CITY OF NAPOLEON CITY COUNCIL

MEETING AGENDA

Monday, October 18, 2021 at 7:00 pm

Location ~ City Council Chambers, 255 West Riverview Avenue, Napoleon, Ohio

- A. Attendance (Noted by the Clerk)
- B. Prayer and Pledge of Allegiance
- C. Presentation by State Auditor's Office
- D. Approval of Minutes (in the absence of any objections or corrections, the minutes shall stand approved) October 4, 2021 Regular Council Meeting Minutes

E. Citizen Communication

F. Reports from Council Committees

- 1. Electric Committee for October 11, 2021 was canceled by the chair
- Water, Sewer, Refuse, Recycling and Litter Committee met on October 11, 2021; and,
 a. received an update on the progress of the Wastewater Treatment Plant Rehabilitation Project; and,
 b. discussed establishing the Water Rate Review Commission
- 3. Municipal Properties, Building, Land Use and Economic Development Committee did not meet in October due to lack of agenda items.
- 4. Park and Recreation Committee did not meet earlier this evening due to lack of agenda items.

G. Reports from Other Committees, Commissions and Boards (Informational Only-Not Read)

- 1. Board of Public Affairs met on October 11, 2021; and
 - a. approved the PSCA Factor for October 2021 PSCA;
 - b. received an update on the progress of the WWTP Rehabilitation Project; and,
 - c. discussed establishing the Water Rate Review Commission
- 2. Board of Zoning Appeals October 12, 2021 meeting was canceled due to lack of agenda items.
- 3. Planning Commission October 12, 2021 meeting was canceled due to lack of agenda items.
- 4. Tree Commission met earlier this evening

H. Introduction of New Ordinances and Resolutions

- 1. **Ordinance No. 042-21**, an Ordinance Supplementing the Annual Appropriation Measure (Supplement No. 5) for the Year 2021; and Declaring an Emergency
- 2. Ordinance No. 043-21, an Ordinance Authorizing the Finance Director to make Appropriation Transfers (Transfer of Appropriation 3) from One Appropriation Line Item to Another Appropriation Line Item pursuant to ORC. Section 5705.40 for the Fiscal Year Ending December 31, 2021 as listed in Exhibit "A;" and Declaring an Emergency

I. Second Readings of Ordinances and Resolutions

- 1. Ordinance No. 039-21, an Ordinance Amending Chapter 913 of the City of Napoleon Codified Ordinances, "Construction and Repair of Sidewalks, Driveways and Abutting Improvements" specifically by Amending Section 913.02, regarding Contribution of Costs by City, Repealing a Certain Section of Ordinance No. 111-02; and Declaring an Emergency
- 2. Ordinance No. 041-21, an Ordinance Amending certain City of Napoleon Traffic Schedules, specifically Schedule III, "Stop and Yield Intersections," as listed in the attached Exhibit A; and Repealing Ordinance No.(s) 096-07, 112-07 and 034-20; and Declaring an Emergency

J. Third Readings of Ordinances and Resolutions

- 1. Resolution No. 036-21, a Resolution Approving the Addition of a Fifty Dollar (\$50.00) Surcharge to City of Napoleon, Ohio Employee Health Insurance Premiums for the Years 2022, 2023, and 2024, Amending Resolution No. 033-20; and declaring an Emergency
- Resolution No. 037-21, a Resolution Authorizing a Community Reinvestment Area (CRA) Agreement with Keller Logistics, Inc. within Napoleon CRA #7; and declaring an Emergency
- 3. Resolution No. 038-21, a Resolution Authorizing the Expenditure of Funds over Twenty-Five Thousand Dollars (\$25,000.00) for the Implementation of an Upgrade of the Wash Water Basin Controls, which was not included in the 2021 Master Bid Resolution, for the City of Napoleon, Ohio Water and Wastewater Treatment Plants, and to Sole Source said Implementation to Koester Corp.; and Declaring an Emergency
- K. Good of the City (Any other business that may properly come before Council, including but not limited to):
 - 1. Discussion/Action: Power Supply Cost Adjustment Factor for October, 2021 as 3-month averaged factor PSCA \$0.00591, JV2 \$0.044282
 - 2. Discussion/Action: Ritter Park Area Path Project, HEN Napoleon Bike & Ped (PID No. 109008). (direct Law Director to draft Legislation)
 - 3. Discussion/Action: Change Order No. 6 (Final) American Road Improvements Project
 - 4. Discussion/Action: Renewal of Recycling Contract with Werlor Waste Control
 - 5. Discussion/Action: Application for Body-Worn Cameras Grant (Police Department)
 - 6. Discussion/Action: on Moratorium for Certain Residential Building Permit Fees
 - 7. Discussion/Action: Review of Council Rules
- L. Executive Session-(as may be needed)
- M. Approve Financial Reports and Payment of Bills (in the absence of any objections or corrections, the Financial Reports and Payment of Bills shall stand approved.)
- N. Adjournment

Roxanne Dietrich) Roxanne Dietrich - Clerk of Council

A. ITEMS REFERRED OR PENDING IN COMMITTEES OF COUNCIL

- 1. Technology & Communication Committee (1st Monday) (Next Regular Meeting: Monday, November 1, 2021 @6:15 pm)
- Electric Committee (2nd Monday) (Next Regular Meeting: Monday, November 8, 2021 @6:15 pm) a. Review of Power Supply Cost Adjustment Factor for November 2021 b. Electric Department Report
- Water, Sewer, Refuse, Recycling & Litter Committee (2nd Monday) (Next Regular Meeting: Monday, November 8, 2021 @7:00 pm)
 a. Update on 2021 Wastewater Treatment Plant Improvements Project
 b. Water Rate Review Commission
- Municipal Properties, Buildings, Land Use & Economic Development Committee (2nd Monday) (Next Regular Meeting: Monday, November 8, 2021 @7:30 pm)
- 5. Parks & Recreation Committee (3rd Monday) (Next Regular Meeting: Monday, November 15, 2021 @6:00 pm)
- Finance & Budget Committee (4th Monday) (Next Regular Meeting: Monday, November 22, 2021 @6:30 pm) (Special Joint Meetings with City Council on Thursday, November 11, 2021 @8:00 am and Saturday, November 13, 2021 @8:00 am)
- 7. Safety & Human Resources Committee (4th Monday) (Next Regular Meeting: Monday, November 22, 2021 @7:30 pm)
- 8. Personnel Committee (as needed)
- 9. Ad-hoc Committee on Personnel
 - a. Wednesday, October 20, 2021 at 12 Noon
- 10. Charter Review Commission (as needed in 2024)
- B. Items Referred or Pending in Other City Committees, Commissions & Boards
 - 1. Board of Public Affairs (2nd Monday)
 - (Next Regular Meeting: Monday, November 8, 2021 @6:15 pm)
 - a. Review of Power Supply Cost Adjustment Factor for November, 2021
 - b. Electric Department Report
 - c. Update on 2021 Wastewater Treatment Plant Improvements Project
 - d. Water Rate Review Commission
 - 2. Board of Zoning Appeals (2nd Tuesday)
 - (Next Regular Meeting: Tuesday, November 9, 2021 @4:30 pm)
 - 3. Planning Commission (2nd Tuesday)
 - (Next Regular Meeting: Tuesday, November 9, 2021 @5:00 pm) 4. Tree Commission (3rd Monday)
 - (Next Regular Meeting: Monday, November 15, 2021 at 6:00 pm)
 - 5. Civil Service Commission (4th Tuesday) (Next Regular Meeting: Tuesday, October 26, 2021 @4:30 pm)
 - 6. Parks & Recreation Board (Last Wednesday) (Next Regular Meeting: Wednesday, October 27, 2021 @6:30 pm)
 - 7. Privacy Committee (2nd Tuesday in May & November)
 - (Next Regular Meeting: Tuesday, November 9, 2021 @10:30 am)
 - 8. Records Commission (2nd Tuesday in June & December)
 - (Next Regular Meeting: Monday, December 6, 2021 @6:45 pm)
 - 9. Housing Council Meets First Monday in April (meeting to be scheduled after the TIRC meeting)
 - 10. Health Care Cost Committee (as needed)
 - 11. Preservation Commission (as needed)
 - 12. Napoleon Infrastructure/Economic Development Fund Review Committee [NIEDF] (as needed)
 - 13. Tax Incentive Review Council (as needed)
 - 14. Volunteer Firefighters' Dependents Fund Board
 - 15. Volunteer Peace Officers' Dependents Fund Board
 - 16. Lodge Tax Advisory & Control Board (as needed)
 - 17. Board of Building Appeals (as needed)
 - 18. ADA Compliance Board (as needed)

City of Napoleon, Ohio CITY COUNCIL MEETING MINUTES MONDAY, OCTOBER 04, 2021 at 7:00 PM

PRESENT

Councilmembers	Joseph D. Bialorucki-President, Daniel Baer-Council President Pro-Tem, Jeff Comadoll, Molly Knepley, Lori Siclair, Ken Haase, Ross Durham
Mayor	Jason P. Maassel
City Manager	Joel L. Mazur
Finance Director	Kevin L. Garringer
Law Director	Billy Harmon
City Staff	David Mack, Chief of Police
	Clayton O'Brien-Fire Chief
	Chad E. Lulfs, P.E., P.SDirector of Public Works
	Lanie Lambert-HR Director
Others	News Media; Mercy Life Flight Representatives
Clerk of Council	Roxanne Dietrich
ABSENT	

CALL TO ORDER

Council President Bialorucki called the City Council meeting to order at 7:00 pm with the Lord's Prayer followed by the Pledge of Allegiance.

PRESENTATION OF FRANK FOSS AWARD TO THE NAPOLEON FIRE DEPARTMENT BY MERCY LIFE FLIGHT

The representative from Mercy Life Flight started with a brief background on the Frank Foss Award. Frank Foss was the father of our flight program. Over 40 years ago, Foss had a son that was injured and they couldn't get him to a trauma center fast enough is how he came up with the idea to put together a flight service. We've been here since 1979 and are still here. What is special about the Frank Foss award is we have done over 3,000 flights and only give this award to three departments. The recipients should be extremely proud, they are nominated by our crew members who will present the awards to the recipients. Kelly Norris is the paramedic that nominated them and will explain the run that they were on. Kim Norris will also be presenting an award.

Kelly Norris explained the run they had with Napoleon Fire. Kim and I were working at Life Flight 2 which is our Wauseon base. There was an injured person that we were rendezvousing with Napoleon Fire at the Henry County Helipad. We showed up and it's always kind of an ominous sign for us when we show up and can see people are still in the ambulance. We are like okay, they are still waiting on us. We got there, looked inside and said it's traumatic injuries. There is an ER doctor that is outside the building that said "whatever you guys want, let me know". We said we have to go inside. We went inside and started working with that resident to start stabilizing the patient. Napoleon Fire came in with us, Toby (Westhoven) and Nick (Lishewski) were both super helpful in that ER room with us and a couple nurses. We nominated Henry County Hospital also. Nick, Toby, myself, Kim and the doctor worked on that patient to the point where we were ready to fly. Then I realized maybe we can't fly, there were some other things going on with the patient and we're like I don't think this is going to work. I simply turned around and looked at them and said "my mobile is miles and miles away, hours away you guys got a squad you can take me to St. V's in? I need to go via ground". There was no hesitation, just give me a minute and I'll figure something out. Within say maybe ten minutes, there were two or three more Napoleon firefighters walking in in blue jeans, and I knew they just came from home and are ready to go and said we can take you to St. V's. To see that kind of teamwork at two in the morning is impressive. That is the reason we nominated Napoleon and Henry County Hospital. Normally we would do this presentation at our conference at Maumee Bay but, with COVID we made some changes and decided this was probably the best place to present the award.

Chief O'Brien commented I am just the guy that gets all the good credit for everybody else's hard work and this is a prime example of that. I wasn't there that night it was Toby and Nick and a few other members that actually showed up for this call and to perform what they work very hard for every day, all the training that they put in all the time. I am very grateful. This is the second time since I have been Chief, that our department received this award. I am very proud of my staff. Norris presented the awards explaining the department gets the plaque and each member gets a certificate.

Nick Lishewski. To this day, that was probably the worst call I have ever been on and I'm glad from what I have heard, he is doing well. I just try to take every day learning from that night, we all kind of came together and made it happen and it was a positive result.

Toby Westhoven. I would like to thank the Life Flight crew that helped us out that night. I would like to thank the Henry County Hospital and I would like to thank Chief O'Brien for putting together an amazing training program that allows us to continuously work on our skills and be able to respond to these incidents at two o'clock in the morning so smoothly. I am very proud to receive this award and very humble. Thank-you.

APPROVAL OF MINUTES

Hearing no objections or corrections, the minutes of the September 20, 2021 City Council meeting were approved.

CITIZEN COMMUNICATION - None.

REPORTS FROM COUNCIL COMMITTEES

Finance and Budget Committee met on September 27, 2021 and approved the third quarter budget adjustments.

Safety and Human Resource Committee did not meet on September 27, 2021 due to lack of agenda items. Technology and Communications Committee did not meet earlier tonight due to a lack of agenda items.

INTRODUCTION OF NEW ORDINANCES AND RESOLUTIONS

Ordinance No. 039-21 – Construction, Repair of Sidewalks, Driveways and Abutting Improvements Council President Bialorucki read by title Ordinance No. 039-21, an Ordinance Amending Chapter 913 of the City of Napoleon Codified Ordinances, "Construction and Repair of Sidewalks, Driveways and Abutting Improvements" specifically by Amending Section 913.02, regarding Contribution of Costs by City, Repealing a Certain Section of Ordinance No. 111-02; and Declaring an Emergency.

Motion: DurhamSecond: Siclairto approve First Read of Ordinance No. 039-21

Mazur reported the changes to this ordinance are as recommended by the Municipal Properties Committee. Basically, it doubles the price per linear foot of curb or gutter that we can reimburse to residents who want to replace the curb in front of their residence or businesses from \$20 per linear foot to \$40 per linear foot and doubles the price per square foot of sidewalk replaced in front of a business or residence from \$1.50/sf to \$3.00 per square foot. The pricing has not changed since this was created in 1998. This will put the pricing back in line with today's standards. Bialorucki asked if I hired a contractor, how much per square foot would that cost? Is the \$3.00/sf going to help me? Mazur said yes. The going rate per square Lulfs took it from there right stating we are seeing anywhere from \$8.00 to \$10.00/sf. That has went up significantly in the last two or three years. Mazur said it is not very common that we get this but, occasionally we do get people who use this program. Comadoll wondered if this is enough? Lulfs said generally that is a \$25,000 line item in the budget. On a normal year, we might pay out anywhere from \$3,000 to \$5,000. We hit \$10,000 once since I have been here. Mazur said it's not a huge dollar figure and typically this is out of the 400 capital account. We are talking \$25,000 that we budget with maybe \$6,000 getting used on an average per year. This is a service that Council is willing to allocate funds for somebody to make an investment and improve their property, is it too low? It depends if Council is willing to reimburse somebody more for their expenses. In my opinion, \$3.00/sf will put a dent in the amount. If it is \$8.00 to \$10.00/sf that's twenty to thirty percent of your cost. Bialorucki asked you said the prices have went up significantly do you see those coming down after the next year or two? Lulfs said if the price of concrete does come down, we can always come back. The other issue is the number of contractors that do that type of work. Many of them have retired and there is only a handful left in the area and that demand dictates price. I have no issue going to \$3.00/sf and if in a couple of years it looks like we could do more, Council can always look at it again.

