORDER

The meeting of the Civil Service Commission was called to order by Bill Finnegan at 4:31 pm.

Finnegan said, I would also like to take a moment of silence for Officer Tyler Murrey.

APPROVAL OF MINUTES

Hearing no objections or corrections, the minutes from the Civil Service Commission meeting on November 13, 2024, were approved as presented.

FORMAL COMPLAINT

Augustine said, I don't believe you were given all the information you needed for the unilateral promotion of Sergeant Steward to Lieutenant. The first thing I would like to reference is, ORC 124.44, in that it states, "No position above the rank of patrol officer in a police department shall be filled by any person unless, that person has first passed a competitive promotional exam." Also, it states in the third paragraph that, "An increase in the salary or other compensation of anyone holding a position in a police department, beyond that fixed for the rank in which that position is classified, shall be deemed a promotion." As part of that if you look at the pay scale for the highest sergeant it would be around \$77,600 and the low for lieutenant would be \$79,900, with an increase of salary of about \$2,200. The next part of this, if you look at the job descriptions for both sergeant and lieutenant the descriptions are very similar. However, the job descriptions layout a straight chain of command and it points out that the sergeant normally reports to the most senior lieutenant. Then on the lieutenant's description it is says, the lieutenant has direct responsibility over the following positions, sergeant being one of them. The other part to this is under your rule 8.3, which is where you granted the unilateral promotion, it says, "satisfactory evidence for specific reasons competition in such case is impractical." One, there are four people under the chief of police that applied and interviewed for chief of police. Assistant Ruffer obviously got the position, so there are three people left below the rank of lieutenant that interviewed for chief of police. The lieutenant's promotional exam that is coming up, I know there are a few officers who put in for that and would be accepted to take that spot. So, I argue there is competition for that spot. Along with that, I also argue that it is against the ORC, and it is our job to enforce the law. Small said, it took me awhile to come to my decision to make the change from sergeant to lieutenant. I came to the realization that it is strictly a title change and that the job duties as assigned will not change. With that being said, there was a promotional exam in the past for the position of sergeant and when he was placed in the position of sergeant he got there based on his exam. Legg said, one of the reasons for the exception is that in the future there will come a time when I leave and there will need to be a promotion and there is only one person under chief and that is assistant chief. At that point, it will go to civil service

the next lowest classification, then if we have those three training lieutenants then they are eligible to be promoted. If you don't accept this exception, then we have a smaller pool of people to test for a chief's position. That is the goal behind this entire process. Ruffer said, the ORC section that was referenced is correct, if there is a monetary increase that is considered a promotion, that was the entire reason we had to come to Civil Service in the first place. Absent of that monetary increase, it wouldn't have been considered a promotion. Roof said, if David Steward is back tracked and we take him out of this position he will have the ability to take the assessment. The way we opened the assessment allows David Steward to take the assessment and then, it goes back to the Chief who will put him back in that position. Based on the grade and seniority then, after they would hold interviews, so in the end he could end up getting his spot right back. The assessment in January 11th. Finnegan said, looking back at the notes, I noticed Andy mentioned getting the approval of City Council on this. Small said, during the budget process I explained this idea to council and let them know there was a financial cost to the city to do this and they approved. Legg said, is this a seniority issue. Augustine said, no it is about fairness. Legg said, it seems to me this is a seniority issue. Augustine said, doing things the way they are suppose to be done like the test, the interview, and it is the way we've always done it. Small said, there were testing and interviews for the position of sergeant and Mr. Steward currently sits and he gained it through those channels. I believe we should stand by the decision made.

CALL TO ORDER

The Tree Commission meeting was called to order by Chairman Etzler at 6:00 p.m.

APPROVAL OF MINUTES

In the absence of any objections or corrections, the minutes from the September 16, 2024, meeting were amended as presented.

