Memorandum

To:Mayor and Members of Councilcc:City Manager, Finance Director, City Law DirectorFrom:RoxanneSubject:General InformationDate:June 9, 2017

CALENDAR

AGENDAS

Monday, June 12th

ELECTRIC COMMITTEE AND BOARD OF PUBLIC AFFAIRS @6:30 PM

- 1. Approval of Minutes from May 08, 2017
 - minutes are enclosed
- 2. Review/Approval of the Power Supply Cost Adjustment Factor for June 2017
 - the reports are attached
- 3. Review Amendment to JV2 Lease Agreement.
 - a. a copy of the Amendment to the OMEGA JV2 Lease Agreement is enclosed.
- 4. Update on JV5 Diesel Generator Units.
- 5. Electric Department Report
 - the reports from May 2017 are enclosed

WATER, SEWER, REFUSE, RECYCLING & LITTER COMMITTEE @7:00 pm

- 1. Approval of March 13, 2017 Minutes.
- 2. Update on Water Treatment Plant Project.
- 3. Update on Wastewater Treatment Plant.

MUNICIPAL PROPERTIES, BUILDINGS, LAND USE AND ECONOMIC DEVELOPMENT COMMITTEE @ 7:30 PM

- 1. Approval of the April 10, 2017 Regular Mtg. Minutes and April 17, 2017 Special Mtg. Minutes
- 2. Discussion on Roundhouse Road (Tabled).
- 3. Discussion on Downtown Improvements (Tabled).
- 4. Discussion on Parking Spaces (Tabled).
- 5. Discussion on Agreement with Wood County for City Inspection Services.
 - a. a copy of the proposed agreement is enclosed.

Tuesday, June 13th

RECORDS COMMISSION @4:00 PM

CANCELLATIONS

- 1. Building of Zoning Appeals
- 2. Planning Commission

INFORMATIONAL ITEMS

- 1. Updated list of Council, Committees, Commissions and Boards
- 2. Notice of Regular Scheduled Meetings (as of June 5, 2017)
- 3. OML Legislative Bulletin/June 9, 2017
- 4. AMP Update/June 9, 2017

ELECTRIC COMMITTEE

Meeting Agenda

Monday, June 12, 2017 at 6:30 pm

LOCATION: Council Chambers, 255 West Riverview Avenue, Napoleon, Ohio

- 1) Approval of the Minutes from May 08, 2017 (In the absence of any objections or corrections, the Minutes shall stand approved).
- 2) Review/Approval of the Power Supply Cost Adjustment Factor for June, 2017: PSCAF – three (3) month averaged factor \$0.00929
 JV2 \$0.029512
 JV5 \$0.029512
- 3) Review Amendment to JV2 Lease Agreement.
- 4) Update on JV5 Diesel Generator Units.
- 5) Electric Department Reports.
- 6) Any other matters to come before the Board.
- 7) Adjournment.

yory & Heath / CP

Gregory J♀Heath Finance Director/Clerk of Council

City of Napoleon, Ohio

ELECTRIC COMMITTEE

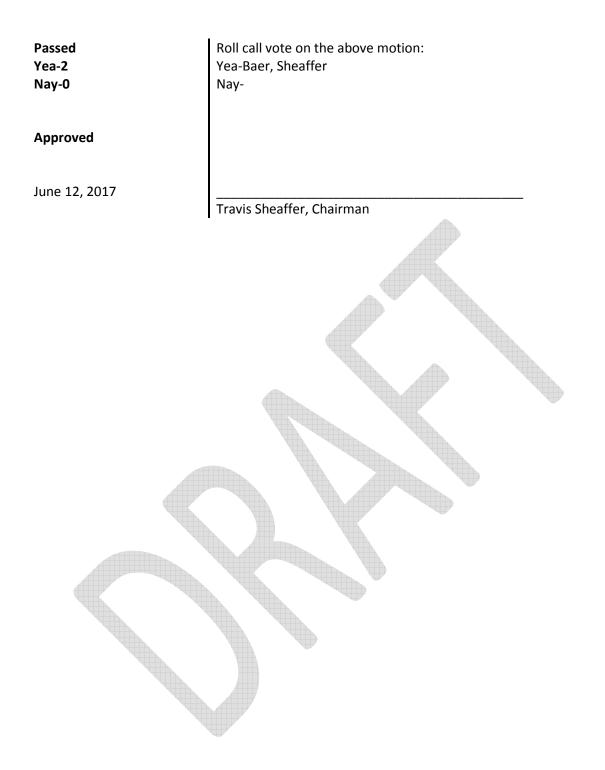

Meeting Minutes Monday, May 08, 2017 at 6:30 pm

PRESENT	
Members	Travis Sheaffer-Chair; Dan Baer
Board of Public Affairs	Mike DeWit-Chair; Dr. David Cordes; Nick Frysinger
City Staff	Greg Heath, Finance Director/Clerk of Council
	Joel Mazur, City Manager
	Dennie Clapp, Electric Distribution Superintendent
Recorder	Roxanne Dietrich
Others	
ABSENT	
Call to Order	Chairman Sheaffer called the Electric Committee meeting to order at 6:40 pm.
Motion to Approve	Motion: Baer
Meeting Minutes of	To approve the meeting minutes of April 10, 2017.
April 10, 2017	
• •	
Passed	Roll call vote on the above motion:
Yea-2	Yea-Baer, Sheaffer
Nay-0	Nay-
, .	
Update on Inactive	Heath informed the Board there was only one large refund on the active
Accounts	accounts and that was due to an industry moving out of Napoleon. We are
	currently working the inactive accounts following the procedure outlined in the
	Memorandum presented at the last meeting with the exception of "not
	refunding accounts with a credit of less than \$1.00". The Law Director has
	advised if someone makes a request for a refund even if that credit is less than
	a dollar, we are to give the refund. Letters will go out either this Friday or next,
	there will be a number of credits on the June bills. The Law Director also
	advised since the Electric Rules say customers have thirty-six months to make a
	dispute, if someone comes back within that timeframe, we are to issue the
	credit.
May 2017 PSCAF	Heath noted that the cost of power is up and the rate levelization was not
	taken out this time at the recommendation of the City Manager to AMP.
	Transmission costs have doubled over the last seven years to 14% of the total
	bill plus there is another 14%-15% for PGM capacity cost.
	Mazur suggested the City should look into constructing another solar field. The
	cost to construct is lower and tax credits are available until 2020. Once the
	solar field is constructed and up and running, it is virtually free power for us.
	We can build our own solar field or run it through AMP, an advantage of going
	through AMP would be we could add to other solar fields throughout Ohio, if
	the City was to go on its own we would be limited to one solar field, subject to
	The city was to go on its own we would be initited to one solar field, subject to