Roll call vote to approve First Read of Ordinance No. 039-21 Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

Resolution No. 040-21 – VanHyning Pumping Station Replacement Project

Council President Bialorucki read by title Resolution No. 040-21, a Resolution Authorizing the Expenditure of Funds in Excess of Twenty-five Thousand Dollars (\$25,000) for a Project known as VanHyning Pumping Station Replacement Project, which was not included in the 2021 Master Bid Resolution No. 062-20, and Authorizing Competitive Bidding in regard thereto; and Declaring an Emergency

Motion: Comadoll Second: Knepley to approve first read of Resolution No. 040-21

Mazur stated this project was in the 2020 master bid ordinance and was erroneously taken out of the 2021 master bid ordinance. When we originally bid this project out we did not receive any bids. So, we held off another year to wait on the timing of things to catch up and hopefully we will get some bids. There was a real shortage of materials and it is hard to find people to do the work. Suspension is requested because we are positioned to bid this out sooner rather than later with the timing to get materials and supplies in and to get on people's schedules. I think this is the perfect season to be bidding work like this out. Lulfs pointed out we were planning to bring this project two weeks ago and that is when we discovered the project was removed from the Master Bid ordinance. If we can pass this tonight, we will still make the funding schedule. The funding for this project is through DEFA. DEFA's last meeting of the year is the week after Thanksgiving and to get on that schedule, we need to put this out for bid soon. My fear is if we wait two weeks, we will miss their schedule and that would put us into next year. Then, we would have to reapply and we can do but, that's a very detailed process and we would have to have more legislation. Personally, my preference is to get this in for DEFA's last meeting of this year. The interest rate on Williams Pump Station was 0.67% and 0.37% for the Wastewater Treatment Plant. We will probably be between those two for the interest rate.

Motion: Haase Second: Knepley to suspend the rule requiring three readings of Resolution No. 040-21

Roll call vote to suspend the rule requiring three readings of Resolution No. 040-21 Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nav-

Yea-7, Nay-0. Motion Passed.

Roll call vote to pass Resolution No. 040-21 under Suspension and Emergency Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

Ordinance No. 041-21 – Amend Traffic Schedules

Council President Bialorucki read by title Ordinance No. 041-21, an Ordinance Amending certain City of Napoleon Traffic Schedules, specifically Schedule III "Stop and Yield Intersections" as listed in the attached Exhibit A; and Repealing Ordinance No(s). 096-07, 112-07 and 034-20; and Declaring an Emergency

Motion: Comadoll Second: Haase to approve First Read of Ordinance No. 041-21

Mazur stated the change is in the stop section adding Westmoreland Avenue at Bales Road as discussed in the committee meeting and also at the last Council meeting. The recommendation was to move forward sooner with the all way stop at Westmoreland and Bales. This would add two flashing stop signs at Bales where Westmoreland tees into it. This was added into the Safe Routes to Schools grant but, after looking at the traffic that exists today particularly with the schools, there is a lot of traffic backed up along Westmoreland as a result of the traffic on Bales Road not yielding or stopping at all. This would put something in place right now to help alleviate some of that traffic backing up in Westmoreland. The cost is \$2,500/sign. Part of that intersection is in the county and not in the city limits so, we are working with the county engineers office on this. Lulfs added we have looked at this for several years now. Since the start of school this year, the school has approached us and made this specific request. If we want to address the issue quickly, this is the quickest and least expensive option. There are other traffic control options we could look at but, those options would probably be two years out at a minimum even a traffic signal is probably two years out. I have heard talk around town of putting in a roundabout and honestly if you want to do that, you are probably looking at five to ten years out by the time you are able to acquire the property and get all the design work and traffic studies done. If the concern is to get traffic to flow from the school traffic as well as special events traffic, this would probably be the quickest and least expensive option. Bialorucki asked Chief Mack for his thoughts stating he has heard some residents questioning this being a short amount of time that is affected for twice a day and how many times out of the year. Chief Mack's response was traffic is backed up there, there is no question about it. Since the schools moved to that campus, we have seen issues with the traffic patterns around the schools. That is something we have had a conversation with the schools on for many years. On a daily basis, it is usually half an hour or so give or take on a weekly basis. Then, there are the sporting events that are going on, there are parent-teacher conferences, choir concerts and everything else that the schools are dealing with. My answer is, we have asked the school to enhance that whole area based off those same concepts with everything from parking restrictions along that road and putting barriers up. Again, that is usually one or two seasons that really matters but, that is causing us great concern with the traffic flow. It is isolated sometimes to just minutes, sometimes it's half an hour or 45 minutes depending on the scenario. The cause of our traffic issues on Bales and Westmoreland are the same issues that we have with all the parking and pedestrian movement that the school is trying to deal with in that entire area. In my opinion, it is kind of a give and take. That's what we are trying to do, this is the next step in trying to help improve that area. There are a lot of options but agree with Lulfs, if you are trying to address this in the more immediate time frame, the stop sign is the only thing that will do it in that short of a term. If we want to try and address this in a more permanent fashion or in a different fashion, that is something that can always be done down the road. Waiting two or three years is going to increase the frustration and the schools are not going to be getting smaller. Comadoll said he took his granddaughter to school and sat two and a half minutes at Westmoreland. That is not feasible for anybody. I'm glad we are going to do something and if we can speed this process up, let's do it. Baer said I have heard comments on both sides of this issue on things like a stoplight but, those are all down the road. My biggest concern is safety. I know some of the concerns are we don't need to put a stop in there because it's just a limited time but, as the Police Chief said, this is more than kids going through there. I come home from work at 4:30 pm and it has nothing to do with school letting out and some kid was running across that intersection when I went through there last week. There is a safety concern as a lot of traffic is coming off Road P and does not have to slow down until you hit that intersection. While I agree it may be an inconvenience to some, I think we have to look for the safest for everybody involved, especially the kids. We have been doing a good job working with the school in recent years and I think the school is asking for some help and feel we need to give the school some help. Bialorucki said I want to add onto what Comadoll said about the two and a half minutes, it's not just the time. I think people are going to be less patient and try to pull out a little quicker when they shouldn't. After time they are going to think I'm tired of sitting for two minutes and I think I can make it. We have not got into bad weather yet where they

are on Bales and may be going 40-45 mph and may not be able to stop. Siclair commented I think it needs to be addressed and do like the idea to have the ability to readdress it maybe after it's in place for six months or a year to see if it is actually more of an inconvenience than it is helpful or if there is a different option that could be done during those periods of the day or something like that.

Roll call vote to pass Ordinance No. 041-21 on First Read Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

SECOND READINGS OF ORDINANCES AND RESOLUTIONS

Resolution No. 036-21 – Employee Health Insurance Premiums Surcharge

Council President Bialorucki read by title Resolution No. 036-21, a Resolution Approving the Addition of a Fifty Dollar (\$50.00) Surcharge to City of Napoleon, Ohio Employee Health Insurance Premiums for the Years 2022, 2023, and 2024, Amending Resolution No. 033-20; and declaring an Emergency

Motion: Haase Second: Durham to pass Resolution No. 036-21 on Second Read

Mazur reported this was a recommendation from the Healthcare Cost Committee that will extend the Wellness Program to three years. We had been extending that program year-to-year and this also extends the contract with BORMA for three years. The committee did take a look at other options that we could have with other pools or going private. After the review, it was determined by the Healthcare Cost Committee that staying with BORMA is the best option. It's just a good practice to have a review every three years to see what else is out there. BORMA is a good group that is growing as more people are getting involved. The last two years we have had a good healthcare premium percentage increase, actually probably for the last three or four years the percentage increase has been in the single digits. We are seeing other pools in double digits. Napoleon was the only one in the BORMA group to get the 1% reduction in our premium increase this year. There were two others in the group that had a .5% reduction. Basically, everybody else is paying for our participation in the wellness program so, it works out well for us. That is why we are in a pool, it spreads the costs out and that limits our risk. Bialorucki said remind us again who sits on this committee that is recommending this. Mazur stated the Healthcare Cost Committee is comprised of two members of each bargaining unit, two members of non-bargaining and two appointed authorities. Bialorucki said this is not just the city's idea or the administration building saying we are going to do this it was everyone that is representing our employees.

Roll call vote to pass Resolution No. 036-21 on Second Read Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

Resolution No. 037-21 – Keller Logistics, Inc. CRA Agreement

Council President Bialorucki read by title Resolution No. 037-21, a Resolution Authorizing a Community Reinvestment Area (CRA) Agreement with Keller Logistics, Inc. within Napoleon CRA #7; and declaring an Emergency

Motion: Comadoll Second: Knepley to pass Resolution No. 037-21 on Second Read

Mazur stated we are working with the CIC to set a closing date. We are also working with JobsOhio and the Regional Growth Partnership to see what the status is on the OSIP funding. That is the last component. We are trying to figure out when we can schedule a closing date but, that will not come until we get word back from JobsOhio.

Roll call vote to pass Resolution No. 037-21 on Second Read Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

Resolution No. 038-21 – Wash Water Basin Controls – Water and Wastewater Treatment Plants

Council President Bialorucki read by title Resolution No. 038-21, a Resolution Authorizing the Expenditure of Funds over Twenty-five Thousand Dollars (\$25,000) for the Implementation of an Upgrade of the Wash Water Basin Controls which was not included in the 2021 Master Bid Resolution for the City of Napoleon, Ohio Water and Wastewater Treatment Plants, and to Sole Source said Implementation to Koester Corp.; and Declaring an Emergency

Motion: Comadoll Second: Baer to pass Resolution No. 038-21 on Second Read

Mazur did not have anything new to report for this item.

Roll call vote to pass Resolution No. 038-21 on Second Read Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

THIRD READING OF ORDINANCES AND RESOLUTIONS

Reconsideration of Resolution

Baer stated Mr. President, I move to reconsider Resolution No. 032-21 that is a resolution authorizing the City Manager to execute any and all documents necessary to acquire 12.91 acres of land located in the City of Napoleon, Ohio. Council President Bialorucki confirmed Councilman Baer was requesting a motion to reconsider Resolution No. 032-21.

Motion: Baer Second: Knepley to reconsider Resolution No. 032-21

Roll call vote to reconsider Resolution No. 032-21 Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

Resolution No. 032-21 – Purchase of 12.91 Acres of Land located in the City of Napoleon, Ohio

Council President Bialorucki read by title Resolution No. 032-21, a Resolution Authorizing the City Manager to Execute any and all Documents necessary to Acquire 12.91 Acres of Land, located within the City of Napoleon, Ohio; and Declaring an Emergency.

Motion: Haase Second: Comadoll to pass Resolution No. 032-21 on Third Read

Bialorucki stated I received additional information that I did not have before that helped me with my decision. The last time I voted "no" because there are a lot of unknowns with this property, with the wetlands, how much is it going to cost and what the whole process is going to be. Then, would we be able to recoup that money back? After quite a bit of research and receiving more information I believe that the process Mazur has looked into sounds like it is a smoother process than what I was thinking before. Mazur said it doesn't feel like a smooth process going through wetland delineations. In doing the wetlands you are dealing with other agencies and it's a little arduous because people are working from home and with the timing of things. The application process, the procedures and steps that you follow are really not that difficult. We should be able to get an application and have it looked at and flow through the process. Hopefully we can be the squeaky wheel and get this done sooner rather than later. Then, we will work with

whatever entity or if we want to do something with the property, you know we have that option in front of us. Bialorucki asked we have a purchase agreement right now which expires at the end of December. Mazur stated we have an accepted offer that expires December 31, 2021. Bialorucki suggested possibly tabling this and bring it back in two weeks and maybe then we would have some of those missing exact numbers. Mazur said I am pretty confident this is going to be close to where it's at. The property cleanup hopefully has a little less mitigation piece, it could actually be a little bit more but that's part of the risk. It just depends on what's out there. My take on this is, this is the starting price to get our foot in the door. Sooner on wetland mitigation is important. There is only so much property out there that can be used to mitigate these wetlands. There is a bank and that bank is finite unless people are building more wetlands to use as bank property. To describe the process, like the nature conservancy will build wetlands or they set aside property and purchase it and when people mitigate wetlands, they pay them what it costs to administer. That pool can run out so, there is a little bit of a timing issue. The wetland study in Phase 1 and the property purchase closing costs I think are in line. We have not received quotes on the cleanup but, I think that's a little high. The wetland mitigation piece we have to get confirmation. From going through the process, there is a little bit of a wild card but, that's going to take some time. My only caution is waiting too long. I'm not sure waiting will give us more information than this. Siclair asked do you have any idea of the potential increase for the permit fees? Lulfs responded we don't know what the exact fee is but the most the EPA can charge for any fee is under \$20,000. That is what we paid for the Wastewater Plant Permit. It's a percentage. We did wetlands in 2008 and don't recall the number but don't remember it being a five-digit number. Most of their fees are in the \$2,000 to \$5,000 range. Siclair asked it's not going to raise the price per acre to \$20,000 or more? Lulfs said I don't think percentage-wise it's going to be a large piece. Worst case you have \$17,500 in there for property cleanup. I would be surprised if it was half that personally. Mazur added the reason \$17,500 is in there is to qualify that, it's always better to be conservative on your estimate; especially when there are some unknowns. After doing the Phase 1 assessment, there is a small shed type thing that has paint cans and some other stuff in there that would require proper disposal. It's probably not going to be that much. That's why the unknowns and we did discover a couple of unknowns but I don't think it's anything coming from that industry. I don't think it's anything that will keep it at \$17,500. We are just talking paints and solvents. If the agency permit fees would be one percent of the total that is \$2,500. Mazur - and again it's not a make or break if you want to table it. I'm just putting caution out there that the land, not the land bank, the bank of land that's available for wetland mitigation is finite so the only other way to mitigate wetlands if there's no land available is to build your own and monitor your own wetlands and that's a whole other undertaking. Haase commented we should proceed without tabling it, let's put it to a vote now and get on with it. Comadoll agreed with Councilman Haase. Baer asked if we don't do this, what is the chance of a business wanting to buy that land and then doing it right, realistically? Mazur replied you are negotiating a new price for the property, you are dealing with a business that could be risk adverse. There are other properties out there so, it's a long process if somebody wants to actually develop it. Businesses don't like to take a year to mitigate wetlands and they don't want to clean up the property. We do have a Clean Environmental Site Assessment and a Phase One and Phase Two that was done so that bodes well but that has a shelf life and after six months they have to go through the process again. Right now we are positioned to mitigate it, take care of it and cut out the time constraints that any business would have in wanting to develop there. Maassel said in my opinion, we have had the luxury of having 30 acres of industrial ground for a long time. We have JAC Products on some of it and we could potentially have another spec building coming in there. Then, we are out of easy to develop ground. If we say no to this and somebody else buys it, we don't know what they are going to put on it. It is industrial grounds but, they could put on storage units which are fine but we want to have a good utility user on there. By owning the property we can kind of control what gets built on the property. If we say no and it turns into a storage unit, I'm just using that because it is not a big utility user and it's not a tax revenue increaser. If we have the property, we can say no we don't want storage units we want an industrial building, we want a water user, electric user or something that can help us long term. I think we just go forward and see what happens on the other end. It is going to take some time so, let's get started.

Roll call vote to pass Resolution No. 032-21 on Third Read Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

GOOD OF THE CITY (DISCUSSION AND/OR ACTION)

Purchase of Pickup Truck Off State Contract for Engineering Department

Lulfs stated included in the 2021 budget was the approval for the Engineering Department to purchase a pickup truck. In checking with local vendors, they were not able to meet the price and they were not able to get a truck. So, we went to the state contract. The pricing is outlined in the memo in your packet. We budgeted \$40,000 and to purchase the truck and outfit it with the bed liner, the weight lags which are the flashers, and the lights and all that, the cost would be approximately \$33,000. We are asking for Council's approval to move forward and purchase the truck off the state contract. Maassel asked where does the current truck go? Lulfs said we don't have a truck but, a request was put in for the garage to look at the existing fleet and determine which vehicle makes the most sense to get rid of. The Engineering Department currently has a Dodge Charger that came from PD several years ago with 130,000 miles and we have two explorers that have fewer miles but might be in worse running condition. We are waiting for Tony Kuhlman to say which one to get rid of. Then those generally go to GovDeals. Bialorucki asked who would use this truck daily? Lulfs replied it would be my vehicle on a daily basis and then what we would like to do is get on a rotation and get some of the other older vehicles out and rotate them down to staff. The only vehicle the Engineering Department has ever purchased new was the current field inspector's truck and I believe that was purchased six or seven years ago. We are greatly lacking on vehicles that are appropriate for inclement weather or getting onto some of our construction sites.

