**Call to Order**

The Tree Commission meeting was called to order at 6:00 p.m.

**Approval of Minutes**

In the absence of any objections or corrections, the minutes from the October 21, 2024, meeting were approved as presented.

**Welcome new member(s)/restructure**

Ramirez said, I will ask the commission in alphabetical order to nominate a chair.

Clausing said, I nominate Larr Etzler.

Etzler said, I nominate Dave Volkman.

Volkman said, I nominate Larr Etzler.

Weitzel said, I nominate Larr Etzler.

Motion: Weitzel                      Second: Clausing

Motion to appoint Larr Etzler as the chairman of the Tree Commission.

Roll call on vote on the above motion:

Yea- Clausing, Etzler, Volkman, Weitzel

Nay-

Yeas- 4, Nays- 0. Motion passed.

**Review ordinance & annual budget**

Deblin said, the ordinances are the same. The budget this year has increased a little bit, and it is \$85,000 for the year. During the last unofficial meeting I passed out a rough budget if you want to see it. Weitzel said, the golf course trees removal is on the Parks and Recreation Budget. Deblin said, yes. Our budget is only spent on trees on the right of way.

**Review annual schedule**

Deblin said, we meet every month this year but June, November and December. I can hand out the schedules if you are interested.

**Review tree call reports**

Deblin said, I've got a couple tree calls. There was one from 638 West Main because they had a hornet's nest in the tree that was hanging over the driveway. I contacted the operations department, and they were able to remove that. 1454 Oakwood Avenue are having sewer issues, and they want to replace the line because it goes right underneath the tree. Since the health of the tree isn't too great, I added it to the tree removal list. 1089 Dodd Street had a dead limb that was hanging from the tree, and I contacted operations again to take down the limb. Weitzel said, has the city got an arborist. Deblin said, I don't think they have one yet and I don't know if they are planning on getting one.

**Review/finalize spring topsoil list**

Deblin said, there are 20 areas. I want to stay on the same schedule and rotation, so we don't miss anything.

**Review/finalize spring planting list**

Deblin said, I sent out some letters to the west view area and they were on board with it. We are planting 12 trees, six on the north side and 6 on Clairmont at the Old School Road intersection. Larr said, was that area in the master planting list. Deblin said, no. Larr said, so what are we going to plant. Deblin said, we are planting flowering dogwoods.

**Finalize spring removal list and award spring trimming contract**

Deblin said, we had 17 areas with a total of 16 trees and 19 stumps. Those went out for bid, and I have 2 bids here tonight. The first bid is from Wachtman Tree Service and their total bid is \$8,320. The second bid is from A Cut Above the Rest Tree Service for \$11,940. We worked with both in the past and never had issues.

Motion: Clausing                      Second: Weitzel  
Motion to award the bid to Wachtman Tree Service

Roll call on vote on the above motion:  
Yea- Clausing, Etzler, Volkman, Weitzel  
Nay-  
Yeas- 4, Nays- 0. Motion passed.

**Finalize spring trimming list and award spring trimming contract**

Deblin said, this also went out for bid, and I have a map for clarification. We are going to start south of the railroad tracks and west of Scott Street. If we run out of trees there, we will move to the high school area. I did receive a bid from Tower Tree Service for \$215 an hour, which is very comparable to their previous bids. Larr said, how many crews. Deblin said, one. Weitzel said, how many hours do you estimate. Deblin said, roughly 97 hours. Larr said, they didn't give us a bid for two trucks. Deblin said, no they quit doing that because of our specifications and if they have another crew it doubles the rate so they quit giving us the discounted rate for two crews.

Motion: Etzler                      Second: Volkman  
Motion to award the bid to Tower Tree Service

Roll call on vote on the above motion:  
Yea- Clausing, Etzler, Volkman, Weitzel  
Nay-  
Yeas- 4, Nays- 0. Motion passed.