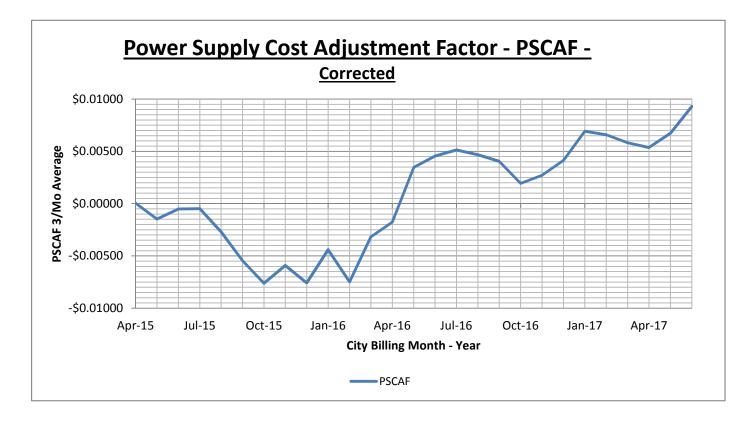

Page 1 of 3

	cloudy days and would have to finance.
Motion to Approve BOPA Recommendation for May 2017 PSCAF	Motion: Baer to approve the Board of Public Affairs' recommendation to approve the PSCAF for May 2017 as: PSCAF – corrected three (3) month averaged factor \$0.00673, JV2 \$0.031644, JV5 \$0.031644.
Passed Yea-2 Nay-0	Roll call vote on the above motion: Yea-Baer, Sheaffer Nay-
Electric Department Report	Electric Distribution Superintendent Dennis Clapp presented the Electric Department Reports for April 2017 (a copy of the reports is attached hereto). Clapp said today he was talked to the 4 th grade classes at Napoleon Area Schools on electricity and safety. On May 17 th they will be taking a field trip to the Northside Substation and to Bowling Green's wind fields.
Other Matters	 Heath passed out a letter from Ohio Gas Company regarding a potential rate increase. City Manager Mazur said they met with a rep from Ohio Consumers Counsel today and she informed them the letter is a notice that the Ohio Gas Company is going to file for a rate increase to PUCO, they are planning to file by June 1st and hope to have rates in place by early 2018. Factors contributing to the rate increase are: the last two winters have been mild and Ohio Gas has not received the projected revenue, there are fixed costs associated with maintaining a distribution system and part of the rate increase is for distribution costs. Heath said they are a franchise and we entered into a Centralized Energy Program (CEP) with Ohio Gas Company. The City is the aggregator for the whole City, both residential and commercial. Mazur said Napoleon received \$59,122.40 from the AMPGS settlement. Dr. Cordes asked how much did we have in AMPGS? Heath replied our share was close to \$2 million. Mazur stated there are stranded costs for the settlement, now the question is what to do with \$53,048.42? My thought is to invest in updating the main thoroughfares in the City with LED lights, it is estimated the payback would be in five years. Clapp said the Electric Department provided mutual aid to the Village of Pioneer last week. The crews delivered poles to the village last week; however,
Motion to Adjourn Electric Committee Meeting	they did not set them in place. Motion: Baer To adjourn the Electric Committee meeting at 7:42 pm.

To:	"Mr. Greg Heath" <gheath@napoleonohio.com></gheath@napoleonohio.com>	
Cc:	"Joel Mazur" <jmazur@napoleonohio.com></jmazur@napoleonohio.com>	
Attachments	: Napoleon - AMPGS Settlement Option.pdf (38.8 kB);	

Hello Greg,

Per your request, I did some research on the dollar amount and found that the \$53,048.42 was actually AMPGS. Per the attached, your total AMPGS settlement figure was \$59,122.42. Also per the attached, the City chose to apply this to the outstanding balance and then receive a check for the remainder. This is how it fell out:

Total AMPGS Settlement Share	\$59,122.42	500,0000.47000 Gen. Misc.
Stranded Cost Balance @ 3/31/17	\$ (6,074.00)	500 - 6110-53300 serv. Fees - Rof.

Total Reimbursement \$53,048.42

Sorry for any confusion caused by our correspondence. If you have any further questions, please let me know.

Sincerely,

Chris

AMENDMENT TO THE OMEGA JOINT VENTURE 2 LEASE AGREEMENT

This Amendment to the Ohio Municipal Electric Generation Agency ("OMEGA") Joint Venture 2 ("JV2") Lease Agreement (Contract No. C-3-1999-2696) by and between the City of Napoleon, Ohio ("Municipality" or "Lessor") and American Municipal Power, Inc., ("AMP" or "Lessee," f/k/a "American Municipal Power-Ohio") located at 1111 Schrock Road, Columbus, Ohio 43229. AMP and Municipality are defined herein as the Parties ("Parties") to this Agreement.

I. RECITALS

WHEREAS, Municipality, along with other AMP members, determined that a larger, more diversified and more efficient distributive generation project consisting of certain natural gas and diesel electric generation units and related facilities owned and operated jointly by or on behalf of the Participants and connected to the electric systems of certain of them, or others is desirable in order to provide additional sources of reliable, reasonably priced electric power and energy when prices are high or during times of generation shortages or transmission constraints and to improve the reliability and economics of the Participants' respective municipal electric utility systems;

WHEREAS, Municipality, along with certain members of AMP formed OMEGA JV2 and, pursuant to a Joint Venture Agreement, agreed jointly to plan, acquire, construct, operate and maintain the Project;

WHEREAS, in furtherance of the purposes of the OMEGA JV2 project, several Participants, including Municipality, and AMP entered into the Lease Agreement October 27, 1999, whereby Municipality leases property to AMP for the purpose of locating a JV2 combustion turbine or diesel generating unit as part of the OMEGA JV2 project;

WHEREAS, the Lease Agreement is scheduled to expire on December 31, 2020;

WHEREAS, as the JV2 project generating units located in Municipality remain in good commercial operating condition and have additional useful life, the Parties desire to extend the Lease Agreement;

NOW, THEREFORE, in consideration of the following mutual promises, AMP and Municipality agree to amend the Lease Agreement as set forth below:

I. TERM

Section 2.01 (Term), of the Lease Agreement shall be deleted in its entirety and replaced with the following:

The term of this Lease Agreement shall remain in effect until December 31, 2023 and shall be renewed for additional one-year terms thereafter for so long as the JV2 Generation unit is commercially operable, unless either Party provides the other written notification of its intent not to renew this Agreement not less than one hundred and fifty (150) days prior to the scheduled termination.

All other terms and conditions of the Lease Agreement shall remain unchanged.

IN WITNESS HEREOF, the Parties execute this Amendment to the OMEGA JV2 Lease Agreement. The Representatives executing this Amendment to the Lease Agreement represent and warrant that he/she has the authority to bind their respective party through the execution of this Amendment.

Electric Department Report May 2017

There were 9 callout/outages during the month of May. Four outages were caused by equipment / wire failure. One callout was a service turn-on. One callout was a bad breaker on customer side of meter. One callout was to cover a service drop for customer with a loose piece of aluminum siding to fasten to house. One callout was for a tree snapped off and leaning on neutral wire. One callout was a broken pole due to a vehicle accident.

Line Department/Service Truck: Crews worked on rebuilding Co. Rd. R, West of St. Rt. 108. Crews replaced secondary pole on Sunnydale. Crews performed shut-offs for utility billing dept. Crews performed shop maintenance. Crews repaired an underground service on St. Rt. 108 north of Napoleon. Crews pulled in new wire on Rd. R west of St. Rt. 108. Crews put up back stop nets for ball diamonds at Oakwood Park. Crews pulled poles on Rd. 15-b. Linemen installed a new URD service at RT. 6 and Rd. 17. Crews replaced a broken pole mount and erected existing street pole with new LED fixture on State Route 24 at Industrial Drive east bound ramp during ramp closure. Crews performed a safety, bucket truck and pole climbing demonstration for Napoleon Area Schools 4th grade field trip at Northside Substation on the 17th. Crews trenched in 4" conduit for drug rehab center being built on Oakwood Ave. Crews put up a service on Rt. 6 torn down by a truck and installed a URD for new home. Crews installed a new URD on Rd. P-1. Crews replaced a 3 phase pole on Wayne Park Drive. The service truck completed work orders for the billing department, helped line crews as needed and completed locates. All Crews also attended safety meetings

Substation Department: Substation personnel tested equipment, sprayed substations for weeds, mowed and completed regulatory reports and communications.

Forestry Department: Jamie and Jerry trimmed trees on West Riverview, 11-C, Rd. 11, Rd. V, 217 West Main, 424 West and State Route 110.

Storeroom/Inventory/ Metering Department: Shawn Druhot read meters, counted and ordered inventory and attended safety meetings. Shawn also helped the line crews as time permitted.

The **Peak load** for May, 2017 was 23.51 MW occurring on the 18th @ 4:30 P.M. This was a decrease of .28 MW compared to May, 2016. The average load for May, 2017 was 15.53 MW. This was a decrease of .82 MW compared to May, 2016. JV-2 and JV-5 did not operate. The turbine ran on 5/18 and 5/30 and produced 130 MWh combined. The AMP solar field had a peak of 3.63 MW. This was an increase of .09 MW compared to May, 2016. The MWh output for the solar field was 553.08 MWh. This was an increase of 81.26 MWh compared to May, 2017.