Motion: ComadollSecond: Knepleyto approve purchasing a Truck for the Engineering Department off State Contract

Roll call vote on the above motion: Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

THIRD QUARTER BUDGET ADJUSTMENTS

Garringer reported the Finance and Budget Committee met last week and reviewed some adjustments that needed to be done. We are asking for legislation to be drafted to accept the third quarter budget adjustments. What I would like to do to try and shorten this period at the next Finance and Budget Committee meeting is to have it so legislation can be passed at the next City Council meeting because we are going to be a month behind when that legislation gets read. That's just an internal thing. Bialorucki said we can take a look at that.

Motion: Comadoll Second: Haase to direct the Law Director to draft legislation for the third quarter budget adjustments

Roll call vote on the above motion:

Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-

Yea-7, Nay-0. Motion Passed.

AMERICAN RESCUE PLAN MONIES

Mazur stated Staff put a list together by what we felt the funds should be used for and prioritized it. First would be Revenue Replacement of the General Fund. That is pretty obvious that is our bread and butter and anyway we can get a revenue replacement in the General Fund helps long term for budgeting and our fund balance. We show the revenue loss for the City of Napoleon due to coronavirus is \$57,942.62. That will came right off the top of the \$429,845.97, that is only half of the allocation that we have got so far. The

next priorities are items to improve the police and fire operations. Both Chief Mack and Chief O'Brien put together a pretty comprehensive list of items they have requested for use of these funds and are very much needed for their operations. First, and we found this really helped out with the response to the coronavirus, was having that part-timer overnight. We are planning on hiring a part-timer overnight next year with what was done with the reciprocity vote but, this would give us a chance to start it this year. We are looking at about a \$30,000 allocation for that to start. The next item is about \$215,200 to purchase portable radios and upgrade the dispatch centers. I have seen the state of affairs of the dispatch centers on a few occasions, Chief do you want to elaborate? Chief Mack began as many of you are aware, we have talked about dispatch radios a significant amount over the last four or five years since I became Chief. There are a lot of different projects that started happening and were underway when I took over involving the new 800 and 700 system. Through that project we did what we could to reuse some older radios that were in our cars. A lot of times those are referred to as poor man consulates, radios that we repurposed for dispatch consulates due to the fact that project had some unexpected expenses and that was what we had to do to keep from taking a lot of money out of the city coffers at that time. What we found out during that project was one of the consulates' end life was about a year ago and is no longer supported. That is something I have to do no matter what. The poor man consulate we commonly refer to as legacy radios, are the older portables and the older mobiles kept on the system to save some costs. We found out this year they have to go through a security upgrade, that was some sort of encryption upgrade due to issues that happened across the state in the MARCS system. Anything that is called a legacy radio, any of the older radios the poor man consulates we have will no longer work by 2025 because they are end of life. I have to replace these in the very near future to take care of police operations, these are expenses that I have to take care of one way or another. These funds provide us an option to maybe do that without taking from the General Fund directly. Chief O'Brien explained a four-man consulate compared to a consulate. The dispatcher after screening with a normal consulate is able to select from a channel bank of 256 channels. If you have a poor man consulate, it's one radio affixed to one channel in the back that cannot be changed. They dispatch us out on a call and give us an ops channel 16-2, now we are on 16-3 and if you have multiple calls and say you need a water supply channel or you need different operations that's happening on different channels, they are going to get to a point very quickly where they cannot monitor those because they cannot change that radio in the back. That legacy radio is a fix to channel 1610 and that is usually the radio channel that we are on. If there is anything else going on, we do have a couple consulates but you can quickly run out of the amount of what they are monitoring in a very short period of time. Chief Mack said that price reflects some discount pricing that is in place through our Motorola viewer right now. Chief O'Brien – correct. The legacy radio upgrade is what they call a dual authentication. When we first started looking at going to either MARCS or going to the Lucas County system, if we went with MARCS we would have been paying \$10/radio/month which was a substantial amount of money compared to everyone going together and getting on the Lucas County System and then you are doing an upgrade every two years. It was in the realm of \$90,000 for the county and with most of our department being volunteers there was just no way that we were going to be able to pay that amount of money each and every time. MARCS has this dual authentication link layer system to be able to have that radio double hit so every time you have this radio they can verify that every range is registered. With that being said, the older radios software does not have the capabilities to be able to do that so, you have to replace them. We are fortunate enough to have the majority of our radios at the Fire Department. We only have about five of those radios on the portable side that would not meet the criteria. They are giving us until 2025. We are not on MARCS, we are on Lucas County and they are going to follow the same suit. Those legacy radios that are in the back of dispatch do not have that dual authentication and would have to be replaced. That is why we put this proposal together to find out how and where we could best capitalize the money by staying within the confines of the American Rescue Plan Money. Mazur noted to me as a manager the radio system, though it's far superior than what the old system was, is the gift that keeps on giving. We went from \$800 radios to \$6,000 radios. Maassel asked if this upgrade will solve some of the connectivity issues inside some buildings? Chief O'Brien- I think the repeater provides a band-aid for us. We have the repeaters installed

and there are a few other things that need to be addressed on the big trucks but we are getting them attached. When you pull up on scene and put the vehicle in park, the repeater is going to pop on and that changes all the portable radios to just speak to the repeater which then transmits over that mobile radio in the vehicle. Captain Stiriz and I walked all the way through the hospital, we left him on 1610 and his radio said out of range and from where I'm at with my repeater which is hitting my car outside, I am able to talk just fine. We have already seen the benefits of the radio itself. Chief Mack pointed out the Police Department is still operating on that repeater. We are supposed to have them all installed theoretically before the end of the year and maybe even by the end of this month. That process is still ongoing for us. It's a little different operation so we still struggle sometimes inside the buildings because we cannot leave our cars on in some of our buildings for eight hours straight. We have the same issues under the old radio system. So, it's not a new problem for us and for the most part probably 90% of our issues should be solved short term with the mobile repeaters. I was told by our radio guy from PNR that my piece of dispatch will take care of every legacy piece of equipment I have back there and short of something going bad, I shouldn't have to touch equipment-wise for many years to come. Chief O'Brien shared the ODNR grant is what paid for our repeaters, that was a 50% match grant. I do want to emphasize that it is a band aid with the repeaters they are working but, ultimately I do think the best fit is another ASR site will eventually have to come as more buildings come and more things happen. When Napoleon was first looked at by Motorola, it was said that three sites should be located in Henry County and when that system got done there was only one site done. We suffer the most just because we have the most buildings and are inside a lot. When you are over flatland or you are on your mobile you don't have any issues a lot of times as the mobile gives a lot more wattage so you have better connectivity. Using the repeater we are only talking directly to the outside to hit that repeater. Mazur pointed out after some negotiations Chief O'Brien did in talking with Napoleon Township, they are looking at paying for the priority-based dispatching. That is something that was high priority for us and we are happy to say that in working with our partners, they are willing to foot the bill for that. Chief O'Brien continued priority-based dispatching is a huge thing for us. This is not a small number here. Napoleon Township is stepping up and paying \$70,000 that is going to be put in mobile computers. It will also retrain some dispatchers and provide some software to our dispatch center to provide the priority-based dispatching. What that means is whether you need to send a paramedic or a basic EMT. According to our Firefighter Contract, we are only required to have one paramedic on duty at a time. So, there may be a time that they are the only paramedic on duty with three EMTs. If that first call goes out and it's a lift assist, we have to send the paramedic right now because it is 9-1-1 what's your emergency. They go through the system, there are no set questions. We have dispatchers that are trained to EMD but we are not providing them the software other than the cards that sit next to it. This will integrate it into the system where they ask the question, they answer it on the software and the software then determines whether this is ALS, which is Advanced Life Support, or BLS which is Basic Life Support. In the event you only have one paramedic, then you have ellipsis with these questions and that dispatcher comes to the conclusion that this individual just needs help lifted being lifted into the chair or whatnot. Then, they can dispatch it out as a BLS and we can save the paramedic for the next priority call. We have seen 33% of our calls are overlapping. On that first call going on to have an ellipsis and then the next call is that heart, chest pain or difficulty breathing provides that to the EMTs going to that call. We are trying to utilize the resource a little bit better. That is what the priority based dispatch does and the reason why you have to have the new the tough books that will go in each ambulance. Let's say they get over there and it's a basic call dispatched but then the basic is like this person actually needs a paramedic. They can call back for the paramedic to come but the basic still has to report on how they found the patient this way. Those are the different things of their primary assessment. That system allows them to transfer their run so it's a complete picture from the time anybody from Napoleon Fire Department showed up until the time that we took the patient to the hospital. Kevin Gerken, a Napoleon Township Trustee, reached out and we started discussing different projects they wanted to use with their American Rescue Plan Money. We are very fortunate Napoleon Township stepped up, it is an unique circumstance. They are a contracted agency with us and is something they definitely didn't have to do. They have seen the importance of what it's going to

do for us to be able to provide that for the entire area and making sure we are utilizing our resources to the best of our ability. Chief Mack added at our agency we became certified as a medical dispatch right after I became Chief. That was a big step. What that means is they have cards, they ask you questions but it doesn't determine whether to send that advanced person or not. With that comes a responsibility of doing evaluations on our dispatchers and making sure they are following the cards and questions. What this software will allow or finish with the project is a digital way of doing that so when the dispatcher has to manually enter those questions and answer scenarios that gives us a percentage of how much they are actually asking of the program. When it comes to liability reduction, it gives us that supervision right over the top of them and we can attach that call for service and all the documents to that questionnaire. This allows us to provide a better service to the community. The last piece with the tough books is our software. The Police Department is windows based and we have had a struggle because currently its under apple and doesn't mesh. When it goes to windows base, our mobile software for dispatching will actually go into their superior squads so, not only are they going to know they are on the squad call, they are also going to be able to see dispatch is also dealing with three police calls at the same time and where those calls are at. A lot of time it's just one dispatcher and they can hit a button on the screen or we'll be able to hit a button on the screen that puts them on scene. It will significantly reduce some of the overlapping conversations that are happening on the radio. We definitely want to thank Napoleon Township. Bialorucki asked if Napoleon Township is going to use some of their funds for that, do we know what the process looks like? Chief O'Brien explained I talked to their fiscal officer. We already have the quotes and everything is already completed. Napoleon Township will be billed directly and can record it. Once this project is done, then it will be accepted by us as a donation from Napoleon Township to keep a clean auditing line. When they have to report after the 2024 deadline they will be able to show their invoices and that they paid for the tough books. Bialorucki said part of the reason I am asking is because I know we have seen so many different changes with COVID dollars or different things I would hate to see you order all of that stuff and have it in place to invoice them and they are 100% in agreement and then the government steps in and says wait a minute you're not buying it for your township or they could say you can't use that money for that and now we bought \$70,000 worth of equipment that needs to be paid for. Chief O'Brien replied the reason why this works is because we cover all of Napoleon Township and does directly affect them in their response. This is kind of a big deal as they are paying for a portion of that upgrade because we cover all of Napoleon Township. That is why it works but, it would not work for them to just give us \$70,500. They cannot take the American Rescue Plan money and donate the money itself. This is the cleanest way of doing it because they are purchasing it and then donating it to the City of Napoleon. Napoleon Township is purchasing it for direct response on their residents within their township. Mazur said to recap on what was just talked about, what's remaining of that first \$429,845.97 is \$126,703.35. Going back to the list of priorities, we talked about revenue and the General Fund revenue replacement, General Fund items to improve the Police and Fire operations and then items C and D which in my opinion are interchangeable, have to do with the Water Fund. When you look at all of the major funds across the board, we just redid the Water Treatment Plant and raised rates and that is the weakest of the bunch. With that being said, a priority water project is connecting the waterline from the Second River Bridge to the waterline on State Route 110. Mazur asked Lulfs what the estimate is for that project. Lulfs stated the conservative estimate that we submitted to the EPA is \$130,000. Generally we set the estimates so as not to be low. When we go out to bid the estimate will be \$130,000 but, we are hopeful the bids will come in below that. That project is being put in the 2022 budget but, if the funds are available we might be able to move forward with that project. Mazur continued I would suggest that the remainder of this go towards the State Route 110 waterline project. If any of this in the total package comes in lower for whatever reason, we can always reallocate those funds to something else ie. revenue replacement needed in the Water Fund or something. That is the list of prioritizing spending for the first tranche of funds that's being recommended at this time. I think this is in the quarterly budget adjustment so, if there is a way we could write it in to be appropriated for these specific items and we can move forward with them, that would be appreciated. Garringer stated if I could add too, that \$57,000 for the General Fund is just for this year. If you go to that spreadsheet,

we're able to continue to calculate this if we are eligible. As 2021 wraps up, we can tell you when the next round would be. If we have revenue loss there's a percentage built in for that for growth. Then, we could capture that not only for 2021 but 2022 and 2023. Mazur noted if that's okay with Council, I will make sure that this is in everybody's packet for the next council meeting.

Set Date for Annual Budget Review

Bialorucki said a couple of different options have been suggested. Thursday, November 11th is a Federal Holiday and it might be a little bit easier for some Councilmembers to not have to take a vacation or personal day. We can come back and finish on Saturday morning to split up the days. The dates set for the review of the 2022 budget were Thursday, November 11, 2021 and Saturday, November 13, 2021 starting at 8:00 am on both days.

Accept Donations to Police Department, \$100 from Charles and Truus Leader & \$25 Anonymous Donation

Chief Mack reported we received these over the last couple weeks from residents that were happy with the services they received at some point and time.

Motion: Comadoll Second: Haase to accept the donations to the Napoleon Police Department

Roll call vote on the above motion: Yea-Knepley, Durham, Haase, Baer, Bialorucki, Siclair, Comadoll Nay-Yea-7, Nay-0. Motion Passed.

Review Council Rules

Bialorucki explained I had this added to the agenda for a couple of different reasons. I thought it might be a good time for all of us to look at our rules and if there's something in here that may have been in there for 40 years and doesn't make sense anymore or there are adjustments with a lot of things being adjusted because of COVID. I would like to keep this on one more meeting to give everybody opportunity to read the rules. If we have nothing we need to change, that's fine. Harmon noted in 2017 the Ad-hoc Committee was formed and a full review of the rules was taken at that time and some amendments were made in 2017. Not discouraging anything going forward, just saying we did spend a decent amount of time going over the rules four years ago. Mazur had one item regarding executive session. What is the right motion to go into executive session and what are the stipulations that you can go into executive session for. Maybe even shoring up and making sure that when we go into executive session that the topics are appropriate. It always helps to ask your Law Director ahead of time so that he can make sure that it is appropriate too. Then, making sure whatever goes on in executive session stays in executive session as appropriate. One of those constant reminders. Bialorucki said you mentioned before the Robert's Rules a little bit. Do you want to bring up your thoughts on that or give us some insight? Mazur said I actually think it's in the Charter that it reads meetings should follow Robert's Rules of Order. Harmon pointed out if there is nothing specific in our rules, then the Robert's Rules are sort of a backstop for that. I actually had to go to those to see how this reconsideration might come back as it was not spelled out in our rules. In reading Robert's Rules it came back as if that previous vote had never happened and that's why it came back as a third read. Our rules do state that Robert's Rules are to supplement. If the our rule covers it, we follow our rules and if it's not addressed in our rules, then we would look to Robert's Rules or Order.

AROUND THE TABLE

Garringer – no items

Durham - What an awesome award presentation that was at the beginning of the meeting. Another thanks to Toby and Nick.

Haase - the whole city looks brighter with all the stripes nice and neat on the streets again. It always makes it look a little cleaner.