REVIEW TREE CALL REPORTS

Deblin said, I've had a couple tree call reports. First from, 751 West Clinton they had a pear tree that split and lost a big limb. The tree was outside of our right of way, so it was the homeowner's responsibility. I had another tree at 1010 Woodlawn, it was behind the house off the alley, and it was interfering with the power wires, and I directed her to the electric department, so they trimmed it up. I had another tree limb rubbing a school bus, Jeff Nicely with the school bus transportation called it was on East Main Street by Hobson and I asked electric to take care of it also. I had another call and email from Bob telling me about a homeowner who wanted to salvage a tree then, transport it into the right of way. Currently, we don't allow that, but we've done it with our own trees on our own property. Once, we moved them from construction projects to the golf course but never a private tree. I said at this time we would not do that because it would interfere with our master plan and diversity. Etzler said, I've also looked into that, and I don't see where we were planting serviceberries anywhere in the city in the master plan, but I'd have to look a lot closer. Deblin said, is that what it was? Etzler said, yes. Weitzel said, that doesn't sound right but I will take your word for it. Etzler said, that is what you said in the email. Weitzel said, that doesn't sound right but I will look it up. Etzler said, serviceberries are a native tree, and I also noticed the master plan has two streets with two different maples. We may want to review the master plan because I just noticed that and there are some things that we could adjust. Not necessarily helping this homeowner at the time but we might want to review it. Weitzel said, you're correct it is a serviceberry, and we don't have a plan to plant one in the right of way there. She wanted it to move there because she wanted a tree in that right of way. Do we have a plan to put a tree there. Deblin said, we probably do if you give me the address I can check. Weitzel said, oh I thought maybe we did already. Etzler said, the masterplan has a maple going there. Deblin said, it isn't a serviceberry, but I will gladly add her to the spring list and send her the information we would propose. We can see how she feels about it, that is what our typical protocol is. Weitzel said, she wanted to plant a birch in place of her serviceberry but she didn't want to get rid of the serviceberry. The address is 505 High Street and she wanted that in the right of way. If we were planting, she still wouldn't be able to choose the tree in the right of way and she understood that. She didn't ask in response to have a tree planted but that was her idea to move it into the right of way and plant behind it. I think we could leave it since we don't have a plan for that street right now. Deblin said, thank you both for fielding that call.

FALL CONTRACTS UPDATE

Deblin said, the removals and topsoil are both complete. The removal was completed about a week and a half ago. The topsoil was just completed Friday. The trimming contract hasn't started yet, but they told me they were planning to come at the end of October. The planting I haven't heard from, they were here for the topsoil but never said anything about when the planting was scheduled. So, we have trimming and planting yet to do. Volkman said, how many planting were there. Deblin said, 12 I believe but I can confirm later.

REVIEW SPRING REMOVAL LIST

Deblin said, I don't really have one started yet besides the sidewalk trees so we have the list we are working on. I am on the fence with the sidewalk trees right now, but we will see how it goes. We've done a couple of them and the homeowners were sent letters and the sidewalks were not replaced. We are on a hold pattern on how we pursue it and get sidewalks replaced. If we aren't going to replace the sidewalks then, I don't think we should waste the money to cut down healthy trees but that is my stance on it. I know it is kind of a bad attitude about it and a safety concern. Etzler said, so we have trees that we cut down, but the homeowner has not replaced the sidewalk. Deblin said, we sent homeowners a letter giving them a substantial time to replace the sidewalk with a deadline, but they did not do it. Now, as it stands right now, the city didn't want to enforce it. So, I am still waiting for a response, but it has been a couple months. Etzler said, so we cut down a tree but the safety problem is still an issue. Deblin said, correct. Etzler said, even though it is the homeowner's financial responsibility to replace it the city is still on the hook for safety aspect. Deblin said, I don't know how that falls. Etzler said, if it falls like the trees that how it works. We can delegate out, but we can't delegate that certain responsibly as the city. Deblin said, I think we can and it's a codified ordinance and that's why it was cited in the letter. There were actual criminal charges in the letter if you didn't follow through with it based on codified ordinances. I think in our town sidewalks are homeowner responsibilities. Etzler said, correct but if we don't follow through totally with that. Deblin said, as it stands now it is out of our hands. Etzler said, yes, it is out of our hands, I agree. Deblin said, I will ask again. We did a couple in the spring; we sent the letters and sidewalks didn't get replaced. In the fall we did some off that sidewalk list but that letter hasn't even been sent yet because of the spring ones. Etzler said, I think we can safely go ahead until the sidewalks that are replaced on trees that were already removed are replaced and we know the procedures. I'd rather do that and work on the trees that we have that are healthy. Deblin said, I would rather do that also. Volkman said, how many sidewalk trees are left? Deblin said, 5. Volkman said, how many outstanding non sidewalks that haven't been repaired are there? Deblin said, 2 from the spring and 1 from the fall but the fall hasn't been sent the letter yet but there could potentially be 3.

REVIEW SPRING TRIMMING LIST

Deblin said, it depends where they finish in the fall but I'm going to guess it is going to be the area of Woodlawn and the northwest corner of Scott Street, Highland, Willard, and Ohio block. We are working our way around kind of curving to the northeast and coming back in. We do have a little bit of extra money, and we were able to settle with All Seasons because they finally responded. So, we were able to get that taken care of and it went to the fall trimming before it was lost or carried over into next year.