DPC 06/05/17

SUMMARY OF MAY 2017 OUTAGE/STANDBY CALL-OUTS

May 6, 2017:

Electric personnel were dispatched at 11:00 a.m. to 1819 Oakwood Ave. due to a power outage. The outage lasted four hours and affected four customers. The outage was due to a bad transformer. The personnel replaced the transformer.

May 9, 2017:

One employee was dispatched at 3:15 p.m. from City Hall to do a turn on of electric at one residence.

May 11, 2017:

Electric personnel were dispatched at 3:15 p.m. to T278 State Route 108 due to a power outage. The outage lasted thirty minutes and affected one customer. The outage was due to a bad connection at the house drop. The personnel replaced the connections at the house drop.

May 12, 2017:

Electric personnel were dispatched at 11:37 p.m. to 1055 Clairmont Ave. due to power problems. The personnel explained to the customer that his breaker was bad.

May 13, 2017:

One employee was dispatched at 12:10 p.m. to 55 Bordeaux Dr. for a piece of aluminum siding that was on the service. The employee moved the service away while the customer repaired the piece of siding.

May 18, 2017:

Electric personnel were dispatched at 8:20 p.m. to 7663 County Road W due to a tree that was leaning on the neutral line. The personnel removed the tree.

May 26, 2017:

Electric personnel were dispatched at 10:00 p.m. to Erie St. due to a power outage. The outage lasted one hour and thirty minutes and affected one customer. The outage was due to a bad wire. The personnel fixed the bad wire

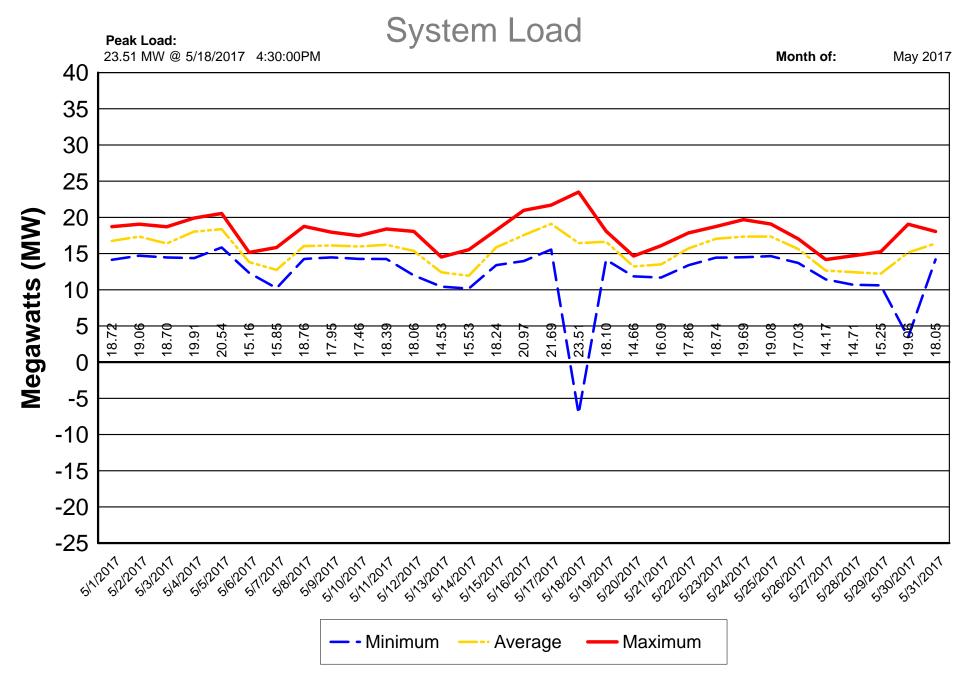

May 26, 2017:

Electric personnel were dispatched at 11:30 p.m. to State Route 108 due to a broken pole. The personnel replaced the pole.

May 28, 2017:

Electric personnel were dispatched at 8:20 a.m. to T112 State Route 108 due to a power outage. The outage lasted one hour and forty minutes and affected one customer. The outage was due to a bad underground service. The personnel put a service saver on and fixed the underground service the next day.

BOARD OF PUBLIC AFFAIRS

Meeting Agenda

Monday, June 12, 2017 at 6:30 pm

LOCATION: Council Chambers, 255 West Riverview Avenue, Napoleon, Ohio

- 1) Approval of the Minutes from May 08, 2017 (In the absence of any objections or corrections, the Minutes shall stand approved).
- 2) Review/Approval of the Power Supply Cost Adjustment Factor for June, 2017: PSCAF – three (3) month averaged factor \$0.00929
 JV2 \$0.029512
 JV5 \$0.029512
- 3) Review Amendment to JV2 Lease Agreement.
- 4) Update on JV5 Diesel Generator Units.
- 5) Electric Department Reports.
- 6) Update on Water Treatment Plant Project.
- 7) Update on Wastewater Treatment Plant.
- 8) Any other matters to come before the Board.
- 9) Adjournment.

BOARD OF PUBLIC AFFAIRS

Meeting Minutes Monday, May 08, 2017 at 6:30 pm

PRESENT	
Board of Public Affairs	Mike DeWit-Chair; Dr. David Cordes; Nick Frysinger
Members	Travis Sheaffer-Chair; Dan Baer
City Staff	Greg Heath, Finance Director/Clerk of Council
	Joel Mazur, City Manager
	Dennie Clapp, Electric Distribution Superintendent
Recorder	Roxanne Dietrich
Others	
ABSENT	
ABOLITI	
Call to Order	Chairman DeWit called the Board of Public Affairs meeting to order at 6:35 pm.
Update on Inactive	Heath informed the Board there was only one large refund on the active
Accounts	accounts and that was due to an industry moving out of Napoleon. We are
	currently working the inactive accounts following the procedure outlined in the
	Memorandum presented at the last meeting with the exception of "not
	refunding accounts with a credit of less than \$1.00". The Law Director has
	advised if someone makes a request for a refund even if that credit is less than
	a dollar, we are to give the refund. Letters will go out either this Friday or next,
	there will be a number of credits on the June bills. The Law Director also
	advised since the Electric Rules say customers have thirty-six months to make a
	dispute, if someone comes back within that timeframe, we are to issue the
	credit.
Motion to Approve	Motion: Frysinger Second: Dr. Cordes
Meeting Minutes of	To approve the meeting minutes of April 10, 2017.
April 10, 2017	
April 10, 2017	
Passed	Roll call vote on the above motion:
Yea-3	Yea-DeWit, Dr. Cordes, Frysinger
Nay-0	Nay-
	Upoth noted that the cost of neuron is up and the rate lovelization ups not
May 2017 PSCAF	Heath noted that the cost of power is up and the rate levelization was not
	taken out this time at the recommendation of the City Manager to AMP.
	Transmission costs have doubled over the last seven years to 14% of the total
	bill plus there is another 14%-15% for PGM capacity cost.
	Mazur suggested the City should look into constructing another solar field. The
	cost to construct is lower and tax credits are available until 2020. Once the
	solar field is constructed and up and running, it is virtually free power for us.
	We can build our own solar field or run it through AMP, an advantage of going
	through AMP would be we could add to other solar fields throughout Ohio, if
	the City was to go on its own we would be limited to one solar field, subject to

