**Citizen Communication**

My name is Justin McCall at 1325 Glenwood Avenue here in Napoleon. I serve as the pastor of Christ United Methodist Church, also on Glenwood. I wanted to come to the council this evening to let you guys know that we did have our Coats for Kids event as we've done for over 30 years and we were able to hand out 300 coats and they are still going out and I know that together we make a difference is still putting coats on kids as they come in to utilize their services as well. I want to lift up that it was a community effort to make that happen. WNDH provided broadcasting time to advertise our drop off and our distribution date. The Northwest Signal of course provided space on the page. Chief provided some space in the parking lot for the trailer that we put out every year where hundreds and hundreds and hundreds of coats are brought by the citizens of Napoleon to go out and be reused by those who need them. I also wanted to come this evening as we think about going forward to the next year and I've already hunted down everybody who's coming on to share with them the same message. I want to intentionally invite the council to be focused on developing relationships with nonprofits in the community and churches as well. There are a lot of things that happen in the churches and a lot of things that happen in the community that I think that we don't always communicate, in a world that there is so much going on, in a world with a growing loneliness epidemic, with more and more people checking out and refusing to even participate in the systems that exist in our world, it is more important than ever that we find more opportunities to work together. And so, I look forward to the new year working with those of you who are remaining, everybody who is coming off rest good and faithful servant. and looking forward to continuing to be in prayer for all of you and the new council people as they come on in the new year. Thank you. Durham said thanks so much, Pastor McCall. Congratulations on the coat rack. That's success. So, thanks for sharing.

**Good of the City (discussion/action)**

**Continuation of temporary reduction and/or temporary elimination of certain residential building permit fees.**

Siclair: Your approval tonight would continue a reduction or elimination of certain residential building permit and tap fees. This was first approved by council in 2018 as a measure to encourage more home building in the city. I think at the time, that particular year we had one house built in the city of Napoleon. Whether or not this legislation encouraged that much more building but this past year we had 14 homes built in the city this year. So, the cost of the city to do this is very small and I would encourage you to pass it again this year. Durham: Are we just approving this? Harmon: Just the motion is necessary. Durham: Okay. I think as Mayor Massel said, it's just a sign that Napoleon's open for business, right? So, I'm obviously in favor of continuing this. Love to hear. Haase: Is it a widely known fact in town? Is it something that needs to be publicized just a little bit? Bialorucki: I talked about it on the radio today. It was a big promoter. Siclair: Mayor Bialorucki was in this morning to talk about it a little bit before he went to talk to WNDH. I did not listen either. I was working at the moment, but I'm sure he did a great job.

Motion: Haase

Second: Schwab

To approve the continuation of a reduction or elimination of certain residential building permits and tap fees.

Roll call vote on above motion

Yea – Schwab, Durham, Haase, Weitzel, McBride, Weaver

Nays-

**Yea – 6, Nays – 0. Motion passed**

#### **Healthcare cost committee recommendation of five individuals needed to enroll on plan 8 HSA for the city to utilize the plan.**

Siclair: Okay. Thank you. We are bringing this before you tonight because after open enrollment last month as you know you approved three plans to be offered to the employees. Plan 8 was a new one offered this year for a high deductible HSA plan. We weren't sure how much interest there would be in it. We decided that we would offer it with a minimum of five participants. We had four that had signed up. Because this approval was made by council for five, we need to bring it back to you to approve going forward with four. I believe it to be beneficial to the employees that have chosen to take it and I do think that there will be more interest as we move forward and probably a necessity to start employees to start looking at their health care plans because we've been told that one of the other two plans will most likely be going away next year also. So, another option, we'd like to keep it. Durham: Thank you, Siclair. Any questions? Garringer: Council President. The only comment I would make is that it certainly is a move in the right direction. The five number was just sort of arbitrarily thrown out there as a goal. What we didn't want is to have one person and possibly two. But now that we were that close and also knowing that there's a possibility that one of our other plans may be going away, I would highly encourage that we allow that to move forward. Thank you. Durham: I would agree and I think as education and word of mouth kind of spreads I think more people will enroll in the future. So, HSA is a great tool to leverage and once that information is more well known I think more people hop on the plan in years to come.