Baer - said I informed the council president last week, after I had a conversation with Jennifer at the CIC, that I do not want to continue in my seat on the CIC as a Council Representative. After six years in that spot, it's time for someone else to represent Council. Jennifer did talk me into staying because she wants me on the workforce committee but, I am not the Council Representative after December 31, 2021. Bialorucki said if anybody is interested in that position, to let him know and we can discuss it when we need to make that appointment.

Maassel – Is there any harm putting some "No Littering" signs around the truck stop? I know there's some issues out in that area, is that possible? Mazur said they will look into it. Maassel –. Like people said previously, it is pretty special when first responders get recognized in a good way. Congratulations! Chief, you talked about all the training your guys do day in and day out and I know that it showed on that day and Chief Mack training your people all the time and they respond. It was just a great team effort and really appreciate everything everyone does.

Siclair - Congratulations Chief and thanks to the whole department and to Nick and Toby. That was really a touching presentation and a proud moment. Thank-you for that. Thank-you Dan for your representation too and thank-you for continuing to be on the workforce committee because I think you are a great contact and connection there through the schools. I don't want to complain but, Chief Mack maybe you've heard. I was sitting in the back room of my house it was probably around one o'clock and clearly heard a rooster crowing somewhere in my neighborhood. I don't know where and don't know if you've had any complaints about it but, I'm not complaining but it would have been more helpful maybe at 6am. Thank-you to Lanie and the others in the City that organized the golf outing for staff this past week and for allowing some of us to participate. That was a great time and good food except for one, everybody knows which one.

Comadoll – we have an issue at Kidz Kingdom bathroom. Last week it was graffitied. It is probably done at night. I think we need to lock the bathrooms like we do at Oakwood. There is no reason for people to be in there after dark. Maassel asked what time do you unlock them then? Some homeless kids use that to get themselves ready for school. That is why there are no locks on those doors. Just to give you a background there was an agreement between Ken Hawley who was the Superintendent and Jon Bisher because you have some homeless kids that need a place to freshen up before they go to school. That is why they took the locks off. Mazur's thought was maybe locking isn't the solution. We have other things we are looking at too for security around the pool. Maybe adding a camera on the back end of the pump house because we do get a lot of vandalism in that bathroom. That is the third time this year whether it's graffiti, a broken sink or something there's always something happening and that particular bathroom seems to be a magnet for vandalism. Chief Mack- I know there was some feedback a week or so ago from a security standpoint when the pool facilities aren't used and being able to actually see in those areas. Until you drive around at night, you don't realize how many shadows there are and lighting would be a big deal. A big part of security is to be able to see what's going on around those facilities. That is a very dark area and there are a lot of shadows in that area. Bialorucki said I noticed there are a lot more people using the basketball area which is awesome to see and there are a lot of times I am walking and it is a little bit dark and there's still kids out there playing. This time of year it's getting dark so early. Can we possibly change the park times in certain areas where maybe we have more lighting at the basketball area and they go off at a certain time no matter what time of year if it's 10:00 o'clock or something instead of deterring those kids from playing basketball. It's only 7:15 pm and getting dark, where are they going to go now? We should have more lighting around there and maybe some cameras and put signs up about keeping our parks clean. Can we make our own times in our own parks for that? Mazur said I think the only one State owned might be Meyerholtz because we acquired that through ODNR and there's some type of an agreement but that would be the only one I can think of that would have a restriction. Bialorucki asked Chief Mack do you see an issue with expanding that when it's dark out? Chief Mack – for that one specifically no. In fact, living down in that neighborhood I agree. I go through that area a lot and almost every time I am driving by there are kids that are throwing the basketball around or just hanging out in that area so that is definitely the one that gets used well into 9:00 or 10:00 o'clock which is after dusk. The biggest thing for us in my view on a lot of stuff is, how do I

prevent it? So, lighting those type of things helps me prevent it because it allows me to see things. As Mazur indicated there are some things that we have discussed through the whole project as far as enhancements with security. Those are things that help me prevent it versus respond to the graffiti and just painting over it and wait for the next time until it happens. It will continue to happen but we are trying to deter so it's not happening every other weekend. Our parks people have better things to do and we certainly have better ways to spend our funds.

Comadoll continued – I live on Becklee now and asked the neighbors out there does the 24 noise affect them? They said a few years ago there was a petition taken out there to have somebody do a barrier said that nothing was ever done with it who do we? Lulfs responded I addressed that with ODOT. We did something with it. ODOT's response was that the highway was there first and because the highway was there first it would be the subdivision's responsibility to put the wall up. ODOT put the wall up at where North Harmony is because that development was there before St. Rt. 24 got put there. When I asked them about the Becklee Subdivision, they said they won't contribute to it because they were there first and the subdivision came after. So, we looked into it. I don't remember which resident I spoke with but that might have been ten years ago.

Knepley - Wonderful awards ceremony. Congratulations, that's great!

Harmon – no items.

Mazur – no items.

Bialorucki – About the award presentation you obviously have to be very proud of your guys and I'm sure anybody else that was on that call would have done the same thing. I thought it was a huge award for the City of Napoleon. Then on top of that having a person that is on Life Flight and seeing these horrible things and to see that guy get choked up because of how well Napoleon responded was better than the award itself. That was amazing for me to see somebody that saves lives every day and for what your guys did and how he feels about Napoleon is awesome. Lanie, good job putting the golf outing together. A lot of fun except for the one hot chili that I almost had to call the Fire Department.

ORDINANCE NO. 042-21

AN ORDINANCE SUPPLEMENTING THE ANNUAL APPROPRIATION MEASURE (SUPPLEMENT NO. 5) FOR THE YEAR 2021; AND DECLARING AN EMERGENCY

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, the annual appropriation measure passed in Ordinance No. 064-20 for the fiscal year ending December 31, 2021 shall be supplemented (Supplement No. 5) as provided in Exhibit "A" (one page), attached hereto and made a part hereof.

Section 2. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Ordinance were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of the City of Napoleon, Ohio.

Section 3. That, if any other prior Ordinance or Resolution is found to be in conflict with this Ordinance, then the provisions of this Ordinance shall prevail. Further, if any portion of this Ordinance is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof.

Section 4. That, this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time because this Ordinance provides for appropriations for the current expenses of the City which are related to public peace, health or safety; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to be in effect at the earliest possible time to allow for proper payment of current expenses, and for further reasons as stated in the Preamble hereof.

ORDINANCE NO. 039-21

AN ORDINANCE AMENDING CHAPTER 913 OF THE CITY OF NAPOLEON CODIFIED ORDINANCES, "CONSTRUCTION AND REPAIR OF SIDEWALKS, DRIVEWAYS AND ABUTTING IMPROVEMENTS" SPECIFICALLY BY AMENDING SECTION 913.02, REGARDING CONTRIBUTION OF COSTS BY CITY; REPEALING A CERTAIN SECTION OF ORDINANCE NO. 111-02; AND DECLARING AN EMERGENCY

WHEREAS, the Municipal Properties, Buildings, Land Use and Economic Development Committee met in a regular meeting on September 13, 2021, and reviewed proposed changes to Chapter 913, Section 913.02 of the City of Napoleon, Ohio Codified Ordinances regarding the payment of costs arising from reconstruction and repair of sidewalks, driveway aprons and abutting improvements thereto; and,

WHEREAS, the Municipal Properties, Buildings, Land Use and Economic Development Committee recommended that the amount currently being paid by the City of Napoleon for the Curb and Sidewalk Replacement Program be increased, capping the budgeted amount at twenty-five thousand dollars (\$25,000.00); Now Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, Chapter 913, Section 913.02 of the Codified Ordinances of the City of Napoleon, Ohio shall be hereby amended and enacted as follows:

"913.02 Payment of Costs Arising from Reconstruction and Repair.

(a) The City may participate in the payment of costs for or arising from the voluntary reconstruction, repair or replacement of sidewalks, driveway aprons and abutting improvements thereto, which are situated in the City and within the public right-of-way, by paying a portion of the costs of the sidewalk and abutting improvements in the amounts contained in this paragraph, but only if such work and such costs are first approved in writing by the City Engineer and sufficient funds therefor have been appropriated by the City. Nothing contained herein shall prohibit any person from paying all or any portion of such costs that the City might otherwise pay pursuant to this division.

- (1) \$20.00 \$40.00 per linear foot for curb and/or gutter.
- (2) 100% drainage structure.
- (3) 0% driveway apron.
- (4) 100% of curb and/or gutter and sidewalk within the street intersection

radius.

(5) \$1.50 \$3.00 per square foot of sidewalk.

(b) The property owner shall bear the entire cost of sidewalks that have never been constructed, except where otherwise prohibited by law; moreover, the property owner shall bear the entire costs for any extensions of sidewalks, driveway aprons, abutting improvements. (c) To the extent required by law, all such participation by the City in the payment of such costs shall be in compliance with the prevailing wage laws of the State, as the same may be amended from time to time. For any project involving the reconstruction, replacement or repair of sidewalks, driveway aprons, and/or abutting improvements where the City contributes to the costs, competitive bidding is eliminated in the best interest of the City without further necessity of legislation of Council."

Section 2. That, Section 913.02 of Chapter 913 of the Codified Ordinances of the City of Napoleon, Ohio, as existed prior to the enactment of this Ordinance is repealed upon the effective date of this Ordinance.

Section 3. That, all other Sections of Chapter 913 of the Codified Ordinances of the City of Napoleon, Ohio, as existed prior to the enactment of this Ordinance shall remain in full force and effect.

Section 4. That, Section 2 of Ordinance No. 111-02, as existed prior to the enactment of this Ordinance is repealed upon the effective date of this Ordinance.

Section 5. That, all other Sections of Ordinance No. 111-02 as existed prior to the enactment of this Ordinance shall remain in full force and effect.

Section 6. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of Napoleon Ohio.

Section 7. That, if any other prior Ordinance or Resolution is found to be in conflict with this Ordinance, then the provisions of this Ordinance shall prevail. Further, if any portion of this Ordinance is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Resolution or any part thereof.

Section 8. That, this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to effectuate the stated process in a timely manner which affects the public peace, health, and safety accessible to our citizens, and for further reasons as stated in the Preamble hereof.

for further reasons as stated in the Preamble hereof.

(d) Signals: Signals shall be at locations below described. The City Manager shall determine the sequencing of signals and may authorize night time flashing of signals and use of turn arrows.

Location	Description

Perry St., S. (St. Rt. 108 at Rohrs St.)	This two (2) phased signal generally "stands on green" for South Perry St The Rohrs St. signal is actuated by loop detectors beneath the pavement.
Appian Ave. at Maumee Ave., E. (St. Rt. 110)	This three (3) phase signal controls a three-way intersection with Appian Ave. dead-ending into East Maumee Ave., actuated by loop detectors. The signal generally "stands on green" for through traffic on East Maumee Ave.
Maumee Ave. (St. Rt. 110) at Perry St., S. (St. Rt. 108)	This five (5) phase signal controls a four (4) way intersection actuated by loop detectors. Signal generally "stands on green" for through traffic on South Perry St. An all red phase added to provide for pedestrian traffic.
Perry St., N. at Front St., E. & W.	This two (2) phase signal generally "stands on green" for Perry St. The Front St. signal is actuated by loop detectors.
Perry St., N. (St. Rt. 108) at Riverview Ave. (St. Rt. 424)	This eight (8) phase, fully actuated signal controls a four-way intersection activated by loop detectors. Loop detectors are not provided for the North Perry St., through lanes. The signal generally "stands on green" for through traffic on North Perry St.
Perry St., N. (St. Rt. 108) at Washington St.	This three (3) phase signal controls a four-way intersection actuated by loop detectors which generally "stands on green" for through traffic on North Perry St.
Perry St., N. (St. Rt. 108) at Clinton St.	This three (3) phase signal controls a four-way intersection which is actuated by timed sequencing.
Clinton St. (St. Rt. 108) at Scott St. and Woodlawn Ave.	This four (4) phase signal controls a five-way intersection actuated by loop detectors.
Scott St. at Washington St.	This two (2) phase signal is actuated by timed sequencing to cycle through the intersection.
Scott St. (St. Rt. 108) at Lagrange St.	This three (3) phase signal controls a four (4) way intersection actuated by loop detectors. Signal generally "stands on green" for North Scott St.
Scott St. (St. Rt. 108) at Southern Entrance to Heritage Plaza	This three (3) phase signal controls a four (4) way intersection actuated by loop detectors. Signal generally "stands on green" for through traffic on North Scott St.
Woodlawn Ave. at Clairmont Ave.	This two (2) phase signal generally "stands on green" for Woodlawn Ave. The Clairmont Ave. signal is actuated by loop detectors.
Industrial Drive at Independence Drive	This two (2) phase signal is actuated by timed sequencing to cycle through the intersection.
Industrial Drive at Ramps "A" and "D"	This three (3) phase signal controls a 3-way intersection at Ramps "A" and "D" of the Industrial Drive Interchange. Loop detectors are provided on Ramp "A" for both left and right-through lanes. The signal generally "stands on green" for through traffic on Industrial Drive.

(e) Alleys:

All alleys shall be considered the yield street at all crossings with streets.

RESOLUTION NO. 036-21

A RESOLUTION APPROVING THE ADDITION OF A FIFTY DOLLAR (\$50.00) SURCHARGE TO CITY OF NAPOLEON, OHIO EMPLOYEE HEALTH INSURANCE PREMIUMS FOR THE YEARS 2022, 2023, AND 2024, AMENDING RESOLUTION NO. 033-20; AND DECLARING AN EMERGENCY

WHEREAS, Section 197.15 (a) (2) of the Codified Ordinances (Personnel Code) provides that: Subject to reasonable cost containment measures, the City provides group hospitalization, surgical, and extended medical benefits for each full-time regular employee in accordance with the benefit schedule provided in the City's plan as on file in the office of the City Finance Director marked "City of Napoleon Health Benefit Plan (#HBP-1)" and as may be amended from time to time by Resolution of Council. The City of Napoleon Health Benefit Plan (#HBP-1) shall include covered services, co-pays, and premium contribution; and,

WHEREAS, the Health Care Cost Committee met on August 20, 2021 and has recommended to City Council to approve a surcharge to City of Napoleon employees' health insurance premiums as follows: to add a fifty dollar (\$50.00) monthly surcharge to employees' health insurance premiums starting January 1, 2022 to employees that do not complete a wellness check, and also to employees' health insurance premiums whose spouse does not complete a wellness check as appropriate, by a licensed physician prior to June 30, 2021. Further, employees and spouses that complete the wellness check during the dates of August 1, 2020 through June 30, 2021 and turn in the Preventative Care Physician form by June 30, 2021, will not be assessed a surcharge to the employee's insurance premium. New employees will be afforded an opportunity to get a wellness check in their first year prior to being assessed a surcharge; and,

WHEREAS, the Health Care Cost Committee has also recommended to City Council that, the aforementioned fifty dollar (\$50.00) monthly surcharge be approved for the years 2023 and 2024, when the employee and the employee's spouse as appropriate do not complete an annual wellness check by a date certain which shall be specified for each year; and,

WHEREAS, the Health Care Cost Committee has also recommended to City Council that, beginning January 1, 2022, the City of Napoleon shall follow BORMA's 2022 Wellness Campaign, also recommending to extend the BORMA Wellness Campaign through the years 2023 and 2024; and,

WHEREAS, there was no recommendation to change the health plan in the year 2022 regarding current plans, voluntary plans, and out-of-pocket in network deductible; Now Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, upon recommendation of the Health Care Cost Committee, in the year 2021 and for the years 2022, 2023, and 2024, this Council approves amending Resolution No. 033-20, approving a fifty dollar (\$50.00) monthly surcharge to employees' health insurance premiums starting January 1, 2022 to employees that do not

complete a wellness check and also to employees' health insurance premiums whose spouse does not complete a wellness check as appropriate, by a licensed physician prior to June 30, 2021. Further, employees and spouses that complete the wellness check during the dates of August 1, 2020 through June 30, 2021 and turn in the Preventative Care Physician form by June 30, 2021, will not be assessed a surcharge to the employee's insurance premium. New employees will be afforded an opportunity to get a wellness check in their first year prior to getting assessed a surcharge.