	cloudy days and would have to finance.
Motion to Approve May 2017 PSCAF	Motion: FrysingerSecond: Dr. Cordesto approve the PSCAF for May 2017 as:PSCAF – corrected three (3) monthaveraged factor \$0.00673, JV2 \$0.031644, JV5 \$0.031644.
Passed Yea-3 Nay-0	Roll call vote on the above motion: Yea-DeWit, Dr. Cordes, Frysinger Nay-
Electric Department Report	Electric Distribution Superintendent Dennis Clapp presented the Electric Department Reports for April 2017 (a copy of the reports is attached hereto). Clapp said today he was talked to the 4 th grade classes at Napoleon Area Schools on electricity and safety. On May 17 th they will be taking a field trip to the Northside Substation and to Bowling Green's wind fields.
Other Matters	 Heath passed out a letter from Ohio Gas Company regarding a potential rate increase. City Manager Mazur said they met with a rep from Ohio Consumers Counsel today and she informed them the letter is a notice that the Ohio Gas Company is going to file for a rate increase to PUCO, they are planning to file by June 1st and hope to have rates in place by early 2018. Factors contributing to the rate increase are: the last two winters have been mild and Ohio Gas has not received the projected revenue, there are fixed costs associated with maintaining a distribution system and part of the rate increase is for distribution costs. Heath said they are a franchise and we entered into a Centralized Energy Program (CEP) with Ohio Gas Company. The City is the aggregator for the whole City, both residential and commercial. Mazur said Napoleon received \$59,122.40 from the AMPGS settlement. Dr. Cordes asked how much did we have in AMPGS? Heath replied our share was close to \$2 million. Mazur stated there are stranded costs off the settlement, now the question is what to do with \$53,048.42? My thought is to invest in updating the main thoroughfares in the City with LED lights, it is estimated the payback would be in five years. Clapp said the Electric Department provided mutual aid to the Village of Pioneer last week. The crews delivered poles to the village last week; however, they did not set them in place.
Motion to Adjourn BOPA Meeting	Motion: Frysinger Second: Dr. Cordes To adjourn the Board of Public Affairs meeting at 7:42 pm.
Passed Yea-3 Nay-0	Roll call vote on the above motion: Yea-DeWit, Dr. Cordes, Frysinger Nay- Page 2 of 3

WATER, SEWER, REFUSE, RECYCLING AND LITTER COMMITTEE

MEETING MINUTES Monday, March 13, 2017 at 7:00 pm

PRESENT Members City Staff Recorder	Jeff Comadoll-Chair; Travis Sheaffer; Rita Small Greg Heath, Finance Director/Clerk of Council Joel Mazur, City Manager Billy D. Harmon, Law Director Roxanne Dietrich
Others	Newsmedia, Jerry Tonjes
ABSENT	
Call to Order	Chairman Comadoll called the meeting to order at 7:30 pm.
Approval of Minutes from November 14, 2016	Minutes of the November 14, 2016 meeting stand approved as read with no objections or corrections.
Review of Trash Collection	Chairman Comadoll reported there are a few issues we need to bring to everyone's attention.
	City Manager Mazur stated that on March 3 rd , one of the trustees from CCNO that was on the recyclable truck said it felt like something hit him in the face. The Supervisor drove him back to CCNO and later on it was reported to us that the trustee had an injury, we still do not know the extent of or what he is injured from but something splashed him in the face. At that time, CCNO suspended the use of all trustees. We met with Jim Dennis from CCNO last Friday, March 10 th . This is very concerning for CCNO, they have suspended the use of the trustees. There is some willingness to continue the program; however, they want some assurances this will not happen this way again and would like to know how the City is handling supervision and if and how we are updating our safety policies and safety training. I believe we have done everything just have to confirm with Human Resources, I have a letter prepared to send over to Mr. Dennis in hopes of keeping the program going. In the meantime, we need to take a look at what our options are if something should happen again. The use of CCNO workers is what keeps our program alive. We cannot hire four more people, it will not fit in our current budget. We are looking at getting temporary workers to replace the CCNO workers.

Water Treatment Plant Updates	Comadall suggested we should just get something in writing with a temporary firm. Mazur said a Purchase Order for temporary service will need to be put together so the City has temporary workers on standby in the event we would need to use their services. Comadoll stated a press release should be released informing citizens not to put not unrecyclable materials in the recycling containers. City Manager Mazur reported the bids are back for the water treatment plant project and came in roughly at \$13.3 million dollars. We are working with DEFA right now for a potential loan forgiveness of up to 20%. Sheaffer responded plus the \$3.9 million we have financed. Comadoll asked what the proposed starting date is. Mazur said we are hopeful to award first meeting in April with construction starting around first of June.
Motion to Adjourn Water/Sewer Committee Meeting	Motion: Sheaffer Second: Small To adjourn the Water, Sewer, Refuse, Recycling and Litter Committee Meeting at 7:43 pm.
Passed Yea-3 Nay-0 Date Approved	Roll call vote on the above motion: Yea–Small, Comadoll, Sheaffer Nay-

MUNICIPAL PROPERTIES, BUILDINGS, LAND USE, AND ECONOMIC DEVELOPMENT COMMITTEE

MEETING MINUTES Monday, April 10, 2017 at 7:30 PM

PRESENT Members:	Patrick McColley-Chairman, Jeff Mires, Joe Bialorucki, Jason P. Maassel
Finance Director City Manager City Staff Recorder Others ABSENT	Gregory J. Heath Joel L. Mazur Chad Lulfs, Director of Public Works Roxanne Dietrich Newsmedia
Call to Order	Chairman McColley called the Municipal Properties, Building, Land Use and Economic Development Committee meeting to order at 7:30 pm.
Approval of March 13, 2017 Minutes	Minutes of the March 13, 2017 meeting stand approved as read with no objections or corrections.
Roundhouse Road (Tabled)	Roundhouse Road to remain tabled.
Motion to Untable Downtown Improvements	Motion: Mires Second: Maassel To untable Downtown Improvements.
Passed Yea-4 Nay-0	Roll call vote on the above motion: Yea-Mires, McColley, Bialorucki, Maasel Nay-
Discussion	City Manager Mazur reported there has been a lot of activity with Napoleon Alive they are doing research on tables, chairs, railings and outdoor café spaces. The Preservation Commission will have to approve the fencing as it will need to be affixed to the building if the establishment is serving alcohol. Napoleon Alive discussed having Wildcat Roar Event to repaint the wildcat in September after work is finished on Perry Street. Maassel asked when the construction project will be done. Mazur responded the work should start in July and should be done in August. Napoleon Alive wants to host a public forum meeting at the Armory on May 2 nd from 5:30 pm – 6:30 pm to show the ideas they have for beautification, to talk to the residents and merchants, to go over pedestrian walkways, murals, crosswalk paintings, the hanging baskets. There will be a display at forum with open

	discussion and will be recruiting volunteers to help. The business owners will have to buy the fencing and since the City is redoing all the sidewalks, I thought maybe the City could install the fencing for the businesses. Currently, the desire is to move the fencing all the way out to 12' and there would still be enough space for people to get through. Maassel asked if anyone has talked to the Tomato Festival parade people about an alternate parade route since Perry Street may not be done by August 13 th . Mazur said there was discussion about possibly putting a camera and lighting in the alley between Eddie J's and Divine Inspirations, there is also talk about putting in additional electric outlets under the sidewalk where the tree wells are.
Motion to Table Discussion on Downtown Improvements	Motion: Maassel Second: Mires to table discussion on Downtown Improvements.
Passed Yea-4 Nay-0	Roll call vote on the above motion: Yea-Mires, McColley, Bialorucki, Maasel Nay-
Parking Spaces (Tabled)	Parking Spaces remain tabled.
Sidewalk Policy	Mazur said when we do street reconstruction projects, our current sidewalk policy is the homeowner has to put in and pay for a sidewalk within one year after the project is completed, making the homeowner responsible for hiring out a contractor, putting in the sidewalk and paying for it. Another way of doing it would be when the City is doing a reconstruction project we could do sidewalk assessments with the contractor putting the sidewalks in. This would be beneficial to the homeowner due to 1) the Contractor is already mobilized saving that cost; 2) contractors order in bulk therefore they receive a better price, 3) the burden is not on the homeowner to upfront the costs, the assessment could be paid over a five year period. A basic sidewalk costs \$6.00-\$10.00 per square foot in addition, there could be additional work and costs if there was grading or other work that needed to be done and the homeowner will be paying a higher cost for a short load. McColley stated you have to give the homeowner a thirty-day notice if he wants to put the sidewalk in himself. This process is better than what we have now the homeowners can choose if they want to put the sidewalks in themselves or if they want the City to take away the initial burden.
Motion to Add Sidwalk Assessment Process to Future Road Reconstruction Projects	Motion: BialoruckiSecond: Maasselto recommend add in sidewalk assessment process to future road reconstructionprojects according to assessment laws found in ORC.