**Begin Arbor Day observation plans**

Deblin said, don't really have anything set in stone yet but I thought we could do something in the Westview Villa area kind of like what we did with the picket fences last time. I think we can get some involvement there and it seems like the homeowner's association will be involved in the celebration. I received a call last week from a man named Gene Grine with the Lions Club and he also might be an employee or volunteer of the Henry County Hospital. He said there is a group at the Lion's Club who are interested in the Arbor Day celebration and want to participate. They would also like to include some doctors and nurses from the hospital to promote childhood cancer stuff. They wanted to know if we could do something together as a group. Weitzel said, so like a subject to dedicate the tree to. Deblin said, yes and if we could get more involvement instead of the Westview area

we could do it somewhere more user friendly like a park. Weitzel said, we could ask the association ahead of time for 20-30 people. Deblin said, I say we continue with the planting and do a dedication with the Arbor Day celebration. Weitzel said, I like that idea if the association is okay with that. Deblin said, I will reach back out to him because I told him I would discuss it with the Tree Commission and maybe some of them could come to the next meeting.

### **Miscellaneous**

Deblin said, there isn't a location or time yet, but the Tree City USA Awards will be held in Bowling Green this year on April 16<sup>th</sup>. Stephanie said there are more details to come. If someone is interested in going let me know because we will cover the costs. Weitzel said, I will be missing the March meeting.

### **Adjournment**

Motion: Weitzel                      Second: Volkman  
to adjourn the Tree Commission meeting at 6:22 pm

Roll call on vote on the above motion:

# ***2025 Developmental Disabilities Awareness Month Proclamation***

**Whereas:** HOPE Services, as Henry County's Board of Developmental Disabilities, has served citizens with developmental disabilities for over 50 years; and

**Whereas:** Developmental disabilities are conditions which affect millions of Americans and their families; and

**Whereas:** We recognize that HOPE Services serves approximately 420 Henry County citizens with disabilities; and

**Whereas:** Individuals with developmental disabilities, their families, friends, neighbors and co-workers encourage everyone to focus on the abilities of all people;

**Whereas:** The most effective way to increase this awareness is through everyone's active participation in community activities and the openness to learn and acknowledge each individual's contribution;

**Whereas:** We encourage all citizens to support opportunities for people with disabilities that include full access to education, housing, employment and recreational activities.

**Now, therefore:** I, Joseph Bialorucki, Mayor of the City of Napoleon, do hereby proclaim

## **March 2025 as Developmental Disabilities Awareness Month**

And recognize that our communities are stronger when everyone participates. Take time to get to know someone with a disability, recognize ability at work, see what he or she has to offer and give full support toward enabling people with developmental disabilities to live productive lives and achieve their potential.

**Ordinance No. 011-25 Amending Chapter 951**

Council President Durham read by title Ordinance No. 011-25, an Ordinance amending chapter 951 of the codified Ordinances of the City of Napoleon, Ohio, specifically sections 951.04 and 951.05, Burial Lots; Charges for and Restrictions; Repurchase

Motion: Haase                      Second: Schwab  
to approve first read of Ordinance No. 011-25

Small said, this review of these rates was prompted by Tony's request to make changes to the indigent burial forms but once I started looking into that I realized many rates haven't been updated since 2002. So, I met Tony, and we started reviewing what local cemeteries were charging for rates. We came up with a new rate structure that is competitive to local cemeteries.

#### **Good of the City (discussion/action)**

#### **The City of Napoleon's Department of Public Works requests approval of the bid documents for the 2025 Sanitary Sewer Cleaning**

Lulfs said, the city is required to clean all their sanitary sewers on a 10-year cycle. That does not mean that what we clean this year will get cleaned in 10 years. It's just a 10-year cycle we have to clean all of them, and we are restarting that cycle this year. We have reviewed what our problem areas are with the sanitary sewer department, operations superintendent and GIS technician to put together important portions of town, primarily the south side, northwest portion and the north crest area in 2025.

Traditionally, we have tried to bid these in 3-year sections, so the bid documents are prepared to receive bids for 2025, 2026 and 2027. The budget for this year is \$100,000 and we have a completion date of August 29, 2025. We request councils' approval to advertise this project for bids. Schwab said, are there any grants available for this. Lulfs said, not for this one. Durham said, is that \$100,000 annually. Lulfs said, yes, but for 2026/2027 are slightly less around \$90,000.

Motion: Weitzel            Second: Schwab  
To approve bid documents for the 2025 Sanitary Sewer Cleaning

Roll call vote on the above motion  
Yeas- Haase, Weitzel, McBride, Weaver, Cordes, Schwab, Durham

Yeas-7, Nays-0. Motion Passed.