Section 2. That, upon recommendation of the Health Care Cost Committee, in the year 2021 and for the years 2022, 2023, and 2024, this Council approves amending Resolution No. 033-20, approving a fifty dollar (\$50.00) monthly surcharge to employees' health insurance premiums starting January 1, 2023 to employees that do not complete a wellness check and also to employees' health insurance premiums whose spouse does not complete a wellness check as appropriate, by a licensed physician prior to June 30, 2021. Further, employees and spouses that complete the wellness check during the dates of August 1, 2021 through June 30, 2022 and turn in the Preventative Care Physician form by June 30, 2022, will not be assessed a surcharge to the employee's insurance premium. New employees will be afforded an opportunity to get a wellness check in their first year prior to getting assessed a surcharge.

Section 3. That, upon recommendation of the Health Care Cost Committee, in the year 2021 and for the years 2022, 2023, and 2024, this Council approves amending Resolution No. 033-20, approving a fifty dollar (\$50.00) monthly surcharge to employees' health insurance premiums starting January 1, 2024 to employees that do not complete a wellness check and also to employees' health insurance premiums whose spouse does not complete a wellness check as appropriate, by a licensed physician prior to a date certain to be determined. Further, employees and spouses that complete the wellness check during the dates recommended by the Health Care Cost Committee and approved by this Council, and turn in the Preventative Care Physician form by a date certain, will not be assessed a surcharge to the employee's insurance premium. New employees will be afforded an opportunity to get a wellness check in their first year prior to getting assessed a surcharge.

Section 4. That, also upon recommendation of the Health Care Cost Committee, in the year 2021 and for the years 2022, 2023, and 2024, this Council approves following BORMA's wellness campaigns.

Section 5. That, all provisions of the BORMA Benefit Plan shall remain in full force and effect, including current plans, voluntary plans, and out-of-pocket in network deductible.

Section 6. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of Napoleon Ohio.

Section 7. That, if any other prior Ordinance or Resolution is found to be in conflict with this Resolution, then the provisions of this Resolution shall prevail. Further, if any portion of this Resolution is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Resolution or any part thereof.

Section 8. That, this Resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to effectuate the stated surcharge in a timely manner which affects the public peace, health, and safety accessible to our citizens, and for further reasons as stated in the Preamble hereof.

Passed:	
	Joseph D. Bialorucki, Council President
Approved:	
	Jason P. Maassel, Mayor
VOTE ON PASSAGE Yea	Nay Abstain

Attest:

Roxanne Dietrich, Clerk of Council

I, Roxanne Dietrich, Clerk of Council for the City of Napoleon, do hereby certify that the foregoing Resolution No. 036-21 was duly published in the Northwest Signal, a newspaper of general circulation in said City, on the _____ day of _____, 2021; & I further certify the compliance with rules established in Chapter 103 of the Codified Ordinances of Napoleon Ohio and the laws of the State of Ohio pertaining to Public Meetings.

Roxanne Dietrich, Clerk of Council

RESOLUTION NO. 037-21

A RESOLUTION AUTHORIZING A COMMUNITY REINVESTMENT AREA (CRA) AGREEMENT WITH KELLER LOGISTICS, INC. WITHIN NAPOLEON CRA #7; AND DECLARING AN EMERGENCY

WHEREAS, the Ohio Reinvestment Area Program, pursuant to Ohio Revised Code Chapter 3735, authorizes the City to grant real property tax exemptions on eligible new investments; and,

WHEREAS, the City by Resolution 114-01 adopted on October 1, 2001 that designated an area (CRA 7) as a Community Reinvestment Area pursuant to Ohio Revised Code Chapter 3735 and, with the adoption of Resolution No. 65-02 adopted June 17, 2002 enlarged the area; and,

WHEREAS, the Director of Development determined that the area so designated by the City contained the characteristics set forth in Ohio Revised Code Section 3735.66; and,

WHEREAS, the Director of Development certified the area as a community reinvestment area known as Zone No. 069-53550-02 (the "Area"); and,

WHEREAS, Keller Logistics, Inc. made application that will involve a total capital investment in real property currently estimated at \$6,500,000.00, plus or minus ten percent (10%), in development and construction of a light industrial building, approximate size being 100,000 square feet (total), and appurtenances at the site located on parcel number 28-0700780200, Independence Drive, Napoleon, Ohio; and,

WHEREAS, it was recommended by the Director of the County Community Improvement Corporation of Henry County, Ohio, contracted administrator of the CRA's for the City, that Keller Logistics, Inc. receive a one hundred percent (100%) abatement for ten (10) years on the proposed real property improvements; and,

WHEREAS, the appropriate school(s) were provided with all legally-required notices; and,

WHEREAS, the Napoleon Area City School District Board of Education, either waived the timeliness of the notice requirement(s) and approved the proposed agreement or, timely received the notice(s) and made approval; **Now Therefore**,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, the City approves and consents to a certain Community Reinvestment Area Agreement with Keller Logistics, Inc., in substantially the form as being currently on file with the City Finance Director, Agreement No. 2021-17, subject to any changes deemed appropriate by the City Manager and approved as to form and correctness by the City Law Director; said agreement having been reviewed by this Council.

Section 2. That, the City Manager is both authorized and directed to execute the Community Reinvestment Area Agreement as referred to in Section 1 of this Resolution in the name of and on behalf of the City.

Section 3. It is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that

resulted in such formal actions were in compliance with all legal requirements, including Ohio Revised Code Section 121.22 and the Codified Ordinances of the City of Napoleon, Ohio.

Section 4. That, if any prior Ordinance or Resolution is found to be in conflict with this Resolution, then the provisions of this Resolution shall prevail. Further, if any portion of this Resolution is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Resolution or any part thereof.

Section 5. That, this Resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time to expeditiously proceed with this development project for the economic welfare of the inhabitants of the City; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect a the earliest time permitted by law. Further, the Emergency Clause is necessary to begin the construction process in a timely manner, and for further reasons as stated in the Preamble hereof.

I, Roxanne Dietrich, Clerk of Council for the City of Napoleon, do hereby certify that the foregoing Resolution No. 037-21 was duly published in the Northwest Signal, a newspaper of general circulation in said City, on the _____ day of _____, 2021; and I further certify the compliance with the rules established in Chapter 103 of the Codified Ordinances of Napoleon, Ohio and the laws of the State of Ohio pertaining to Public Meetings.

Roxanne Dietrich, Clerk of Council

RESOLUTION NO. 038-21

A RESOLUTION AUTHORIZING THE EXPENDITURE OF FUNDS OVER TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00) FOR THE IMPLEMENTATION OF AN UPGRADE OF THE WASH WATER BASIN CONTROLS, WHICH WAS NOT INCLUDED IN THE 2021 MASTER BID RESOLUTION, FOR THE CITY OF NAPOLEON, OHIO WATER AND WASTEWATER TREATMENT PLANTS, AND TO SOLE SOURCE SAID IMPLEMENTATION TO KOESTER CORP.; AND DECLARING AN EMERGENCY

WHEREAS, the City of Napoleon, Ohio Water and Wastewater Treatment Plants' current wash water basin controls are in need of upgrading; and,

WHEREAS, the wash water basin controls are very specialized and there are very few providers of such controls; and,

WHEREAS, a review of the limited providers revealed that Koester Corp. could provide the needed upgrades and support to the software and hardware that could integrate with the City of Napoleon's other systems and functions; and,

WHEREAS, Koester Corp. was not included in the 2021 Master Bid Resolution (Resolution No. 062-20) for Engineering Services; and,

WHEREAS, the cost to implement the wash water basin control updates exceeds twenty-five thousand dollars (\$25,000.00); and,

WHEREAS, the City of Napoleon desires to sole source this project to Koester Corp. due to Koester's intimate knowledge of the City's current systems, (Koester has been involved in the City's SCADA implementation in the Water Treatment Plant and Wastewater Treatment Plant for the existing program), as well as Koester Corp. being the only local company having the necessary, specialized support for equipment and software, which may expedite the project; therefore, it is the opinion of this Council that it is in the best interest of the City of Napoleon to eliminate the necessity for competitive bidding; Now Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, the City of Napoleon authorizes the expenditure of funds in excess of twenty-five thousand dollars (\$25,000.00) for the update of the wash water basin controls at the Water and Wastewater Treatment Plants. Also, Council finds it to be in the best interest of the City to eliminate the necessity for competitive bidding.

Section 2. That, the City Manager is authorized to enter into a contract with Koester Corp. to conduct the update.

Section 3. That, it is found and determined that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of Napoleon Ohio.

Section 4. That, if any other prior Ordinance or Resolution is found to be in conflict with this Resolution, then the provisions of this Resolution shall prevail. Further,

if any portion of this Resolution is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Resolution or any part thereof.

Section 5. That, this Resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time so that the update can be timely made which affect the public peace, health or safety accessible to our citizens; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to implement the stated upgrade in a timely manner which affects the public peace, health, and safety accessible to our citizens, and for further reasons as stated in the Preamble hereof.

Memorandum

To:	Joel L. Mazur, City Manager
From:	Chad E. Lulfs, P.E., P.S., Director of Public Works
cc:	City Council & Mayor
	Kevin Garringer, City Finance Director
	Roxanne Dietrich, Clerk of Council
Date:	October 13, 2021
Subject:	Love's (American Road Improvements) ~ Change
-	Order No. 6 – Final

With the project coming to a close, the final quantities have been tabulated for the above referenced project. The final quantity adjustments have been calculated and the total Final Change Order amount is \$67,599.12. Although this cost is the responsibility of Love's, the project was run through the City. In order not to raise any questions, we are bringing Change Order No. 6 – Final to City Council for approval. I request Council's approval of Change Order No. 6 – Final to allow us to close the project.

RESOLUTION NO. 072-20

A RESOLUTION EXTENDING THE PROVISIONS CONTAINED IN ORDINANCE NO. 021-18 AND RESOLUTION NO. 086-19, WHEREIN COUNCIL IMPOSED A TEMPORARY REDUCTION AND/OR TEMPORARY ELIMINATION OF CERTAIN RESIDENTIAL BUILDING PERMIT FEES; AND DECLARING AN EMERGENCY

WHEREAS, the City of Napoleon Municipal Properties, Buildings, Land Use and Economic Development Committee met on March 12, 2018 and, in order to increase economic development within the City, determined it appropriate to temporarily waive and/or reduce certain City fees for new construction of residences commencing July 1, 2018 and continuing through December 31, 2019; and,

WHEREAS, upon recommendation of the City Municipal Properties, Buildings, Land Use and Economic Development Committee, Council deemed it prudent to temporarily waive and/or reduce certain City fees for new construction of residences commencing July 1, 2018 and ending December 31, 2019; and,

WHEREAS, City Council previously enacted a twelve (12) month extension to the previously passed Ordinance in Resolution No. 086-19, passed unanimously on December 16, 2019, in an effort to continue the trend of increased economic development within the City, ending December 31, 2020; and,

WHEREAS, City Council now deems it appropriate to enact another twelve (12) month extension to the previously passed Ordinance and Resolution, ending December 31, 2021; and,

WHEREAS, in that it is deemed necessary in order to provide for the immediate preservation of the public peace, property, health, and safety of the City of Napoleon, Ohio, and its citizens, and to provide for the efficient daily operation of all City Departments, City Council finds that an emergency exists regarding the aforesaid, and that it is advisable that this Resolution be declared an emergency measure which will take immediate effect in accordance with Rule 6.3 of the Rules and Regulations of City Council, City of Napoleon, Ohio, upon its adoption; Now Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That this Council hereby extends by twelve (12) months the provisions contained in Ordinance No. 021-18 and Resolution No. 086-19, wherein Council previously imposed a temporary reduction and/or temporary elimination of certain residential building permit fees.

Section 2. That, this extension shall become effective December 31, 2020 shall remain in effect for twelve (12) months, through December 31, 2021, and, thereafter, upon a majority vote of City Council, may be continued in effect, if City Council finds such continuance is conducive to the trend of increasing economic development in the City and to allow sufficient time for the Municpal Properties, Buildings, Land Use and Economic Development Committee or other City departments, committees, or commissions to complete the research and recommendation of what action, if any, the City of Napoleon should take to safeguard the public health, safety and welfare through the provision of waiving said building fees to increase economic development within the City.

Section 3. This City Council finds and determines that all formal actions of this City Council concerning and relating to the adoption of this Resolution were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of Napoleon, Ohio.

Section 4. That, for all the reasons stated herein, this Resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health or safety of the City and its inhabitants; therefore, provided it receives the required number of votes for passage as emergency legislation, it shall be in full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law. Further, the Emergency Clause is necessary to enter into the stated extension in a timely manner which affects the public peace, health, and safety accessible to our citizens, and for further reasons as stated in the Preamble hereof.

Passed: January 4. Joseph D. Bialorucki, Council President Approved: Annu Jason P. Maassel, Mayor

RULE 1 MEETINGS, PLACE, TIME OF CONVEYING, QUORUM, ORDER OF BUSINESS

Rule 1.1Place of Meetings

All meetings of the council shall be held in the place designated as council chamber in the city municipal building, unless otherwise ordered by the council.

Rule 1.2 Public Meetings

Except as provided by charter, ordinance, resolution, rule or statute, all meetings of the council or committees thereof shall be public, and, upon request of any citizen desiring to be heard on any matter then under consideration by the council, the council may hear the citizen or, on motion, send it to a committee and hear such citizen at such time and for such period as council or the committee may determine. Persons desiring to be heard by any committee of council on any matter then under consideration may by consent of such committee be given an opportunity to be heard thereon. All public comments, whether at council or at committee chairperson grants an extension. Each extension shall be for an additional five (5) minutes, unless council president or committee chairperson states at the time of granting the extension any other increment. All minutes and the record of the council shall be open to the public at all reasonable times.

Rule 1.3 Regular Meetings

The council of the city shall hold regular meetings at 7:00 p.m. on the first and third Monday of each calendar month at the municipal building. However, if the first or third Monday shall be an observed city holiday, the council shall meet on the following day.

Rule 1.4 Special Meetings

Special meetings may be called by a vote of council taken at any meeting thereof, or by the clerk of council upon written request of the council president, the mayor or any three (3) council members. Any such request shall state the time, place, date and purpose of the meeting. Notice in writing of each special meeting called, except by approved motion of council, shall be given to each council member and the mayor not less than twenty-four (24) hours prior to the meeting by serving the same to each of them personally, by leaving a copy thereof at his or her usual place of residence, or by electronic mail or by facsimile transmission when the council member or mayor authorizes electronic or facsimile notice. Service of notice may be waived in writing and shall be deemed conclusively to be waived by attendance at the special meeting. If the mayor or any council member is absent, notice in writing of the special meeting and the results thereof shall be given promptly after such meeting to each absentee in the manner hereinbefore provided. Public notice of each special meeting shall be given pursuant to Chapter 103 of the Codified Ordinances.

Rule 1.5Emergency Meetings

Emergency meetings may be called when a situation or situations requires immediate official action as determined in the sole and final judgment of the person or persons authorized above to call a special meeting. An emergency meeting shall be considered a "special meeting" of an emergency nature. For such meeting, any notice requirement as required for a special meeting shall be an immediate notice.

Rule 1.6 Adjournment

Any regular or special meeting of council may be reconvened after adjournment or recess to another time, date or place without giving additional notice, so long as the time, date or place is announced at the meeting prior to adjournment or recess.

Rule 1.7 Quorum

A majority of the current members of council shall constitute a quorum for the transaction of business at any council meeting, but a number less than a quorum may adjourn a meeting and compel the attendance of absent members in such manner and under such penalties as council may provide.

Rule 1.8 Order Of Business

Rule 1.8.1 The Clerk

The clerk shall note the attendance of the council members, the mayor and administrative staff at the call of the meeting.