Passed Yea-4 Nay-0	Roll call vote on the above motion: Yea-Mires, McColley, Bialorucki, Maassel Nay-	
Motion to Adjourn	Motion: Maassel Second: Mires to adjourn the Municipal Properties, Building, Land Use and Economic Development Committee meeting.	
Passed	Roll call vote on the above motion:	
Yea-4	Yea-Mires, McColley, Bialorucki, Maassel	
Nay-0	Nay-	
Adjournment	The Municipal Properties, Building, Land Use and Economic Development Meeting was adjourned at 8:35 pm.	
Approved

MUNICIPAL PROPERTIES, BUILDINGS, LAND USE, AND ECONOMIC DEVELOPMENT COMMITTEE

SPECIAL MEETING MINUTES Monday, April 17, 2017 at 6:30 PM

PRESENT Members:	Patrick McColley-Chairman, Jeff Mires, Joe Bialorucki, Jason P. Maassel
Finance Director/Clerk of Council City Manager City Staff	Greg Heath Joel L. Mazur Robert Weitzel-Police Chief MIS DeptDustin Tewksbury
Recorder Others ABSENT	Roxanne Dietrich
Call to Order	Chairman McColley called the Special Meeting of the Municipal Properties, Building, Land Use and Economic Development Committee meeting to order at 6:31 pm.
Changing the Table of Permissible Uses in the Zoning Code	City Manager Mazur stated we are proposing a change to the Table of Permissible Uses in the Zoning Code to allow for farm markets and stands, plant cultivation, and specialized animal raising, on a conditional basis, in the agricultural section for C4 areas. The main area we are looking at is in the northeast corner of the City, the land does not abut any industrial or residential areas and is surrounded by township land and was approved by the Planning Commission at their April 11, 2017 meeting. Maassel added this would be done on a case-by-case basis to ask the Planning Commission for a Conditional Use and if approved would go to City Council, as it is right now, no one can ask. Mazur told the committee what really sticks out to me is we have a trailer court in C4 area when it should be an R3.
Motion to Change the Table of Permissible Used in the Zoning Code	Motion: Mires Second: Bialorucki to accept changing the Table of Permissible Uses in the Zoning Code.
Passed Yea-4 Nay-0	Roll call on the above motion: Yea-McColley, Bialorucki, Maassel, Mires Nay-

AGREEMENT BETWEEN THE COUNTY COMMISSIONERS OF WOOD COUNTY, OHIO AND THE CITY OF NAPOLEON, OHIO

Wood County Resolution No. _____ Dated _____

THIS AGREEMENT entered into this _____ day of _____, 20____, by and between the County Commissioners of Wood County, Ohio, acting for and on behalf of Wood County, Ohio, hereinafter referred to as "County", and the City of Napoleon, Ohio, whose offices are located at 255 w. Riverview Rd. Napoleon Ohio, herein after referred to as "Napoleon".

WITNESSETH:

WHEREAS, the City of Napoleon, Ohio desires to enforce the Residential Code of Ohio for 1, 2, and 3 Family Dwellings for the purpose of providing uniform standards and requirements for the erection, construction, repair, alteration, and maintenance of buildings and has adopted said code within its jurisdiction in Ordinance No. _____; and

WHEREAS, the City of Napoleon, Ohio seeks certification by the Ohio Board of Building Standards pursuant to Section 3781.10(E) of the Revised Code to enforce the Residential Code of Ohio with the condition that the Wood County Building Department exercise the enforcement authority, approve plans and specifications, and make inspections in accordance with the Residential Code of Ohio; and

WHEREAS, the said Board of Building Standards has certified the Wood County Building Department to exercise enforcement authority in accordance with the Residential Code of Ohio, effective $\frac{5/27/2007}{5}$, which is willing to administer and enforce the Residential Codes within the limits of said City of Napoleon; and

WHEREAS, the City of Napoleon, has heretofore passed its Ordinance No. _______on the ______day of _______, 20_____, authorizing the City through its Mayor and its Clerk, to enter into an agreement with Wood County Building Inspection Department for the enforcement of the Residential Code of Ohio within the limits of said City of Napoleon; and

WHEREAS, the Board of County Commissioners has on the _____day of, ______20____, adopted its Resolution authorizing the County of Wood, Ohio to enter into said agreement with the City of Napoleon for the purposes aforesaid;

NOW, THEREFORE, IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

- 1. The City of Napoleon hereby grants to the County of Wood, Ohio authority to do all things necessary to exercise enforcement authority, accept and approve plans and specifications and make inspections necessary within the City of Napoleon in accordance with the Residential Code of Ohio pursuant to Ohio Administrative Code 4101:8-1 through 4101: 8-44. The County of Wood, Ohio accepts the authority and responsibility to carry out the terms of this agreement.
- 2. The County of Wood, Ohio shall have full authority to do all things necessary to administer and enforce the Residential Code of Ohio and any amendments or additions thereto hereafter adopted within the limits of the City of Napoleon and in consideration therefore, the Wood County Building Inspection Department shall retain all permit and inspection fees authorized by the State of Ohio and Wood County Commissioners for such purposes.
- 3. Term of the Agreement; Termination: The Wood County Building Inspection Department shall perform enforcement duties under this Agreement beginning on and shall thereafter continue in full force and effect until,
 - 1 Either party shall give thirty (30) days written notice to the other at the addresses given above and the Ohio Board of Building Standards of its intention to terminate the agreement, which may be for any reason.
 - 2 On the effective date of any repeal of conditional certification by the Ohio Board of Building Standards.

Independent Contractor Status: It is hereby agreed by and between the parties that the relationship between Wood County and its Building Inspection Department and *City of Napoleon* shall be that of an independent contractor and that no employer-employee, or agent-principal relationship is created by this contract. The *City of Napoleon* is interested in the results achieved and the conduct and control of the work will lie solely with the Contractor.

Wood County and its Building Inspection Department is not entitled to any of the benefits *City* of *Napoleon* provides its employees,

- 4. **Hold Harmless Clause:** *City of Napoleon* hereby agrees to hold the Wood County harmless from all claims or causes of action of every kind and nature arising from the acts of Wood County, the Wood County Building Inspection Department, its agents, or employees, or representatives in the administration and enforcement of the Ohio Residential Code within the limits of said *City of Napoleon*.
- 5 Modification of the Agreement: Any alteration or modification of the terms or conditions of this agreement must be in writing and signed by the parties.

- 6 Severability: If any section, subsection, sentence, clause, phrase, or portion of this agreement shall for any reason be held invalid, unenforceable, or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision of and such holding shall not affect the validity of the remaining portions hereof.
- 7 Entire Agreement: This agreement, the schedules and all attachments designated on the face of the agreement as included shall constitute the entire agreement of the parties and shall supersede all prior negotiations and representations, whether written or oral.

AGREEMENT

Wood County Resolution No.

I. PURPOSE

WHEREAS, The City of Napoleon, Ohio, has a building inspection department certified by the Board of Building Standards as provided by O.R.C. §3781.10(E); and

WHEREAS, Wood County, Ohio, also has a building inspection department certified by the Board of Building Standards; and

WHEREAS, O.R.C. \$3871.10(E)(1)(c) and (E)(2)(c) permits a certified building inspection department to contract for inspection services from another certified building inspection department; and

WHEREAS, The City of Napoleon and Wood County from time to time need additional inspection services and are willing to provide the same to their respective department.

THIS AGREEMENT, as authorized by O.R.C. §3781.10(E)(1)(c) and (E)(2)(c) and by the respective legislative authority of the City of Napoleon and the Board of Commissioners of Wood County, is entered into by the City of Napoleon, (Hereinafter "NAPOLEON") and the Wood County Building Inspection Department, (hereinafter "WOOD COUNTY").

NOW, THEREFORE, the parties each in consideration of the mutual promises of the other herein, agree to the following:

II. SCOPE OF SERVICES

A. Wood County shall provide supplemental plumbing, electrical, building inspection and plan examination services by their state certified Chief Building Official, Building Inspector and Plans Examiner on an "as needed" basis.