Motion: Weitzel

Second: Schwab

To amend the previous recommendation of five individuals to enroll on Plan 8 HSA to four individuals

Roll call vote on above motion

Yea – Schwab, Durham, Haase, Weitzel, McBride, Weaver

Nays-

**Yea – 6, Nays – 0. Motion passed**

#### **Around the Table**

Garringer: I have nothing. Thank you.

Weaver: Nothing.

Schwab: Nothing.

Bialorucki: A couple things here. One, we received a Thanksgiving Day card. It was made out to the Mayor and the Council, and it says Happy Thanksgiving sincere thanks and appreciation from true leaders. And since Sinclair already knew she gave us these, I brought them in so we can all share them. So, I'm not going to eat them all myself. So, they're here for everyone. The other thing I just want to mention is what a great job I think our street crew did this weekend. It's holiday weekend when most of us were inside the house watching football or were sleeping. They were out clearing the snow. I thought they did an awesome job. And I see that about four minutes ago they just got called to go out again. So just want to thank all those crews. That's all I have today.

Haase: The city holiday lights are all looking good. Everything is lit up nicely.

Weitzel: Nothing.

McBride: Nothing for me.

Harmon: Nothing for me.

Sinclair: Nothing for me.

Durham: Nothing.

### **AN ORDINANCE ESTABLISHING A NEW POSITION CLASSIFICATION PAY PLAN FOR EMPLOYEES OF THE CITY OF NAPOLEON, OHIO FOR THE YEAR 2026; REPEALING ORDINANCE NO. 041-24; AND DECLARING AN EMERGENCY**

**WHEREAS**, Council reviewed the proposed year 2026 annual appropriation measure and finds, in general, as it relates to non-bargaining employees of the City of Napoleon, Ohio, that a compensation increase of four and three-fourths percent (4.75%) is generally warranted subject to various considerations as contained herein; and,

**WHEREAS**, Exhibits A, B, and C attached hereto and incorporated herein, reflect pay scales for City of Napoleon non-bargaining employees. The pay scales noted in these Exhibits generally contain a four and three-fourths percent (4.75%) pay increase from the 2025 pay scales; and,

**WHEREAS**, Council desires to make said compensation increases effective on the pay period commencing on or about December 22, 2025; and,

**WHEREAS**, Council now desires to adopt a new 2026 Classification Pay Plan for its non-bargaining employees as stated in this Ordinance and Exhibits A, B, and C; **Now Therefore**,

#### **BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:**

Section 1. That, notwithstanding any Ordinance or Resolution to the contrary, the City of Napoleon, Ohio, (the "City") had previously established a new 2025 Position Classification Pay Plan ("Pay Plan") for its non-bargaining employees, passed by Council on December 16, 2024.

Section 2. That, effective with the first pay period for the year 2026, that commences on or about December 22, 2025, the pay scale (steps) for the City's non bargaining employees (full time) positions of this city shall be provided, unless modified, as established in Exhibit A, attached and incorporated herein. Subject to the provisions of the City's Personnel Code, the Employment Policy Manual as Amended 2014-1 (Ordinance No. 084-14), and Section 3 of this Ordinance, the Department Director or Appointing Authority may place any employee affected by this Ordinance at the level of compensation the Department Director or Appointing Authority deems appropriate as listed in Exhibit A.

Section 3. That, effective with the first pay period for the year 2026, which commences on or about December 22, 2025, each non-bargaining employee (full time regular) (hourly), subject to Employment Policy Manual Policy §8.10 (Compensation Reviews), is eligible on such employee's annual hiring anniversary date of uninterrupted full time service with the City, to be advanced one (1) step in the Pay Plan until the maximum step is reached. The non-bargaining employee's (full time regular) (hourly) step location prior to advancement in the Pay Plan shall be determined by contrasting the base hourly rate said employee received prior to the enactment of this Ordinance with the table found in Exhibit A for the respective year. For new hires or current employees, the Department Director or Appointing Authority may place an employee within the scale where the Department Director or Appointing Authority deems appropriate considering

merit and fitness. Nothing in this Section shall be construed to prohibit a decrease in pay. Step increases for transfer employees shall be in accordance with §197.09(e) of the Personnel Code. A mere reclassification of a current position, where job duties are substantially the same, does not constitute a transfer.