REVIEW NEXT YEAR'S BUDGET/PLANS

Deblin said, Chad has proposed \$85,000 for next year's budget but it hasn't been approved yet. That would be a \$5,000 increase from this year's budget. Etzler said, and what is your recommendation for that additional \$5,000? Deblin said, I would recommend using it to get caught up on the trimming. We've been pretty good about using the \$20,000 in the spring but with the removals and stuff we haven't been able to get there in the fall until this year. Then, this year we didn't hit \$20,000 in the spring. We are trying to get more trimmings to get that trim cycle closer to 4-5-year cycle but right now we are about at an 8-9-year cycle. I would like to focus on the maintenance and trimming part of it.

Etzler said, especially when we are getting good information feedback from our trimmers about trees that need taken care of. When you have to present it to council, we have had very few limbs falling from public trees and causing damage. Deblin said, we have been standing pretty good after a high wind event or storms. Etzler said, a lot of that is because we are keeping up with that tree trimming. Deblin said, they do a great job tree trimming for us and make a lot of notes of things to watch, take care of, remove, or diseased trees. Based on that information I will make my list for the spring.

MISCELLANEOUS

Etzler said, there is an Urban Forestry festival meeting November 7th at the Bluffton college, did anyone get any information on that from Stephanie. If not, I will have to forward the information to you. I can pull addresses from the minutes and make sure you get added to Stephanie's emails. It is on a Thursday and right now I am working second shift which means I have to take a half day Wednesday and Thursday to get it in or else it is a mess, then I have to work the weekend. So, I am trying to think about it but if anyone would like to visit you will get good information. It is \$50 which is reimbursable. If we have more then, we could get all the names on one sheet and hand it in. Deblin said, if anyone ever wants to go to things like that let me know so I can get a po ahead of time. Volkman said, the spring contract is settled? Deblin said, yes, he agreed to my times and sent an invoice. Volkman said, that has been out there for a while. Deblin said, yes since April.

Council President Durham read by title Ordinance No. 47-24, an ordinance authorizing a pay increase for the City of Napoleon, Ohio law director; and declaring an Emergency

Motion: Haase Second: McBride
to approve second read of Ordinance No. 47-24

Garringer said, I would like to suspend the third read because the first pay is this Friday and that way we won't have to prorate pay. Roof said, I highly recommend doing it this way because if we wait to long we could get a penalty from OPERS.

Award of Chemicals for the Water Treatment and Wastewater Treatment Plants for FY2025

Small said, we go out annually to get our bids for the year for chemicals for both water and wastewater treatment plants. USALCO and ChemTrade bid on both chemicals. USALCO got the Aluminum Chlorohydrate and ChemTrade got Liquid Aluminum Sulfate bids. Those were the only two companies who bid on these. Okuley said, yeah, each company got one chemical.

To appoint Judge Elizabeth Schuller to serve as a public sector representative on the Northwestern Ohio Community Action Commission's governing board

Small said, we were contacted by the Northwestern Ohio Community Action Commission last week asking if council can make a motion to approve Judge Schuller as the public sector representative. She currently serves as a representative as a legal sector on the board but with Commissioner Bob Hastedt leaving there was an opening in the public sector position, so Judge Schuller is moving into that position.

Around the Table

Small said, tomorrow I have representatives from AMP coming to conduct their annual power supply update and you are all invited to come if you wish. Another item, last spring I had a request from Mr. Weitzel to review all city owned properties and we took that to the Municipal Properties Committee and reviewed several properties. There were five that we were looking to sell. There is a property on Glenwood Avenue that was purchased by the city in 2012, and I do have an adjacent property owner who is interested in purchasing that land. So, I can take this back to the Municipal Properties Committee, or we can bring the legislation to council once it is ready. I just wanted to give you a heads up that the legislation will be coming to transfer the property to the CIC.

Harmon said, I have nothing for this meeting, but I will have updates next meeting.

McBride-Nothing.

Weitzel-Nothing.

Haase-Nothing.

Bialorucki-Nothing.

Schwab said, I saw a car driving down looking at the lights the other night, is there anything we can put on that path so cars can't go down it. Small said, I will speak with Tony about it.

Cordes-Nothing.

Weaver-Nothing.

Garringer said, just a reminder that elected officials are required annually the financial disclosure statements and we will reimburse you the \$35. You can do it online or mail it in with a check.