B. The Chief Building Official, Building Inspector, Plans Examiner, when performing services shall be deemed to be doing so within the scope of his/her regular employment and shall be compensated for such services by his/her employer in accordance with the then existing terms of employment.

III. COMPENSATION

A. The City of Napoleon shall be obligated to pay for the services of the Chief Building Official and Plans Examiner as described herein at the rate of \$75.00 per hour for actual services rendered and shall be obligated to pay for the services of the Building Inspectors at the rate of \$50.00 per hour for actual services rendered.

B. Payment for services rendered under Section III (A) above shall be made thirty (30) days after receipt and approval of written statement showing actual services provided to the respective party.

IV. TERMS AND CONDITIONS

This agreement may be terminated by either party upon a thirty (30) day written notice.

V. MUTUAL AGREEMENTS

A. This agreement is non-exclusive and either party may at their sole option enter into other agreements for the services described herein.

B. Each party may, through their respective administrative procedures, designate the manner in which inspection services of the other may be requested.

C. Each party and their personnel provided pursuant to this agreement shall be independent contractors and not an employee of the other. No employee/employer or agent/principal relationship is created by this agreement.

D. The parties agree that if there is a challenge to a local building code provision, each party will provide for the legal representation to defend their building code.

VI. MODIFICATIONS

Any alteration or modification of the terms or conditions of this agreement must be in writing and signed by the parties.

VII. SEVERABILITY

If any section, subsection, sentence, clause, phrase, or portion of this agreement shall for any reason be held invalid, unenforceable, or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision of and such holding shall not affect the validity of the remaining portions hereof.

VII. ENTIRE AGREEMENT

This agreement, the schedules and all attachments designated on the face of the agreement as included shall constitute the entire agreement of the parties and shall supersede all prior negotiations and representations, whether written or oral.

June 9, 2017

Next week is a significant week in the state budget process as the Senate leadership has announced the unveiling of the changes the Senate will include in their substitute version of sub. HB49, the two-year state operating budget bill. State tax revenue collections continue to under perform leaving the task of presenting a constitutionally-required balanced budget to the Governor by June 30th, that much more challenging. Statehouse "conventional wisdom" has it that the final budget hole at the end of the fiscal year, June 30th, will exceed \$1 billion dollars while Medicaid costs continue to climb. The legislature has real issues to address in charting the course for Ohio's future.

The legislative schedule was slightly lighter on municipal issues than in previous weeks but there was a high concentration of municipal activity on the Senate side of the Statehouse as the Senate Finance Committee heard testimony Tuesday on municipal issues included in the proposed budget bill and testimony by League staff on the BWC budget bill. Those two issues are addressed in greater detail to follow. We greatly appreciate the municipal officials from around the state who took time out of their busy schedules to provide testimony to the Senate Finance Committee and specifically addressing the municipal tax issues being considered that would impact municipal revenues and the ability to continue to exercise local control. Your testimony was impactful and greatly appreciated!

As a review, the Senate is expected to release their substitute version of the budget bill Monday. We have yet to receive a hearing schedule for Senate Finance next week. We will have an updated committee schedule posted to our website Monday but we do anticipate hearings will be held to present the new Senate language. After the substitute language is released, there will be an omnibus amendment offered possibly at the end of next week to complete the budget package supported by the leadership of the Ohio Senate before the final Senate plan is presented to the full Senate membership on the floor June 21st. It will be then sent to the House, where they will more than likely not concur on the changes made to the bill. A conference committee will convene to identify and resolve the differences in the three plans; the budget requests of the Administration, House and Senate. This part of the budget process lends itself the least to transparency on how issues and decisions are being reached related to the two-year spending plan and is the most challenging for legislative advocates.

SENATE FINANCE COMMITTEE RECEIVES TESTIMONY FROM MUNICIPAL OFFICIALS

On Tuesday, the Senate Finance Committee held a fifth public hearing on Sub. HB 49, the proposed state operating budget bill. In addition to OML Executive Director Kent Scarrett providing testimony on a wide range of issues included in the current version of the budget impactful to Ohio cities and villages, we are grateful that municipal officials from across the state were able to attend the hearing and provide excellent testimony specifically concerning the municipal tax components in the version before the Senate Finance Committee.

We are also grateful for the attendance and attentiveness of the committee members as they received this critical information from our members, as Senators make decisions so impactful to municipalities and the almost 9 million Ohio taxpayers who call an Ohio city or village home.

Robert Wright, Income Tax Commissioner for Bowling Green and President of the Northwest Ohio Tax Commissioners Association, kicked off the testimony on the municipal side with rebuttal points to ODT's claim that their alternative centralized collection proposal will relieve any administrative burden for either municipalities or businesses. "A business will still be required to collect the same information as it currently does," he said. "The time consuming, hard work is collecting and compiling the data, not calculating the percentage. What will Taxation actually be doing to justify the 1% fee?" Robert's testimony can be found <u>HERE</u>.

Athens City Auditor, Kathleen Hecht spoke next to the revenue loss the city would experience if "throwback" were eliminated. "Before you implement another round of revenue reduction upon cities, you should first consider the impact this will have on the residents throughout the state," she asked. "Listen to the impact numbers from each municipality and turn those numbers into actual budget cuts for each city and village." Kathleen's testimony can be found <u>HERE</u>.

OML Board of Trustees member and Mason City Councilperson Diana Nelson, CPA, testified in opposition to any form of centralized collection, on the grounds that state control does not make it easier for businesses to file their returns but instead adds another layer to the process and will compromise fairness, quality of service, and simplicity. She concluded, "Businesses will be helped more by the State simplifying their own tax rules than misguided efforts to exert control over local taxes." Diana also serves as a CFO for a business in southwestern Ohio and as a taxpayer advocate to a federal advisory board for the IRS, lending a unique perspective for committee members. Diana's testimony can be found <u>HERE</u>.

Mindy Frank, Income Tax Administrator for Columbus followed councilperson Nelson, explaining among other things how current municipal income tax law provides uniformity and clarity for businesses and how any form of state centralized collection - particularly ODT's proposed mandated five-year lock in filing period for businesses fling through OBG - would be "bureaucratically burdensome and definitely not business friendly." Mindy's testimony is <u>HERE</u>.

Kent Scarrett, OML's Executive Director, not only addressed the municipal income tax issues in the budget, but also covered other amendments in the bill affecting municipalities including: supporting the House language on the rebuild of OBG, supporting language being proposed to address brownfield remediation efforts, and supporting the removal of the capacity based measurements in the alternative LGF distribution formula. His testimony opposed the lead preemption amendment, the predatory annexation amendment, the municipal unitization amendment, and the removal of \$24 million from the municipalities' LGF apportionment for redistribution to townships and smaller villages. Scarrett closed his comments to committee members with an update on the ruling last Friday from the Franklin County Common Pleas Court Judge Frye, determining that the language preempting local right of way management practices as they relate to the installation of small cell wireless infrastructure, amended into SB 331 during the Lame Duck session last General Assembly, violates Ohio's "single subject" rule in the Ohio constitution and is unenforceable. Scarrett impressed upon the committee that any new language on the subject should not be included in the state operating budget and should be introduced as stand-alone legislation so that the issue can be transparently vetted and the legislative process be respected. A copy of Kent's testimony can be found <u>HERE</u> although much of the remarks presented were extemporaneous due to a limited amount of time to present the concerns of the League.

To wrap-up the municipal testimony, Richard Donnelly, Tax Administrator for Grove City, detailed in real numbers and actual examples the impact the elimination of "throwback" would have on business attraction, local infrastructure, and jobs. "A road that does not get built does not generate angry calls from businesses or residents about its potholes," he said. "But a road that does not get built does not spark development, and that missed opportunity for development means Ohio misses out on the private sector jobs that development would have brought." Mr. Donnelly also discussed the significant financial impact the essential repeal of the throwback language would have on his community. The testimony can be found <u>HERE</u>.

Once again, we want to thank those who spent their day with us at Ohio's Statehouse. We are grateful for your commitment to your communities. We are also very grateful to all of our members who continue to contact their Senators and members of the House to impress upon them the importance of local control of local revenues and challenges that mount when less revenue is available locally to reinvest in Ohio's future.