Section 4. That, effective with the first pay period for the Year 2026, that commences on or about December 22, 2025, the pay scale for non-bargaining employee (salaried) (full time) positions of this City which are exempt under the Fair Labor Standards Act (FLSA) as it relates to overtime, shall be provided, unless modified, as established in Exhibit B, attached and incorporated herein, (expressed in base biweekly salary amounts). Subject to the provisions of the City's Personnel Code, the Employment Policy Manual as Amended 2014-1 (Ordinance No. 084-14), and Section 5 of this Ordinance, the Department Director or Appointing Authority may place any employee affected by this Ordinance at the level the Department Director or Appointing Authority deems appropriate as listed in Exhibit B.

Section 5. That, effective with the first pay period for the Year 2026, that commences on or about December 22, 2025, each non bargaining employee (salaried) (full time) position of this City as defined in Section 4 of this Ordinance, is eligible to have a minimum salary increase of four and three-fourths percent (4.75%) for Year 2026, subject to Employment Policy Manual "Policy §8.10 (Compensation Reviews)," calculated from what the employee is making at the time just prior to the proposed increase period, and as reflected in the amounts expressed in Exhibit B. In no event shall any increase place the employee above the top scale as established in Section 4 of this Ordinance. For new hires or current employees, the Department Director or Appointing Authority may place an employee, at any time, within the scale where the Department Director or Appointing Authority deems appropriate considering merit and fitness. Nothing in this Section shall be construed to prohibit a decrease in pay.

Section 6. That, effective with the first pay period of the Year 2026, that commences on or about December 22, 2025, the Pay Scale (steps) for part time, permanent part time, and temporary employees of this City shall be provided unless modified, as stated in the table found in Exhibit C (attached and incorporated herein), except when Federal or State minimum wage of a higher amount is required, then the higher amount of the Federal or State minimum wage shall apply. Subject to the provisions of the City's Personnel Code and Employment Policy Manual as Amended 2014-1 (Ordinance No. 084-14), the Department Director or Appointing Authority may place any employee affected by this Ordinance at the level the Department Director or Appointing Authority deems appropriate as listed in Exhibit C. Employment Policy Manual 2014-1, Policy Section 8.10, (compensation reviews), is applicable only to permanent part time employees, not part time or temporary employees.

Section 7. That, all paid part time, permanent part time, and temporary employees of the City shall, effective with the first pay period of the Year 2026, that commences on or about December 22, 2025, have a minimum hourly base pay increase of four and three-fourths percent (4.75%) for Year 2026 calculated from what the employee's base rate was just prior to this proposed increase, and as is reflected in the amounts expressed in Exhibit C (the amounts include the four and three-fourths percent (4.75%) increase). Only permanent part time employees are subject to Employment Policy Manual 2014-1 Policy §8.10 (compensation reviews), when applicable. For new hires or current employees of the City, the Appointing Authority or Department Director

may place an employee within the scale where the Appointing Authority or Department Director deems appropriate considering merit and fitness. Nothing in this section shall be construed to prohibit a decrease in pay. The non-full time status positions found in Exhibit C (i.e. temporary part time or permanent part time) may be modified by the Appointing Authority or Department Director at any time, except that Council shall approve any modification to a full time status. Additionally, the position of Probation Officer CCA 2.0 Grant is hereby set as expressed in Exhibit C.

Section 8. That, compensation for employees' appointments made in order to fill temporarily vacant positions shall be at a rate established by the Department Director or Appointing Authority, except that it shall not exceed the top pay scale established in this Ordinance for the position being filled. Temporary positions being filled by temporary employees for whom no pay scale has been established shall be at a pay scale established by the Department Director or Appointing Authority by comparing the temporary position created to the most similar position established within the same department that is utilizing the temporary employee. In the event no such similar position exists, then it shall be paid in an amount as determined appropriate by the Department Director or Appointing Authority so long as the amount paid may be accomplished without exceeding the department's annual budget.