DRAFT

ORDINANCE NO. 001-25

**AN ORDINANCE SUPPLEMENTING THE ANNUAL APPROPRIATION
MEASURE (SUPPLEMENT NO. 4) FOR THE YEAR 2024; AND DECLARING
AN EMERGENCY**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, the annual appropriation measure passed in Ordinance No. 045-23 for the fiscal year ending December 31, 2024 shall be supplemented (Supplement No. 4) as provided in Exhibit A, attached hereto and made a part hereof.

Section 2. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Ordinance were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of the City of Napoleon, Ohio.

Section 3. That, if any other prior Ordinance or Resolution is found to be in conflict with this Ordinance, then the provisions of this Ordinance shall prevail. Further, if any portion of this Ordinance is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof.

Section 4. That, this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time because this Ordinance provides for appropriations for the current expenses of the City which are related to public peace, health or safety; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to be in effect at the earliest possible time to allow for proper payment of current expenses, and for further reasons as stated in the Preamble hereof.

AN ORDINANCE AUTHORIZING THE FINANCE DIRECTOR TO MAKE APPROPRIATION TRANSFERS (TRANSFER OF APPROPRIATION 4) FROM ONE APPROPRIATION LINE ITEM TO ANOTHER APPROPRIATION LINE ITEM PURSUANT TO ORC. SECTION 5705.40 FOR THE FISCAL YEAR ENDING DECEMBER 31, 2024 AS LISTED IN EXHIBIT A; AND DECLARING AN EMERGENCY

WHEREAS, the City appropriates funds by fund, department, and category of personal services and other; and,

WHEREAS, transfer from one appropriation item to another is necessary to provide appropriations for current expenses of the City; **Now Therefore**,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, pursuant to Section 5705.40 of the Ohio Revised Code, and this Ordinance No. 002-25, the Finance Director is hereby authorized and directed to transfer from one appropriation item to another, in the Fiscal Year ending December 31, 2024, as listed in Exhibit A, attached hereto and made a part hereof.

Section 2. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Ordinance were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the City's Revised Code of General Ordinances.

Section 3. That, if any other prior Ordinance or Resolution is found to be in conflict with this Ordinance, then the provisions of this Ordinance shall prevail. Further, if any portion of this Ordinance is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof.

Section 4. That, this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time to assure the prompt and efficient conduct of the municipal operations related to public peace, health or safety of the City; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to be in effect at the earliest possible time to allow for proper payment of current expenses, and for further reasons as stated in the Preamble hereof.

RESOLUTION NO. 003-25

**A RESOLUTION AUTHORIZING THE FINANCE DIRECTOR TO
TRANSFER CERTAIN FUND BALANCES (TRANSFER NO. 5) FROM
RESPECTIVE FUNDS TO OTHER FUNDS PURSUANT TO ORC.
SECTION 5705.14 ON AN AS NEEDED BASIS IN FISCAL YEAR 2024, AS
LISTED IN EXHIBIT A; AND DECLARING AN EMERGENCY**

WHEREAS, the City is a charter municipality having those powers of self government as stated in Article I of its Charter; and,

WHEREAS, in order to provide Fund Balances for approved expenditures in certain funds on an as needed basis, it is necessary to transfer funds from respective funds to other funds; **Now Therefore**,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, pursuant to Section 5705.14 of the ORC and this Resolution No. 003-25, the Finance Director is hereby authorized and directed to transfer monies, transfer number 5, among the various funds on an as needed basis in Fiscal Year 2024 as listed in Exhibit A attached hereto and made a part of this Resolution.

Section 2. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of the City of Napoleon, Ohio.

Section 3. That, if any other prior Ordinance or Resolution is found to be in conflict with this Resolution, then the provisions of this Resolution shall prevail. Further, if any portion of this Resolution is found to be invalid for any reason, only that portion shall be held invalid and the remainder shall remain valid.

Section 4. That, this Resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time to assure the prompt and efficient conduct of the municipal operations related to public peace, health or safety of the City; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to transfer the funds in a timely manner, and for further reasons as stated in the Preamble hereof.

Subject: PID 110038 – HEN SR 108/109 16.57/0.00 RESURF
(Scott Street Resurfacing) ~ Legislation Request

The City of Napoleon's Engineering Department is working with the Ohio Department of Transportation (O.D.O.T.) to resurface Scott Street from Lagrange Street to County Road R. As part of this project, O.D.O.T. requires legislation to be drafted. A sample of this legislation has been forwarded to the Law Department. Please request that Council to direct the Law Director to draft the appropriate legislation to allow this project to move forward. O.D.O.T. intends to open bids on February 27, 2025. All legislation, certifications, contracts, and payments are due by this date. The legislation will need to be passed under Emergency and Suspension.