SMALL CELL WIRELESS LEGISLATION STRUCK DOWN

Last Friday, Franklin County Common Pleas Court Judge Richard Frye issued an opinion that the small-cell wireless provisions in last year's Senate Bill 331 were unconstitutional, because they violated the Ohio single-subject rule. The single-subject rule arises from the Ohio Constitution, initiated basically to protect the citizenry from the legislature stacking multiple, unrelated subjects into one piece of legislation, thus challenging the virtues of transparency and denying a proper opportunity for a thorough review of future laws. SB 331 was originally drafted as a bill to address the business practices of Petland pet stores and the concerns several municipalities had with how they sourced their puppies for sale. However, late in the bill's legislative process, provisions were added that preempted the ability of only municipalities to regulate the installation of small cell wireless equipment in municipal right of ways, outlawed the practice of bestiality, and preempted any political subdivision from having a different minimum wage preemptions were unconstitutionally included in the enacted legislation. A copy of the ruling and judgement can be found <u>HERE & HERE</u>.

The Judge stated in his opinion, "SB331 passed the Senate initially to protect puppies. Nothing in the record before the court suggests that the broad telecommunications provisions now in focus were given formal hearings in either chamber. Instead, in the rush to conclude the lame duck session, SB331 passed out of the House Finance Committee, and was approved on the floor of both the House and Senate all on the same

day. Hasty consideration of such a diverse assortment of subjects directly undermines the policy underlying the one-subject rule, which is to encourage a more orderly and fair legislative process."

Dan Tierney, spokesperson for Attorney General Mike DeWine's office, told Hannah News the state is still reviewing the decision to determine if it will appeal. The case is *The City of Bexley, Ohio, et atl., vs. The State of Ohio*, Case No.: 17 CV 2672 in the Court of Common Pleas in Franklin County, Ohio.

OML TESTIFIES ON THE WORKERS COMPENSATION BUDGET

On Tuesday, OML Director of Communications Josh Brown testified to the Senate Insurance and Financial Institutions Committee in support of the House-passed version of House Bill 27, which is the worker's compensation budget. The bill was introduced by Representative Tom Brinkman (R-Mt. Lookout). Brown testified specifically about a change to occupational disease laws that we have reported on extensively in recent bulletins.

The changes Brown testified to are part of an agreement between the League and the Ohio Association of Professional Firefighters. The Committee members asked for clarification of the sections and some perspective in terms of how these changes would affect small municipalities in particular. Overall, there did not appear to be any objections. In fact, some members expressed satisfaction that management and the unions were able to work together on these changes after a vigorous debate over the issues involved.

MARYLAND COURT ISSUES PUBLIC RECORDS OPINION

In a welcomed trend that may be developing across the country, the Maryland Court of Appeals (Maryland's highest court) has decided to allow a requirement that those requesting public records provide reasonable search fees when the search process involves an exhaustive review of thousands of emails and documents. The reasoning partially involved the extraordinary costs involved in the request. Also, part pf the reasoning lied in the nature of the request: public offices often receive requests for "any and all" documents. In this fact pattern in particular, the plaintiff sought "any and all" documents related to a police officer that had written the plaintiff a traffic ticket, including personnel and disciplinary files. Such requests can require extraordinary time and resources. Public offices in Ohio have taken note of the case and the trend, although the Maryland Court's decision is not authoritative in Ohio. The League has long advocated for public records policies that recognize the practical issues that cities and villages face. We hope that it is the development of policies and precedents that will help curb frivolous yet costly document requests. The case is: Glass v. Anne Arundel County, No. 20 (Md. Ct. App. May 26, 2017) and a copy of an overview of the issue and decision can be found HERE.

MAYORS CONFERENCE WELCOMES CHIEF JUSTICE

This coming Wednesday June 14th to Friday June 16th, the Mayors Association of Ohio will hold its annual conference. In addition to the group welcoming the Supreme Court of Ohio's Chief Justice Maureen O'Connor as its key-note speaker on the first day of the conference, the three-day meeting will include many important sessions on local control, economic development strategies administrative and best practices being used

Generation outage season leads to rise in prices for May 2017

By Mike Migliore - vice president of power supply planning & marketing

May 2017 average temperatures returned to normal, although the majority of days were unusually cool. The four-day heat wave in the middle of the month brought the average back to the mean. May market prices at A/D Hub were the highest so far in 2017 and much higher than the very low prices seen in May 2016. Congestion throughout PJM remained low. The system saw a rare month where A/D Hub prices ended higher than those at the PJM West Hub

AVERAGE DAILY RATE COMPARISONS			
	May 2017 \$/MWh	April 2017 \$/MWh	May 2016 \$/MWh
A/D Hub 7x24 Price	\$29.94	\$28.62	\$23.32
PJM West 7x24 Price	\$29.14	\$29.40	\$24.30
A/D to AMP-ATSI Congestion/Losses	\$0.41	\$0.65	\$0.16
A/D to Blue Ridge Congestion/Losses	\$0.41	\$0.68	\$0.61
A/D to PJM West Congestion/Losses	-\$0.80	\$0.78	\$0.97
PJM West to PP&L Congestion/Losses	-\$1.39	-\$0.70	-\$3.39
IND Hub to A/D Hub Congestion/Losses	\$0.28	-\$1.23	-\$1.03

USEPA delays ozone standard

By Adam Ward – *vice president of environmental affairs, sustainability* & *energy policy*

In a letter to state governors on June 7, 2017, the U.S. Environmental Protection Agency (USEPA) announced that it will delay implementation of its 2015 ground-level ozone standard by one year to give states more time to develop air quality plans. The additional time will also allow USE-PA to complete its review of the 2015 ozone standard.

The previous standard, established in 2008, had been 75 parts per billion (ppb). Under court order to reconsider the rule, then USEPA Admin-

AMP names Norton as 2017 DNA Award recipient

AMP President/CEO Marc Gerken (left) presents the 2017 AMP DNA Award to Chris Norton, director of market regulatory affairs at a staff meeting on June 9. Nominated by peers, the recipient of the DNA Award exemplifies AMP's core values: cooperation, integrity, innovation, action oriented, effective communication and member focused. Additional information will be provided next week.

OUPS proposes change to call-before-you-dig

By Charles Willoughby – director of government affairs

The Ohio Utilities Protection Service and Sen. Bill Coley (R-Liberty Township) called a meeting of local government groups together this week to discuss their interest in changing the current 12-inch exemption for governmental entities. Sen. Coley asked attendees to consider replacing the current blanket exemption with a list of excavation activities with a depth less than 12 inches. Such a change would resolve concerns that have previously been made by Pipeline and Hazardous Materials Safety *OUPS continued on Page 3*

USEPA continued from Page 1

istrator Gina McCarthy lowered it to 70 ppb in October 2015. The revised ozone standard was also immediately challenged in court for being overly burdensome, not adequately accounting for background ozone levels and many other reasons.

National Ambient Air Quality Standard (NAAQS) are set by USEPA. States subsequently submit proposals to USEPA recommending the attainment status of respective geographic regions based on a combination of ambient air monitors and predictive modeling. Many regions of the country, including northeastern Ohio, have recently achieved attainment with the 2008 ozone standard and would likely need to be re-designated back to non-attainment if the tightened 2015 standard remains.

Please feel free to contact me with questions at 614.540.0946 or <u>award@amppartners.org</u>.

AFEC weekly update

By Jerry Willman – assistant vice president of energy marketing

Fremont plant remained in 2x1 configuration for the week. Generally the plant was cycled offline during the offpeak hours due to lower PJM prices. The plant ramped up to maximum base during the on-peak hours.

Duct firing operated for eight hours this week. The plant generated at a 49 percent capacity factor (based on 675 MW rating).

Reminder: APPA annual survey

By Michelle Palmer, PE - vice president of technical services

As a reminder, AMP is strongly encouraging its members to participate in the American Public Power Association (APPA) annual salary survey. The survey will help gather results that can help members

with their local efforts to provide competitive salaries.