- Rule 1.8.2 Prayer
- Rule 1.8.3 Pledge of Allegiance
- Rule 1.8.4 Minutes

(In the absence of any objections or corrections, minutes shall stand approved, see rule 2.1)

- Rule 1.8.5 Citizen Communication
- Rule 1.8.6 Report from Committees
- Rule 1.8.7 Second Reading Of Ordinances And Resolutions
- Rule 1.8.8 Third Reading Of Ordinances And Resolutions
- Rule 1.8.9 Any Other Business As May Properly Come Before Council (Pay Bills), (Miscellaneous), Action/Discussion, Etc.
- Rule 1.8.10 Adjournment
- Rule 1.8.11 Introduction Of Items By The Presiding Officer

The presiding officer may, without objection, permit a member to introduce an ordinance, resolution, or motion out of the regular order or rearrange the agenda.

Rule 1.8.12 Payment Of Bills

The city bills shall stand approved unless a bill or bills are otherwise disapproved by motion of council. The city finance director, in director's sole discretion, may pay bills prior to approval when deemed necessary. This rule is not to be construed in any way to limit council's authority to review bills.

Rule 1.9 Council Agenda

Clerk shall set the council agenda with approval of the council president. Failure of the council president to approve within twenty-four (24) hours of the clerk sending the agenda constitutes approval. It shall be the duty of the clerk to have set aside conspicuously in the city record a portion to be entitled the "agenda". Under this title the clerk shall arrange and have printed in consecutive order by title ordinances and resolutions that are on for passage at the next meeting of council. When action upon any measure appearing upon the agenda is postponed to a day certain, such measure shall be considered on said day to which postponed whether or not it appears on the agenda of said day. The mayor or three (3) council members may add items to the agenda.

Rule 1.10 Agenda for the Organizational Meeting

In addition to the normal agenda the agenda for the organizational meeting shall include, in this order:

- 1. Call to Order by Clerk of Council.
- 2. Prayer and Pledge of Allegiance.
- 3. Swearing in (Oath of Office) of Mayor and Council Members Elect.
- 4. Election of President of Council.
- 5. Election of President Pro-Tem of Council.
- 6. Seating Order of City Council.
- 7. Appointment of Standing Committees of Council.
- 8. Appointment of Personnel Committee.
- 9. Setting of Meeting Dates and Times for Regular Meetings of Council.
- 10. Setting of Meetings Dates and Times for Standing Committees of Council.
- 11. Appointment of Clerk of Council.

RULE 2 OFFICERS AND EMPLOYEES OF COUNCIL

Rule 2.1Presiding Officer

The president of council, and in the president's absence, the president of council pro-tem, shall preside over the meetings of the council until the president arrives. In the absence of both the president and president pro-tem the city clerk shall call the council to order; and if after the roll is noted and a quorum is present, the council shall choose one of its members as "presiding officer" who shall preside until the president or president pro-tem of council arrives. The president pro-tem or presiding officer shall discharge all the duties and be cloaked with all the powers of the president of council during, but not beyond, that specific meeting, except as provided in the city charter. (In no case shall the president pro-tem possess the power and authority of the mayor when the council president is in the dual capacity of acting mayor and council president.) The presiding officer shall sign all documents (i.e. resolutions and ordinances) as the presiding officer. Except as provided above, the presiding officer shall call all meetings of the council to order at the hour appointed and shall proceed with the order of business. In any case, if a quorum is present, the presiding officer shall give the members an opportunity for correcting the journal of the previous meeting as delivered. In the absence of any objections or corrections, the minutes shall stand approved. The presiding officer shall preserve order and decorum, prevent personal attacks or the impugning of members motives, confine members in debate to the question under discussion, and decide all points of order subject to an appeal to the council.

Rule 2.2 Votes Necessary for Election of Officers and Employees

Except as herein provided, no candidate for president or president pro-tem of council shall be declared elected unless the person shall have received a majority vote of all current members of council, and no person shall be employed by this council except pursuant to a majority vote of all current members of council. No vacancy that council is authorized to fill shall be filled except pursuant to majority vote of all current members of council when electing the president and/or present pro-tem as provided for in this Rule 2.2, the winner shall be decided by the flip of a coin, unless another method is approved by majority vote of all the current members of council.

Rule 2.3 Roll Call Votes

Upon the roll call for the election of president and president pro-tem of council, or employee of council, or for filling any vacancy in the membership of council, each member shall respond by stating the name of the candidate of their choice eligible for such office or appointment. Once a response is given by a member, a motion may be made for nomination for appointment or position. If the motion receives a second (2nd), said person shall become eligible for such office or position. A vote in the open shall be taken among all current members of council for filling such office or position. Rule 2.2 shall control in determining who is elected.

Rule 2.4 Protocol for Election of President and President Pro-Tem

In separate actions, the Clerk of Council shall request each member of Council for a name of a candidate for President of Council and a name of a candidate for President Pro-Tem of Council. This shall be asked by first in elected or appointed seniority order (Seniority Or der defined as the number of total consecutive years served on City Council from the latest appointment or election date with no break in service), and then alphabetically by last name order for those with equal number of years.

When requested by the Clerk of Council for a nomination for President or President Pro-Tem of Council, each Council Member may: 1) state a name 2) may state their own name 3) may pass if name has already been previously stated and a motion made. Once a name is stated a motion will be requested for the stated name. If a motion (1st) is made, a second (2nd) will be requested. If a second (2nd) is received, then that name will be eligible to be voted on. The Clerk of Council shall proceed to the next member of Council until all members have had their opportunity to state a candidate for President or President Pro-Tem of Council. Members of Council may nominate themselves for President or President Pro-Tem of Council. Once a given name is stated, and motion and second received, that given name does not need to be repeated by the next person in line.

A vote shall then be taken on each name given, starting with the first eligible name. Each Council Member will be asked to vote **Yes** or **No** on each name presented. The person receiving a clear majority of Yes votes shall be appointed to the office President or President Pro-Tem of Council. In the case of a tie vote on three (3) or more names, than a new vote shall be taken until one of those persons receives a clear majority vote. In the case of a tie vote on two (2) names only, the winner shall be decided by the flip of a coin, unless another method is approved by majority vote of all the current members of Council. Members of Council may Vote for themselves for President or President Pro-Tem of Council.

Rule 2.5Seating Order for Council

Seating Order shall be from President to President Pro-Tem to Seniority Order, as listed in the example below, unless modified by a majority vote of Council:

COUNCIL SEATING ORDER

Mayor	President
1st Senior	President Pro-Tem
3rd Senior	2nd Senior
5th Senior	4th Senior

A motion to approve to the Seating Order will be requested. If a motion (1st) is made, a second (2nd) will be requested. If a second (2nd) is received, then a vote will be taken to approve the Seating Order of Council. If a simple majority is received, then Seating Order of Council stands approved.

Rule 2.6City Clerk

The council shall establish a procedure to select a name for clerk of council. Once a name is selected, if a motion (1^{st}) is made, a second (2^{nd}) will be requested. If a second (2^{nd}) is received, then a vote will be taken to approve the clerk of council. If a simple majority is received, then the appointment of the clerk of council stands approved. Failure to get approval by city council would require the city council to submit a different name for appointment and vote. The clerk shall keep the record of the council, and he or she shall be the editor of the city record. He or she shall keep a proper file of all papers and documents that are a part of the transactions of the council, of meetings of committees, and all orders of the council, and shall make such records available to the public when required by law. He or she shall cause to be kept minutes of each meeting, which shall be kept in record form and made available for public inspection when required by law. The record of meetings shall be kept electronically or in the form of loose sheet records and need not be printed in the city record nor copied in any other book. The city record shall contain attendance of members at the meetings. In addition, the clerk shall report to council the absence of members from council meetings and shall perform such other and further duties as may from time to time by charter, ordinance, resolution, rule or statute be required of him or her. The city clerk, as editor of the city record, shall see that the following rules are observed in the preparation and introduction of ordinances and resolutions and in the editing and printing of the city record the clerk is cloaked with the power and authority to correct clearly typographical errors in all minutes, ordinances, resolutions, motions, or other measures, without prior or subsequent action of council.

Rule 2.6.1 Title of All Ordinance and Resolutions

The title of all ordinances and resolutions shall be confined to a brief statement of the subject matter of the bill and shall be printed in bold face type.

Rule 2.6.2 Preambles

Preambles or "whereas" in ordinances and resolutions shall be restricted to one paragraph, except where a "whereas" is an essential part of the ordinance or resolution.

Rule 2.6.3 Ordinances and Resolutions

Ordinances and resolutions shall, in their preparation, be divided into short sections, whenever practicable, in order to permit amendments being made without printing so much of the original ordinance or resolution.

Rule 2.6.4 The Minutes

The minutes, if any, proceedings and reports of any administrative boards or any committee, shall be prepared and kept in the clerk's office.

Rule 2.6.5 Cumulative Subject Index

Once each year the clerk shall prepare for distribution and print in the city record a cumulative subject index covering the ordinances and resolutions passed by council.

RULE 3 COMMITTEES

Rule 3.1 Standing Committees of Council

The following standing Committees of Council have been established by Charter:

- Rule 3.1.1 Finance and Budget
- Rule 3.1.2 Safety and Human Resources
- Rule 3.1.3 Electric
- Rule 3.1.4 Water, Sewer, Refuse, Recycling and Litter
- Rule 3.1.5 Parks and Recreation
- Rule 3.1.6 Technology and Communication
- Rule 3.1.7 Municipal Properties, Building, Land Use and Economic Development

Rule 3.1.8 The Appointment of Standing Committees

The council president shall select and appoint the standing committees, subject to approval of council. If council fails to act by January 31st next following the organizational meeting of council, the selections and appointments of the council president shall become effective. Prior to selection or appointment to the standing committees, the council president may allow in an open council meeting for members of council to request committee appointments, first being for the chair thereof. Requests made shall be in accordance with elected or appointed seniority on council (number of total consecutive years served on city council from the latest appointment or election date with no break in service, and then alphabetically by last name order for those with equal number of years). After chair requests are completed, the members in accordance with seniority shall be given the opportunity to select a non-chair position of the standing committees; thereafter, junior members in reverse order shall be allowed to request remaining open seats on the standing committees.

Once Committee members are selected, the President of Council should declare appointments made. A motion to approve to the Appointment of Standing Committees will be requested. If a motion (1^{st}) is made, a second (2^{nd}) will be requested. If a second (2^{nd}) is received, then a vote will be taken to approve the Appointment of Standing Committees. If a simple majority is received, then the Appointment of Standing Committees stands approved. Failure to get approval by City Council would require the procedure to be follow again until a simple majority vote of Council is received.

Each standing committee shall consist of three (3) council members. Each council member shall serve as chairperson of one (1) standing committee and shall serve on two (2) other standing committees. Each committee shall be governed by the rules and regulations of council. Each committee shall investigate and study matters referred to it for consideration and shall report its findings and recommendations to Council as a whole. The mayor shall serve as an ad hoc member of the finance and budget committee, and the municipal properties, buildings, land use and economic development committee, with full voting rights in both committees.

In the event there is a lack of a quorum at any standing committee meeting, the most senior member of council who is not a member of the committee present at the meeting may act and continue to act as a pro-tem standing committee member thereto, with full voting rights therein, until such regular standing committee member arrives.

Rule 3.2 Committee Meetings

A majority of the members of a committee shall constitute a quorum for the transaction of business. Council President, Clerk of council and Chairperson of standing committee shall set their respective regular monthly date and time of their standing committee. Once the regular monthly dates and times are set for the committee meetings, a motion may be made and a vote taken by council to approve and affirm the dates and times. The schedule shall be posted upon the bulletin board in the city's principal municipal building. Should the chairperson of a committee find it necessary to hold the meeting at another time or place, notice shall be provided pursuant to chapter 103 of the codified ordinances. All committee meetings shall be open, (except that, upon approved motion, an executive session may be entered into for a proper purpose) and committee report containing a record of the attendance of members of the committee and the action taken thereat shall be kept by the committee in a record provided for that purpose. Such record shall be kept on file with the clerk of council and open to public inspection as other public records. Absence of a member of a committee from three consecutive meetings, unless authorized by the chairman of the committee, may, upon the recommendation of the committee cause the removal of the member from the committee by the president of council (except that the mayor may not be removed by the council president from committees that the mayor serves pursuant to the city charter). No legislation shall be amended while in committee, and it shall be the duty of the committee to recommend to council the approval, disapproval, or amendment of any legislation under consideration by the committee. A majority of the members of a committee shall be necessary for the recommendation of approval, disapproval, or amendment of any legislation pending before a committee. All other motions shall require only a majority vote of the members of committee present. Committee meetings may be called as study sessions whereupon, unless permitted by the chairman, no person from the audience will be given the floor to speak.

Rule 3.3 Committee Rules

Except in case of obvious inconsistency or inapplicability, committee hearings shall be governed by the rules applicable to council proceedings.

Rule 3.4 Committee Reports

No proposed ordinance, resolution, petition, or other matter shall be considered by a committee unless referred thereto by council, the council president or the mayor. No ordinance, resolution, petition, or other matter which has been referred, except as provided for in Rule 6.12, shall be approved or disapproved and reported out until it shall have first been considered at a committee meeting called as provided for herein. The question of the recommendation for approval or disapproval on any matter shall be put by the chairman upon motion of any member, which shall not require a second. If a majority of the members of the committee vote affirmatively on such matter shall be reported forthwith to council as a non-adverse recommendation, but if a majority of the members of the committee vote negatively on the question, the matter shall be reported forthwith to council as an adverse recommendation. The vote on all matters before the committee

shall be recorded in the committee minutes. When a majority of the committee has reported, recommending or not recommending action of the matter under consideration the minority may present a minority report. All such reports shall be in writing and signed by the members of the committee voting in favor of or against the report. Reports may merely consist of the recommendation of the committee, the body of council relying on the committee minutes for explanation. If a committee cannot reach an affirmation or negative recommendation after three (3) considerations, it shall be reported out as no recommendation, unless the time is extended by approval of council.

Rule 3.5Ad Hoc Committees

When no committee exists to cover a given topic for consideration, the president of council may, upon approved motion, appoint an "ad hoc" committee made up of those members of council deemed appropriate by the president. The president shall appoint a chairman thereof.

Rule 3.6 Committee Members

Upon approved motion of council, committee members (except the mayor as a committee member on a committee he or she is required to serve on pursuant to the city's charter) at any time may be removed from any committee they are currently serving and be placed on a substitute committee.

Rule 3.7 Council Members Ad Hoc Members of Committees

The council president may at will appoint ad hoc committees, subject to approval of council, except as may otherwise be provided by the city's charter, ordinance, or resolution regarding membership thereof. Notwithstanding the provisions of chapter 121 of the Ohio Revised Code, council members may attend committee meetings as an exofficio ad hoc member thereto without the necessity of calling for a committee of the whole; moreover, such gathering shall not constitute or be construed as a regular or special council meeting, as such meetings shall follow the rules applicable to committee meetings; however, any council person, who is not a regular member of the convened committee, serving as such ex-officio ad hoc member thereof, should be a mere passive observer in a ministerial fact gathering capacity or informational session. Nothing in this rule shall be construed as to prohibit such council person from answering questions when inquired of by the committee, nor does it bar a council person from entering into discussions with the committee; however, no such council person, as an ex-officio ad hoc member, (except as provided in rule 3.1 that provides for a pro tem member) may make a motion, second a motion, or vote on any issue before the committee while in committee. Nothing contained herein shall be construed to bar such council person from participating in discussions, motions, voting or other action when the subject matter is considered by the council as a whole. This provision is not to be construed to prevent council persons appointed to ad hoc committees from carrying out their role as a committee member. Finally, (except as provided in rule 3.1 that provides for a pro tem member) the absence or presence of an ad hoc ex-officio council member at a committee meeting shall not affect the number required for a quorum in order to function as a committee.