Section 9. That, notwithstanding any section of this Ordinance to the contrary, compensation of the Clerk of the Napoleon Municipal Court shall be as found in Section 4 of this Ordinance and as stated in Exhibit B unless otherwise set by the Municipal Court Judge pursuant to ORC §1901.31 (C).

Section 10. That, compensation for the Chief Deputy Clerk and all other Deputy Clerks of the Napoleon Municipal Court shall be as set by the Clerk of the Napoleon Municipal Court pursuant to ORC §1901.31 and as stated in Exhibits A, B, and C.

Section 11. That, the compensation for Municipal Court Bailiff and/or Deputy Bailiff shall be established by the Municipal Court pursuant to ORC §1901.32 and as stated in Exhibits A, B, and C.

Section 12. That, all positions and/or classifications found in this Ordinance shall be deemed created, established, and existing in and for the City of Napoleon, Ohio. The status of part time employees may be further defined by the Department Director or Appointing Authority as permanent part time, temporary, seasonal, or intermittent employees without affecting the compensation status as stated in this Ordinance. Nothing in this Ordinance shall be construed as mandating that each and every position and/or classification be filled by this City.

Section 13. That, this Ordinance allows the terms and conditions of this pay increase to be retroactively applied, the same being hereby approved as it so exists.

Section 14. That, those employees who are covered by collective bargaining agreements shall be paid in accordance with the respective collective bargaining agreement.

Section 15. That, all compensation paid under this Ordinance is subject to appropriation of funds by Council.

Section 16. That, the Finance Director may adjust compensation for all affected employees to meet the intent of this Ordinance.

Section 17. That, all pay scales reflected in this Pay Plan shall be rounded, utilizing the five rule, to the nearest penny.

Section 18. That, no position mentioned in this Ordinance shall receive longevity benefit unless specified in this City's adopted longevity plan unless otherwise specifically provided for herein, or except as may be permitted by the City's longevity policy.

Section 19. That, any employee who is employed by the City in more than one position shall be paid overtime in accordance with State and Federal wage and salary laws (specifically, after forty hours of work within one week the person should receive overtime based on the salary or wage for the position they are working when they surpass forty hours for that work week). However, but for the employee's normal scheduled employment, the department that causes the overtime shall be liable for the payment of overtime regardless of where the hours were worked.

Section 20. That, Ordinance No. 041-24 is repealed in its entirety effective December 22, 2025.

Section 21. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Ordinance were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of Napoleon Ohio.

Section 22. That, if any other prior Ordinance or Resolution is found to be in conflict with this Ordinance, then the provisions of this Ordinance shall prevail. Further, if any portion of this Ordinance is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof.

Section 23. That, this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time to allow for proper payment of wages to employees, proper payment being essential to the harmony of the necessary workforce; therefore, provided the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to be in effect at the earliest possible time to allow for proper processing of wages to employees, this being essential to the harmony of the necessary workforce, and for further reasons as stated in the Preamble hereof.

## **RESOLUTION NO. 053-25**

### **A RESOLUTION AUTHORIZING THE EXPENDITURE OF FUNDS AND AUTHORIZING A DEPARTMENT DIRECTOR TO TAKE BIDS ON CERTAIN PROJECTS, SERVICES, EQUIPMENT, MATERIALS, OR SUPPLIES WITHOUT THE REQUIREMENT FOR ADDITIONAL LEGISLATION TO DO SO IN THE YEAR 2026; AND DECLARING AN EMERGENCY**

**WHEREAS**, each year from time to time, a Department Director (City Manager, City Finance Director, or City Law Director) is required to come to Council for authority to take bids for certain projects, services, or the purchase or lease of equipment, materials or supplies used in the City operations; and,

**WHEREAS**, in order to provide a more feasible, economical, and expedited method of bidding procedures, it is deemed necessary to give to the above mentioned Department Directors authority to bid such projects, services, equipment, materials, or supplies without the necessity of continued legislation; **Now Therefore**,