APPA has provided two links. <u>Survey "A"</u> is for utilities with over 15 million in revenue and <u>Survey "B"</u> is for utilities below that threshold. Please complete the survey that fits your utility model.

In light of requests from our members for lineworker salary comparison data, AMP will work with APPA to obtain more granular data than the standard issue reports. These reports will be useful to compare your utility's salaries with those of other utilities in the public power community which will help attract and retain a qualified workforce. All information that is provided will be held confidential. As a supplement to the survey, AMP is working to secure comparison data for rural co-ops and IOUs in our member footprint.

Thank you in advance for your participation. For questions or additional information regarding the APPA surveys, please contact Paul Zummo at APPA at 202.467.2969 or pzummo@publicpower.org.

Energy markets update

By Jerry Willman

The July 2017 NYMEX natural gas contract increased \$0.008/MMBtu to close at \$3.028 yesterday. The EIA reported an injection of 106 Bcf for the week ending June 2. Analyst expectations were calling for an injection of 99 Bcf. For the upcoming week a strong heat wave is forecast to sweep through PJM and the Mid Atlantic. This is anticipated to add significant demand in the east from power generators.

On-peak power prices for 2018 at AD Hub closed yesterday at \$36.55/MWh, which was \$0.17/MWh higher for the week.

OUPS proposes change

continued from Page 1

Administration (PHMSA) regarding exempting an "entity" rather than certain "activities." AMP/OMEA staff attended the meeting and are reviewing OUPS's proposed list of exempt activities, which includes ditching, road surfacing, uncovering valve boxes, curb boxes, manhole covers, facility component inspections that require excavation, pedestal repair, plantings, signage, utility markers, utility marking and temporary survey markers. All the exempt activities would apply if they do not exceed a depth of 12 inches. The proposal also calls for the exemption to remain for any activity in the right-of-way.

Sen. Coley later indicated his desire to include an amendment to the state budget bill to incorporate these changes. We are awaiting formal legislative language that would incorporate these changes. *If you have activities that are not included in the list above, please let us know as soon as possible.*

Please contact Michael Beirne at 614.540.0835 or <u>mbeirne@amppartners.org</u>, or myself at 614.540.1036 or <u>cwilloughby@amppartners.org</u> if you have any questions or need additional information.

Speakers needed for conference Lightning Talks session

By Michelle Palmer, PE

AMP will again offer a Lightning Talks session at the AMP/OMEA Conference (Sept. 25-28 at the Hilton Columbus at Easton) and are actively seeking speakers to participate. A lightning talk is a brief (five minutes or less) presentation covering a topic in a quick, insightful and clear manner. These concise and efficient talks are intended to grab the attention of the audience, convey key information and allow for several presenters to share their ideas in a short period of time.

This session has been popular for conference attendees in past years and we're excited to offer it again. Please contact me at <u>mpalmer@amppartners.org</u> or 614.540.0924 for more information or to participate

AMP welcomes Beckner to Smithland hydro team

By Mike Dabolt - Smithland operations & maintenance supervisor

Beau Beckner joined AMP on May 31 as a plant operator for the Smithland Hydroelectric Plant. His responsibilities will include assisting with the coordination of unit discharge rates and starting and stopping units. Beckner was previously an NDT technician with Acuren Inspection

Beau Beckner

Inc., and an underground mining equipment mechanic and operator for Sebree Mining. He holds Kentucky electrical certification and attended West Kentucky Area Technology Center. Please join me in welcoming Beau to AMP.

AMP Rodeo build day

Due to rain conditions, AMP has rescheduled the rodeo pole setting/work day for June 21. Volunteers are still needed, particularly digger derricks. Please contact Bob Rumbaugh at 614.204.8500 or <u>rrumbaugh@amppartners.org</u> if you have interest and are available to assist in preparing the rodeo field. Additional build dates are planned for July 6 and Aug. 3. The 2017 AMP Lineworkers Rodeo will take place Aug. 25-26.

2017 scholarship recipients

The AMP Board of Trustees recently announced the 2017 scholarships recipients and eight high school seniors were recognized – four Richard H. Gorsuch Scholarship recipients and four Lyle B. Wright Scholarship recipients.

The Gorsuch scholarships are awarded to graduating seniors whose parent or guardian is an employee of either a member municipal electric system or AMP, or is an elected official with responsibility for the electric system. The Wright scholarships are awarded to graduating seniors whose household receives electricity from an AMP member utility.

Jay Myers (right), AMP member marketing representative, presents a Gorsuch scholarship check to Laura Genzman of Oak Harbor. Laura is the daughter of Oak Harbor Village Administrator Randy Genzman.

Tristan Giardullo (right) of Yellow Springs receives a Gorsuch scholarship check from Harry Phillips, AMP director of marketing/member relations. Tristan is the son of Denise Swinger, Yellow Springs planning and zoning administrator.

DEMEC hosts Truck and Tool event for members

Provided by DEMEC

On June 7, 2017 the Delaware Municipal Electric Corporation (DEMEC) hosted a Truck and Tool event for its members to see the latest and greatest equipment available. Ten vendors showcased their equipment, focusing on safety and making the job easier.

DEMEC President and CEO Patrick McCullar stated, "Safety is our top priority. We were excited to provide this all-in-one opportunity for our members to see a wide variety of tools and other equipment to make their utilities safer and more efficient."

Distribution managers and linemen from all over the state and parts of Maryland attended the event. They could personally test equipment and see first-hand how it worked. Wire and cable, LED streetlights, network and security solutions, tools and much more were on display.

"This was a unique opportunity to offer our members as we continue to find new and innovative resources to help their utilities remain safe and reliable," said Senior Vice President of Operations and Power Supply Kimberly Schlichting.

DEMEC is a nine-member, Joint Action Agency serving and representing public power electric utilities throughout the state of Delaware.

American Municipal Power, Inc. 1111 Schrock Road • Suite 100 Columbus, Ohio 43229 614.540.1111 • FAX 614.540.1113 www.amppartners.org

Classifieds

Shelby has jeep for sale

The City of Shelby Fire Department is selling a 1963 Willy's Fire jeep. The vehicle has 9,666 original miles. The sale will be by sealed bids with a minimum of \$5,000. Vehicle

and bidding information can be found at <u>shelbycity.oh.gov</u> and <u>https://goo.gl/jeje0p</u>. The city will accept bids until noon June 23. Additional information is available on the AMP Member Extranet under "Member Classifieds."

Opportunities available at AMP

American Municipal Power, Inc. (AMP) is seeking applicants for the following positions. For additional information or complete job descriptions, please visit the "careers" section of the AMP <u>website</u>.

Debt Manager – This position is responsible for the management and oversight of the credit programs for member communities. Debt manager will evaluate financing options for projects and member communities, and communicate regularly with third party consultants, community representatives and rating agencies. Qualifications include a bachelor's degree in finance, accounting or economics (master's degree preferred); two to five years of relevant financial leadership management expertise also preferred. Frequent travel is required.

Help Desk – AMP is seeking candidates for one help desk opening. The position will be filled as either a Help Desk Technician or a Help Desk Specialist.

Technician qualifications are a two-year degree in computer science, information systems or related discipline (or four years of directly related experience).

Specialist qualifications are a two-year degree in computer science, information systems or related discipline (or four years of directly related experience); more than two years hands-on experience in network and system support of a high-available 24/7/365 operating environment; more than two years experience using network monitoring tools and problem ticketing systems; and more than two years of experience with Microsoft Active Directory, Exchange, SCCM, WSUS, Active Directory, DNS, Network troubleshooting, etc.

Hydro Plant Operations & Maintenance Supervisor – Responsible for the operations, maintenance, and supervision of hydro plant operations and maintenance staff. Must have a minimum of a two-year degree in engineering/ technology field and two years of supervisory experience in plant operations/maintenance, or at least six years' experience in power plant operations/maintenance including supervisory experience. Candidates should demonstrate thorough knowledge of power plant equipment and principles of operation, and have the ability to read instruction manuals, blueprints, and schematics.