#### **The City of Napoleon's Department of Public Works requests approval of the plans and specifications for the 2025 Miscellaneous Street Improvements project**

Lulfs said, annually we come with miscellaneous street improvements projects and this year we received a lot of complaints about Twin Oaks. After inspecting them we realized they are in very poor condition. The plans for this project would be to remove the concrete on these two streets full length and leave the curbs in place. But the concrete portion of the street will be removed and replaced with asphalt. Also, a small section where Bordeaux goes from Twin Oaks to Rivera Heights will be replaced in the same manner. The estimated cost is \$419,000 and the budget for the project was \$500,000. The completion date is October 31<sup>st</sup> and the reason is to hopefully receive lower pricing because asphalt and concrete have gone up so much. Schwab said, when will we start the project. Lulfs said, we wouldn't dictate when they begin but it would be a short construction window due to the nature of the work. Bialorucki said, can we do anything with that concrete to save the city money. Lulfs said, we will have the concrete taken to our yard waste site and we will continue to use the crushed concrete on other projects as long as its not a state highway. If it is a residential local street, we use that for some of our trench back fill in place. Bialorucki

said, will that save the city money. Lulfs said, it doesn't really save on disposal but it does saves us on the next project so we don't have to buy stones.

Motion: Haase                      Second: Weitzel

Motion to approve the plans and specifications for the 2025 Miscellaneous Street Improvements project

Yeas-6, Nays-0, Abstain-1. Motion Passed.

**Recommendation to award Hillabrand & Sons Construction the contract for the E. Washington Street Improvements project in the amount of \$3,119,622.90**

Lulfs said, we opened bids for this project at the county commissioners office and we received 2 bids. The lower bid being that of Hillabrand and Sons Construction. The engineers estimate on the project was \$2,950,000 and the budget was \$3,950,000. As you can see on the memo we have 3 grants attached to this project and in total the grants totaling around 1.6 million dollars. Majority of the project will be covered with grant money. It is my recommendation to council to award the project to Hillabrand and Sons Construction for \$3,119,622.90. The competition date for this project is August 16<sup>th</sup>.

Motion: Weaver                      Second: Weitzel

Motion to award Hillabrand & Sons Construction the contract for the E. Washington Street Improvements project in the amount of \$3,119,622.90

Roll call vote on the above motion

Yeas- Haase, Weitzel, McBride, Weaver, Cordes, Schwab, Durham

Yeas-6, Nays-0, Abstain-1. Motion Passed.

**To accept the rates for Henry County South Joint Ambulance District, Freedom Township, Napoleon Township, Harrison Township, and the Village of Florida. (direct the Law Director to draft legislation)**

Small said, these rates that we establish every year are based on the actual costs from the year before. So, these rates are based off a complex formula of population for the EMS side and the fire side is based off property value in those jurisdictions. I am asking that you direct the law director to draft the legislation and a suspension of the rules.

**To review the Parks and Recreation Committee and Parks and Recreation Board recommendation in regard to the Pickle Ball Court and Skatepark**

Small said, the committee and board decided to move to the pickle ball courts to a new location that is yet to be determined. Weitzel said, moving the courts to Oakwood Park is still equally as close to Hudson and Fair Street and I just want to point that out. Schwab said, off Mr. Weitzel's point, when baseball goes late into the evening, have you ever received noise complaints. Cotter said, I personally haven't heard any complaints. Weitzel said, it is a beautiful site, I just wanted to mention that.

**Around the Table**

Small said, at the last council meeting I told you all that the \$540,000 we budgeted for the Scott Street Project had been reduced to \$76,086. Late last week we received notice from ODOT that they increased our share of the project by \$118,358 so our total now will be \$194,444, which is a significant increase, but it is still way under our budgeted amount for the project. Weitzel said, why did they increase it. Lulfs said, right before they put the bid out, they required us to increase the quantities, I didn't agree but they wanted them increased. They also only received one bid, but I suspect the asphalt prices were quite high and I won't know until I see the bid tabulation sheet. Bialorucki said, is this part of the miscellaneous streets or is this separate. Small said, separate. Also, last week we went to Washington DC, and it went how I suspected it would go with two new senators. We were unable to meet with Senator Husted staff, but we did meet with Moreno's staff and Bob Latta. We will wait and see what those meetings bring. What we discovered was we thought we received \$1.9 million from Senator Brown last year but that money is not there. On Tuesday we did our public power thing and met both senators and Bob Latta to discuss public power issues. Finally, I will ask for a brief executive session to discuss the acquisition of property as well as a conference with the law director concerning pending litigation.