Rule 3.8 Joint Sessions Of Committees, Boards, Commissions

Notwithstanding the provisions of chapter 121 of the Ohio Revised Code, council members, committee members, board members or commission members may attend meetings of each other; however, if attended for the purpose of a prearranged discussion

of the public business by a majority of its members, it should be published as a joint session and called and conducted as such. Both bodies should call their respective body to order and have minutes taken and prepared for each. Visiting members of bodies, other than that body scheduled for an official session, may attend; however, if a quorum of the visiting body should happen to formulate, then those visiting attendees shall be mere passive observers in a ministerial fact gathering capacity or informational session. Nothing in this rule shall be construed to mean that council meetings are required to call "joint session" with committees of council while meeting as a council of the whole.

Rule 3.9Personnel Committee

A personnel committee, consisting of the mayor and two (2) council members appointed by the council president is established by the charter. Council President shall appoint two (2) Council members to the Personnel Committee. If a motion (1st) is made, a second (2nd) will be requested. If a second (2nd) is received, then a vote will be taken to approve the Appointment of Personnel Committee. If a simple majority is received, then the Appointment of the Personnel Committee stands approved. Failure to get approval by City Council would require the Council President to re-submit names for appointment and vote.

The personnel committee shall, when a vacancy exists for the office of city manager, city finance director or city law director due to death, resignation, or removal, investigate and subsequently recommend in writing one (1) or more suitable persons for appointment. The members of the personnel committee shall select one (1) of its members as chairperson. All recommendations of the personnel committee shall be presented by the mayor to council as a whole.

Rule 3.10 Audit Committee

Notwithstanding any rule to the contrary, the finance and budget committee of the city council shall also serve as the "audit committee" of the city. The audit committee shall serve as a liaison between management and its auditors, where the primary functions of such committee shall be to monitor and review the city's accounting and financial reporting practices and to follow up on citations and recommendations made by its auditors. The audit committee meeting may but is not required to be published separate and apart from any finance and budget committee meeting; however, matters considered by the audit committee shall perform its functions at least quarterly each year; moreover, the committee should be made available to the auditors before and after each audit.

RULE 4 DUTIES OF MEMBERS

Rule 4.1 Duties, Privileges, and Decorum of Members

Rule 4.1.1 Attendance

The clerk shall publish in the city record the names of the members present and absent and if appropriate the time of arrival or departure.

Rule 4.1.2 Duty To vote

Every member present shall vote on all questions upon the call of the vote, except in case of conflict. A vote shall be yea or nay or an equivalent thereof. No member shall vote on any question in which such member is financially interested, unless otherwise permitted by law, or which in any way involves personal or private rights. The mere abstention does not vacate the seat nor reduce or enlarge the required number of votes required for passage or defeat of any motion, ordinance, resolution or other measure.

Rule 4.1.3 Recording Votes

On the passage of every ordinance, resolution or motion and on the appointment of every officer, the vote shall be taken by yeas and nays or an equivalent thereof, entered in full upon the records, and published in the official journal. Upon the call of the yeas and nays the clerk shall call the names of members in the following manner:

1) The member immediately to the right of the member who voted first (1st) at the prior regular council meeting shall be called first (1st), then followed by the remaining member nearest to their right until every member has voted or otherwise abstained.

Rule 4.2 Right of Floor

When any member is about to address the council, the member shall respectfully address themselves to the presiding officer, and when recognized by the chair shall confine themselves to the question under debate, avoid personalities and refrain from impugning the motives of any other member's argument or vote. When two (2) or more members ask recognition at the same time, the presiding officer shall name the member who is first to speak and the exercise of such discretion by the presiding officer shall not be subject to appeal under rule 4.5.

Rule 4.3 Time Limits for Speaking

No member shall be allowed to speak for a longer time than five (5) minutes at any one (1) time without permission of the council. No member shall speak more than once on the same motion until every other member desiring to speak on that motion shall have had an opportunity to do so, nor shall the mayor nor any manager or staff member speak longer than five (5) minutes upon the same motion, ordinance, or question without the consent of the council.

Rule 4.4 Member Called to Order

If any member, in speaking or otherwise, transgresses the rules of the council, the presiding officer shall call the offending member to order. The member so called to order shall refrain from further speaking unless permitted by the presiding officer to explain. Any member may, by raising the point of order, call the attention of the presiding officer to such transgression. The point of order shall be decided by the presiding officer without debate. Every such decision of the presiding officer shall be subject to appeal to the council by any two (2) members.

Rule 4.5 Appeal from Ruling of Chair

Any member may appeal to the council from a ruling of the presiding of officer, the member making the appeal may briefly state his or her reason for the same, and the presiding officer may briefly explain his ruling; but there shall be no debate on the appeal and no other member shall participate in the discussion. The presiding officer shall then put the question, "Shall the decision of the chair be sustained?" If a majority of the members present vote yea, the ruling of the chair is sustained; otherwise it is overruled.

Rule 4.6 Reading from Written Matter

Any member while discussing a question may read from books, papers, or documents, any matter pertinent to the subject under consideration without asking leave; provided, however, that such reading shall be subject to and included within the time limitation prescribed in Rule 4.3.

Rule 4.7Personal Privilege

Any member may rise to explain a matter personal to himself and on stating that it is a matter of personal privilege, he or she shall be recognized by the presiding officer, but shall not discuss a question or issue in such explanation. Such explanation shall not consume more than five (5) minutes of time unless extended by consent of the council. Matters of personal privilege shall yield only to a motion to recess or adjourn.

RULE 5 MOTIONS

Rule 5.1Motions in General

Council may take action by a motion approved by a vote of at least a majority of those attending the meeting, unless otherwise a greater majority is provided by charter provision, ordinance, resolution, or rule, and when action by ordinance or resolution is not otherwise required.

The use of a motion is ordinarily in the parliamentary procedure to expedite and control the deliberations of the legislative authority in the transaction of business. As a general rule, however, the council authority may act by motion where the legislative character of the action is not involved.

Rule 5.2 Purpose and Form Of Motions

Motions shall be used to expedite the orderly transaction of the business of council and shall not be substituted for resolutions or ordinances. A second (2nd) shall be required for any motion except as specifically provided for in a rule, but upon demand of any member any motion shall be reduced to writing. Any such motion may be withdrawn by the maker before it has been amended or voted upon. When a motion is made it shall be stated by the presiding officer before any debate shall be in order. All motions which have been entertained by the presiding officer shall be entered upon the minutes.

Rule 5.3 Precedence of Motions

When a question is before the council no motion shall be entertained except the following:

- Rule 5.3.1 To Enter Executive Session
- Rule 5.3.2 To Adjourn
- Rule 5.3.3 To Fix The Hour Of Adjournment
- Rule 5.3.4 For The Previous Question
- Rule 5.3.5 To Lay On The Table
- Rule 5.3.6 To Suspend Rules
- Rule 5.3.7 To Refer To A Committee
- Rule 5.3.8 To Amend

These motions shall have precedence in the order indicated. The Motion to adjourn and the motion for the previous question shall be put to a vote without debate; the motion to fix the hour of adjournment shall be debatable only as to the time of such adjournment; and all other motions shall be debatable.

Rule 5.4 Questions

Any member may ask the presiding officer to call the main questions and it is up to the presiding officer to recognize or not the member's request.

Rule 5.5 Motion to Lay On The Table

The motion to lay on the table shall dispose of the action unless removed from the table by the majority of all current members of council.

Rule 5.6 Reconsideration by Motion Of Council

After the decision of any question, any member who voted with the majority may move for reconsideration of any action at the same or the next succeeding meeting provided, however, that a resolution authorizing or relating to any contract may be reconsidered at any time before the final execution thereof. A motion to reconsider shall require a majority vote of all current members of council. After a motion for reconsideration has once been acted upon, no other motion for reconsideration thereof shall be made without unanimous consent of the all current members of council (example for illustration only; to correct error).

Rule 5.7 Reconsideration by Order of Mayor

Upon failure of any ordinance or resolution, the mayor may order a one (1) time reconsideration by council, so long as such order is made at the same council meeting when the ordinance or resolution failed. No motion is required of council upon an order of reconsideration and, the council shall immediately reconsider the proposed ordinance or resolution at that meeting.

RULE 6 ORDINANCES AND RESOLUTIONS

Rule 6.1 Character of Ordinance or Resolution

The nature of the subject matter determines the character of the legislation as an ordinance or resolution and not the form or designation applied by council. If the substance of a legislative act is such that it should be an ordinance, and all the rules prescribed for the adoption or passage and publication of ordinances have been observed and complied with, it takes effect as an ordinance; and vice versa as to a resolution.

Rule 6.2 Ordinances and Resolutions

Each proposed ordinance or resolution shall be introduced in writing and the adoption, effective date, revision, amendment and signing thereof shall be as provided by the laws of Ohio, except as otherwise provided by the city's charter or, where not so otherwise provided by the charter, then, as council may provide otherwise by ordinance or resolution. Nevertheless, where the charter or council may not be contrary to Ohio law as it relates to adoption, effective date, revision, amendment or signing of ordinances or resolutions, due to the subject matter, as determined in case law by a court of competent jurisdiction, it shall be as provided by the laws of Ohio.

Rule 6.2.1 Presiding Officer to Present Legislation

The presiding officer shall present the ordinance and resolution to open the floor for discussion. Introduction shall be by title in the same manner as prescribed for passage (see rule 6.3). At any time a motion may be entered to further or dispose of the ordinance or resolution.

An ordinance or resolution shall be introduced only by written introduction. Said ordinance or resolution shall receive first (1st) reading and a vote taken thereof. If approved after first (1st) reading, said ordinance or resolution shall receive a second (2nd) reading at the next meeting of council. If said ordinance or resolution is approved at the second (2nd) reading, said ordinance or resolution shall have a third (3rd) reading for passage or defeat at the next meeting of council. Second (2nd) and third (3rd) readings may be dispensed with by motion and approval of council (suspension of rules). A majority of current council members is required for first (1st) and second (2nd) readings, and for any final passage of any ordinance or resolution. Ordinances or resolutions which are amended on the third (3rd) reading shall automatically receive the status of second (2nd) reading and shall receive an additional reading at the next meeting, unless said rule is suspended.

Nothing in this rule shall be construed as to prohibit the reading in full of any ordinance or resolution, and if the same is read in full, it shall not affect the validity thereof.

Rule 6.2.2 Law Director Review

Every ordinance and resolution shall be reviewed by the city's department of law before its enactment.

Rule 6.3 Passage Requirements/Suspension of Rules/Emergency Clause

Except as may otherwise be provided in the charter and/or rule 6.2 regarding certain subject matter legislation, all ordinances, resolutions, motions or other actions, except procedural matters, shall be valid and effective when enacted or passed by the affirmative vote of a majority of the current members of council. Each ordinance and resolution shall be read on three (3) separate days, unless this requirement is dispensed with by an affirmative vote of at least two-thirds (2/3) of the current members of council. Readings shall be by title only, unless the council requires readings be taken in full by an affirmative vote of its members. Council may pass an ordinance or resolution as an emergency measure by the affirmative vote of two-thirds (2/3) or more of the current members of council. Except as may otherwise be provided in the charter, council may take action upon any other procedural matter by the affirmative vote of a majority of those council members present at the meeting. Motions may not be a substitute for an ordinance or resolution; however, the reverse is acceptable. Approval of appointments may be by motion. Removals may be by motion, regardless if the appointment was made in the form of an ordinance or resolution.

If such emergency measure fails to receive the affirmative two-thirds (2/3) vote or more of all current members, but receives at least a majority vote of all current members, the ordinance or resolution shall be considered approved for the current reading as a non-emergency measure. An emergency clause may be added at any time by proper amendment.

Rule 6.4 Signing and Delivery to Mayor; Veto

Upon passage, every ordinance and resolution of council shall be signed by the presiding officer and shall be presented promptly to the mayor for his or her approval. If the mayor approves the ordinance or resolution as presented, he or she shall sign it. If the mayor does not approve the ordinance or resolution presented, in whole, he or she shall, during the same meeting when the ordinance or resolution was passed, veto such ordinance or resolution and during such meeting make a statement of his or her objections. Upon receipt of the mayor's veto and objections, council may reconsider its vote by approved motion utilizing any reconsideration process established. Upon reconsideration, if council approves the ordinance or resolution by two-thirds (2/3) of the current members of council, it shall take effect the same as if it had received the mayor's approval and signature. In the event the mayor is unable to attend a council meeting where an ordinance or resolution is being considered for passage, and the mayor has prior notice thereto, the mayor may exercise his or her veto by filing the same in writing, along with his or her objections, with the clerk of council prior to the meeting. If the ordinance or resolution is passed, the council clerk shall present the written veto and objections to the presiding officer on the mayor's behalf. The presentment of the same shall be treated as a valid veto and the procedure herebefore provided shall be followed as though the mayor was present. In the event that the mayor is absent from a council meeting and an ordinance or resolution is presented for passage without prior notice to the mayor, the mayor shall be permitted ten (10) calendar days from the date of passage to exercise a veto which may be exercised in writing in the manner herebefore provided. The failure of the mayor to strictly follow the veto procedure as contained herein shall constitute a complete waiver thereof and the ordinance or resolution shall stand enacted; moreover, the mere failure or refusal of the mayor or presiding officer to sign an ordinance or resolution shall not invalidate the ordinance or resolution.

Rule 6.5 Publishing of Ordinance and Resolutions

All ordinances and resolutions shall be published one (1) time after passage in a newspaper of general circulation in the city, and/or council may determine that publication shall be by other electronic media. Ordinances or resolutions containing words in excess of one word may be published merely by summary. Council may establish criteria for what constitutes an adequate summary. In the event of the publication of ordinances or resolutions by summary, there shall be a notice in such publication that a copy of the complete ordinance or resolution is on file in the office of the clerk of council for inspection during business hours and that copies of such ordinance or resolution shall be furnished to any person, upon request, for a reasonable fee. The city law director shall review all proposed summary form publication for legal accuracy and sufficiency prior to publication. The clerk of council shall cause the ordinance or resolution to remain posted in the principal municipal building for a period not less than ten (10) calendar days immediately following the notice. Nothing in this section shall be construed as to prohibit publication in accordance with the laws of Ohio; moreover, in the event there is no newspaper of general circulation in the city, or there are no electronic media available, council may provide some other method of publication or giving notice of ordinances and resolutions, which may include, but not necessarily be limited to, posting copies in two (2) public places within the city.

Rule 6.6 A Resolution Enacting Clause May Be

"Be it resolved by the council of the City of Napoleon, Ohio, with two-thirds (2/3) or more of its current members thereto concurring."

or

"Be it resolved by the council of the City of Napoleon, Ohio."

The above are merely suggested enacting clauses and are in no way to be construed as conclusive.

Rule 6.7An Ordinance Enacting Clause May Be

"Be it ordained by the council of the City of Napoleon, Ohio."

or

"Be it ordained by the council of the City of Napoleon, Ohio, with two-thirds (2/3) or more of its current members thereto concurring."

or

"Be it enacted by the council of the City of Napoleon, Ohio."

The above are merely suggested enacting clauses and are in no way to be construed as conclusive

Rule 6.8 Except Those Submitted By Initiative Petition, Which Shall Be

"Be it ordained by the people of the City of Napoleon, Ohio."

Rule 6.9Form and Amendments

All ordinances before introduction shall be in typewritten form. When practical, no ordinance or resolution or section thereof shall be revised or amended unless the new

ordinance or resolution contains the entire ordinance or resolution, or section or subsection revised or amended, and the original ordinance, resolution, section, or sections or subsections so amended shall be repealed. A section shall be construed as a section number or individual letter or subsection of a larger section thereof. A strikeout feature is an acceptable procedure to demonstrate change or modification in legislation.

Rule 6.10 Reference to Committee Regarding Legislation

Any ordinance or resolution referred to committee shall, after due consideration and at least one (1) meeting, report the same back with or without recommendations for approval or disapproval for introduction and/or action; if introduced then or previously, it shall be acted upon in accordance with these rules.