#### **BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:**

Section 1. That, the City Manager, City Finance Director, and City Law Director, for their respective departments, subject to Council's approval as to the specifications, plans, agreements, and other related bid documents when applicable, are hereby authorized to advertise and receive bids or take proposals as applicable for the projects, services, equipment, materials, or supplies that are anticipated to be in excess of fifty thousand dollars (\$50,000) as listed in attached Exhibit A, such exhibit being incorporated into this Resolution by attachment and made a part hereof, without the necessity of further legislation in the year 2026; further, Council finds that the expenditure of funds in excess of fifty thousand dollars (\$50,000) for each project, service, equipment, material, or supply listed in said Exhibit A, is necessary and authorized, subject to an approved motion of Council permitting the respective Department Director to make award. If a contract for said project, service, equipment, material, or supply is awarded to a successful bidder (lowest and best) as a result of a competitive bid, the City Manager, City Finance Director, and City Law Director, for their respective departments, are directed to enter into a contract with the awardee subject to the terms and conditions of an agreement approved by Council, said agreement subject to any non-material changes deemed appropriate by the respective Department Director and approved as to form and correctness by the City Law Director. In the case of a non-competitive bid, the City Manager, City Finance Director, and City Law Director, for their respective departments, are directed to enter into a contract with the awarded subject to the terms and conditions of an agreement approved by Council, said agreement subject to any non-material changes deemed appropriate by the respective Department Director and approved as to form and correctness by the City Law Director.

Section 2. That, Council reserves the right, by motion of Council, to approve for award, direct no award, reject all or some bids, or rebid, when deemed in the best interest of the City as it relates to the projects identified in Section 1 of this Resolution; moreover, Council may waive any informalities in the bidding process.

Section 3. That, Chapters 105 and 106 of the Codified Ordinances of Napoleon, Ohio, shall continue to be applicable to any projects, services, equipment, materials, or supplies

listed in attached Exhibit A; moreover, nothing in this Resolution shall be construed as limiting the Department Directors in making purchases or contracting for services in any manner as provided for in said Chapters, statutory law or as otherwise provided by Council. When competitive bidding is required for any project, service, equipment, material or supply as a matter of law, it shall be utilized unless otherwise eliminated by act of Council. When quality based selection is required for any project listed in Exhibit A for architectural, engineering, or construction management services as a matter of law, then the quality based selection process shall be utilized unless otherwise eliminated by act of Council. Also, Council hereby finds that the expenditure of funds in excess of fifty thousand dollars (\$50,000) for each architectural, engineering, or construction management service as found in Exhibit A is necessary and approved as a proper public expenditure of funds, subject to approved motion of Council permitting the Department Director to make the award. Finally, the combining of projects, or the contracting or purchase of services, equipment, materials, or supplies is permitted of any project or item listed in Exhibit A without necessity of further authorization by Council.

Section 4. That, a Department Director is authorized to use this Resolution for authority for said bids and/or purchases as contained in this Resolution.

Section 5. That, any item listed in attached Exhibit A may be leased in lieu of purchasing when deemed appropriate by the respective Department Director.

Section 6. That, all leases, purchases and contracts for projects, services, equipment, materials, or supplies is subject to appropriation and certification of funds.

Section 7. That, any trade-ins shall be controlled by Section 107.05(c) of the Codified Ordinances of Napoleon, Ohio, as may be amended from time to time.

Section 8. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of the City of Napoleon, Ohio.

Section 9. That, if any other prior Resolution or Ordinance is found to be in conflict with this Resolution, then the provisions of this Resolution shall prevail. Further, if any portion of this Resolution is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Resolution or any part thereof.

Section 10. That, this Resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time to allow the timely purchase of materials, supplies, equipment or services essential to provide public peace, health or safety; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to begin the process in a timely manner which affects the public peace, health, and safety accessible to our citizens, and for further reasons as stated in the Preamble hereof.

## *Memorandum*

**To:** *Kevin Garringer, Finance Director*  
**Cc:** *Lori Sinclair, City Manager*  
**From:** *Tony Cotter, Director of Parks and Recreation*  
**Date:** *December 9, 2025*  
**Subject:** *Parks and Recreation Department Donation*

The Parks and Recreation Department received a donation from the Napoleon Lions Club in the amount of \$500. The club would like these funds to be earmarked for the purchase of a new bench to be placed in the dog park. I would ask that this be placed on the next City Council meeting agenda for their acceptance.