Rule 6.11 Committee Referrals

Any pending ordinance, resolution, petition, or other matter of a non-emergency status may, be referred by the council president to any committee to which previously referred under these rules, or to any appropriate committee so designated for purpose of study and/or recommendation. Unless otherwise objected to by approved motion of council the referral shall be deemed approved. Any ordinance, resolution, petition or other matter of an emergency status may be referred by the council president or mayor without necessity of approval of council. In any case, when referred back to the council, such ordinance, resolution, petition, or other matter shall have the same standing as it had at the time when referred. Nothing in this rule shall be construed as limiting the authority of council as a whole to refer any ordinance, resolution, petition or other matter to a committee. (See also rule 3.4)

Rule 6.12 Relieving Committee

Upon vote of the majority of the current members of council a committee may be relieved of it's duties to consider an ordinance or resolution and the council as a whole may proceed with the steps of passage or defeat of such ordinance or resolution.

Rule 6.13 Advance Production of Ordinances and Resolutions

When practical, copies of all first (1st) reading of ordinances and resolutions to be introduced for passage and adoption under suspension of the rules (without reading on three (3) separate days) shall be delivered to each member of the council for viewing at least twenty-four (24) hours prior to the date of introduction. No objection to this rule by the affected council member shall be a waiver thereof.

Rule 6.14 Ordinances Appropriating Money

No money shall be appropriated except by ordinance or resolution.

RULE 7 DEPARTMENT HEADS

Rule 7.1 Attendance of Department Heads

The heads of all departments, unless excused by the department director or president of council, shall be required to attend the regular and special meetings of council. Further, the city manager, city finance director and city law director, unless excused by the president of council or the body of council, shall be required to attend the regular, special meetings and emergency meetings of council and shall be provided with seats on the floor of the council chambers. They shall be required, at any such meeting, to answer such questions relating to the affairs of the city under their respective supervision and control as may be put to them by any member of the council. The mayor shall be entitled to take part in the discussion on all questions before the council.

Rule 7.2 Clerk's Report on Pending Measures

The city clerk shall keep the members of council informed regarding the status of pending ordinances and resolutions. All ordinances and resolutions to be acted upon by committees or the council on Monday should as a general rule be in the hands of the clerk not later than the preceding Thursday at 11:00 a.m.

Rule 7.3 Approval of Mayor's Appointments

Whenever the approval of council is required for appointments by the mayor, the president of council, upon request of the mayor for approval of any appointment, may forthwith appoint an ad hoc committee to which shall be referred the name of each person whose appointment is submitted for approval of council. If referred to an ad hoc committee, then not later than the second (2nd) meeting of council following such reference, the committee shall report to council its recommendation thereon. Thereupon council as part of the appropriate order of business shall proceed to vote upon the approval of each appointment, the question being "Shall the council approve the appointment by the mayor?" If a majority of all current members of council vote yea, the appointment shall be deemed approved. If the matter is not referred to a special committee pursuant to this rule, then council shall act upon the approval no later than the next council meeting.

RULE 8 COUNCIL CHAMBER AND RULES

Rule 8.1 Use of Council Chamber

The council chamber shall generally be used for meetings of the council or committees thereof. The city conference room may be used for committee meetings.

Rule 8.2 Rules, Suspension, Amendment, and Other

Rule 8.2.1 Suspension of Rules

Any provision of these council rules may be suspended at any meeting of the council, by a majority vote of all the current members, except when a greater number is required by law or by the rules. The vote on any such suspensions shall be taken by yeas and nays and entered upon the records.

Rule 8.2.2 Amendment of Rules

These rules may be amended or new rules adopted by ordinance or resolution, by a majority vote of all the current members to council.

Rule 8.2.3 Other Rules

The proceedings of the council shall be governed by the city charter and the ordinances and resolutions of the City of Napoleon, Ohio, including these rules. Where no local law or local rule exists, then the state law shall control. If no local or state law or local rule exists, then Robert's Rules of Parliamentary Practice shall control. It shall be the duty of the presiding officer to adhere to and enforce such laws and rules.

Rule 8.2.4 Executive Session

Council or its committees may, by entering into executive session, exclude members of the public and staff from a portion of a public meeting to discuss matters as stated below and other matters as authorized by law. Only members of the public body, its invited staff and invited guests may attend. Council or any given committee shall not exclude any of its members or the mayor from an executive session.

1) <u>Personnel</u>

To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official or (to consider) the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the employee, official, licensee, or regulated individual request a public hearing; however, this provision does not allow the public body to consider the discipline of an elected official for conduct related to the performance of the person's official duties or to consider the person's removal from office.

2) <u>Property</u>

To consider the purchase of property (real or personal property, whether it is tangible or intangible). Also, to consider the sale of property by competitive bid (real or personal property) if disclosure of the information would result in a

competitive advantage to the other side. No member may use this exception as subterfuge for providing covert information to prospective buyers or sellers.

3) <u>Court Action</u>

To discuss pending or imminent court action with the council's or committee's attorney. Court action is pending if a lawsuit has been commenced; court action is imminent if it is on the point of happening or is impending.

4) <u>Collective Bargaining</u>

To prepare for, conduct, or review collective bargaining strategy.

5) <u>Confidential Matters</u>

To discuss matters required to be kept confidential by federal law, federal rules, state statutes, or other applicable law.

6) <u>Security Arrangements</u>

To discuss specialized details of security arrangements where disclosure might reveal information that could be; used to commit, or avoid prosecution for a violation of the law.

7) <u>Protect Utility</u>

To discuss matters of a competitive nature relating to any city owned or operated utility.

8) <u>Economic Development</u>

To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:

(1) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of chapter 715, 725, 1724, or 1728 or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the revised code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.

(2) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

9) <u>Any other matters allowed by the laws of the State of Ohio</u>

No decision-making (formal action including actual voting) is permitted in executive session. Further, intertwined non-excepted matters are prohibited from discussion while in executive session. Minutes shall not be taken in executive session.

An executive session must always begin and end in open session. First there shall be a motion that states the purpose for the executive session, and the motion must be specific as to the matters to be discussed (i.e. to discuss the dismissal of a public employee), it is not sufficient to state "personnel." Second, after the motion, there must be a second and a roll call vote taken, with a majority of a quorum of the public body. The vote shall be recorded in the minutes. When the executive session has concluded, a motion and second should be received with a roll call vote taken to adjourn the executive session. It should be reported if any action or no action was taken. The adjournment and reporting of action or no action shall be recorded in the minutes.

Rule 8.3 Presumption of Validity

A general presumption exists in favor of the validity of enactment by a municipal legislative body and continues until bad faith or abuse of legislative discretion by its members is clearly proven, or it is manifest that the legislative authority has exceeded its powers, or if the legislation bears no reasonable relation to the public health, safety, welfare, or morals. The burden of proving the invalidity of a municipal legislative enactment rests upon the one challenging its validity.

The general presumption of validity of municipal legislation extends to the validity of the procedure for its passage, the proper reason for its enactment, and the public purpose and necessity. The presumption of validity continues until the contrary is shown beyond a reasonable doubt.
RULE 9 COUNCIL BUSINESS EXPENDITURES/COMPUTERS

Rule 9.1 Expenditure of Funds by Council Members

Subject to budgetary constraints and with prior approval of the Council President, a council person may expend funds for a proper public purpose, without prior approval of the body of council. Except as otherwise may be permitted by ordinance, resolution, other applicable measure, or as stated above in this rule, all other expenditures made by council members shall be pre-approved by motion, or when required by law, legislation of council.

Rule 9.2 Travel Expenses

Travel policies and reimbursable expenses applicable to city employees pursuant to the city's policy manual and/or personnel code shall apply to council persons while on official city business.

Rule 9.3 Information Technology Usage

The mayor and council members shall be required to follow all policies contained in the city's policy manual and/or personnel code applicable to information technology usage. Electronic equipment and communications systems provided to elected officials, if any, are considered City property to be used for valid business purposes only. Any tax liability associated with this Rule, or non-conformance with this Rule, is that of the user of the information technology.

Rule 9.4 Internet Access

The mayor and council members shall be required to follow all policies contained in the city's policy manual and/or personnel code applicable to internet access or usage. Any tax liability associated with this Rule, or non-conformance with this Rule, is that of the user.

Rule 9.5 Business Meeting Expenditures

From time to time council as a whole or its committees may incur legitimate expenses while on or during city business (example: meals during a business meeting, work session or city sponsored activity), in the event of expenditure of funds, it will be reimbursed or payable by the city upon approval by council in the same manner as approval for payment of other bills that are authorized for a proper public purpose. Under no circumstances will alcoholic beverages be found to be a legitimate business expense for the purpose of this Rule and Rule 9.1.

RULE 10 GENERAL AND MISCELLANEOUS RULES

Rule 10.1 Continuity of Legislative Authority

The municipal legislative body, unlike the general assembly or the congress, is a continuing body. This is true regardless of the changing membership and reorganization of that body after each regular municipal election. As a continuing body it may complete unfinished business lawfully commenced by the preceding local legislative body. Contracts that are not signed during the term for which all the members of the legislative authority are elected are invalid. However, a succeeding council may ratify the acts of prior council by motion.

Rule 10.2 Council Action

The legislative power of the City of Napoleon, Ohio, is exercised by the enactment of an ordinance or adoption of a resolution, and by approval of proper motions.

Rule 10.3 Expectations of Council – Decorum - Removal

Rule 10.3.1: It is expected that Council members shall act in a professional and respectful manner to all appointing authorities, department heads, employees of the City of Napoleon and citizens of the City of Napoleon.

Rule 10.3.2: Council members shall respect the chain of command of the City of Napoleon and if approached by an employee other than an appointing authority the council member shall inquire as to whether the employee has followed the proper chain of command.

Rule 10.3.3: Council members shall maintain confidentiality of discussions, writings, or other forms of media or modes of communication that the council member knows or should know said matter should be kept confidential, subject to any public record statues, sunshine laws, or any other duty to report.

Rule 10.3.4: All members of Council shall conduct themselves with decorum at all times while in the confines of the council chambers. Proper business casual attire shall be worn at all regular meetings of Council.

Rule 10.3.5: Upon the concurrence of a majority vote of Council, the first violation by a member of Council of council rules regarding expectations, order, or decorum shall result in the offending member receiving a verbal warning from the presiding officer detailing the infraction. In addition, with the concurrence of two-thirds affirmative vote of Council, the member may be expelled from the remainder of the meeting after having been notified of the violation(s) against him or her and provided an opportunity to address them.

Rule 10.3.6: Council may remove the Mayor or a Council member for gross misconduct, malfeasance, misfeasance, or nonfeasance in office; or for conviction while in office of a crime involving moral turpitude or for any felony conviction; or if adjudicated legally incompetent; or for a violation of his or her oath of office; or for persistent failure to abide by the Rules of Council. However, such

removal shall not take place without the concurrence (affirmative vote) of five (5) members of Council, and also not until the accused Mayor or Council member has been notified in writing of the charge against him or her at least ten (10) days in advance of a public hearing upon such charge, and at which time he or she (or his or her counsel should the Mayor or Council member choose to retain counsel) shall be given an opportunity to be heard and present evidence at a public hearing called by Council. An accused member of Council shall not vote on the question of his or her removal. Upon the removal of such officer, the vacancy thereby created in such office shall be filled in the manner provided by this Charter, and the officer so removed shall not be eligible for appointment to fill such vacancy.

Rule 10.4 Anonymous Complaints against City Employees and Personnel

For Council to be able to properly respond to complaints it is imperative that they have a verifiable valid name, phone number and address. Any non-verifiable letters or other communications given to or sent to Council may be discarded pursuant to the proper records retention schedule, without further inquiry.

ORDINANCE NO. 068-17

AN ORDINANCE AMENDING VARIOUS SECTIONS OF THE RULES AND REGULATIONS OF CITY COUNCIL FOR THE CITY OF NAPOLEON, OHIO; AND DECLARING AN EMERGENCY

WHEREAS, City Council previously created an ad hoc committee entitled the "Council Rules and Review Committee" and said ad hoc committee met in regular meetings to review with staff the Rules and Regulations of City Council for the City of Napoleon, Ohio; and,

WHEREAS, after review and recommendation from the Law Director the Council Rules and Review Committee accepted proposed amendments from the Law Director and sent the issue of amendment of the Council rules to the full body of Council; and,

WHEREAS, City Council met at a regular meeting and discussed said amendments and thereafter the City Council moved for the Law Director to bring back appropriate legislation approving said amendments as listed in attached "Exhibit A"; and,

WHEREAS, City Council acknowledges that from time to time it must review the various rules and regulations of the City of Napoleon; and,

WHEREAS, City Council now desires to amend the Rules and Regulations for the City Council for the City of Napoleon; Now Therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF NAPOLEON, OHIO:

Section 1. That, the City of Napoleon does hereby amend the Rules and Regulations of City Council for the City of Napoleon, as set forth in "Exhibit A" which is attached and incorporated herein.

Section 2. That, it is found and determined that all formal action of this City Council concerning and relating to the adoption of this Ordinance were adopted in open meetings of this City Council, and that all deliberations of this City Council and any of its committees that resulted in such formal actions were in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code and the Codified Ordinances of Napoleon, Ohio.

Section 3. That, unless otherwise stated, if any other prior Ordinance or Resolution is found to be in conflict with this Ordinance, then the provisions of this Ordinance shall prevail. Further, if any portion of this Ordinance is found to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof.

Section 4. That, this Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, or safety of the City and its inhabitants, and for the further reason that this legislation must be in effect at the earliest possible time to allow for the timely and efficient passage of said rules; therefore, provided the required number of votes for passage as emergency legislation, it shall be in

Amended Rules and Regulations of Council

full force and effect immediately upon its passage; otherwise, it shall be in full force and effect at the earliest time permitted by law

Passed: December 2011

Travis B. Sheaffer, Council President

Approved: December 4. 2017

Jason P. Maassel, Mayor

VOTE ON PASSAGE <u>7</u> Yea <u>0</u> Nay <u>0</u> Abstain

Attest:

Gregory J. Heath, Clerk/Finance Director

I, Gregory J. Heath, Clerk/Finance Director of the City of Napoleon, do hereby certify that the foregoing Ordinance No. 068-17 was duly published in the Northwest Signal, a newspaper of general circulation in said City, on the 9th day of December , 2017; &I further certify the compliance with rules established in Chapter 103 of the Codified Ordinances Of Napoleon Ohio and the laws of the State of Ohio pertaining to Public Meetings.

Gregory Heath, Glerk/Finance Director

City of Napoleon, Ohio

TREE COMMISSION

MEETING AGENDA

Monday, October 18, 2021 at 6:00 pm

City Building, 255 West Riverview Avenue, Napoleon, Ohio

- 1. Call to Order
- 2. Approval of Minutes September 20, 2021 (in the absence of any objections or corrections, the minutes shall stand approved)
- 3. Review Tree Call Reports
- 4. Fall Contracts Update

- 7. Finalize Next Year's Budget/Plans
- 8. Adjournment.

Roxanne Dietrich - Clerk of Council

City of Napoleon, Ohio **TREE COMMISSION MEETING MINUTES** Monday, September 20, 2021 at 6:00 pm

PRESENT

Committee Members Council Representative City Staff Clerk of Council ABSENT Larr Etzler- Chair, Dave Volkman, Kyle Moore, Gary Haase, Ed Clausing Molly Knepley Aron Deblin-Construction Inspector Roxanne Dietrich

CALL TO ORDER

The Tree Commission meeting was called to order by Chairman Etzler at 6:00 pm.

APPROVAL OF MINUTES

Hearing no corrections or objections, the minutes from the August 16, 2021 meeting were approved as presented.

REVIEW TREE CALLS

Deblin reported the following calls were received. 505 Haley due to the Park Street construction project there were a couple of trees removed from the side of the house that were in the right-of-way. The resident is asking to have the trees replanted. He was advised to give it a year to settle out and then something can be planted there. At 539 West Clinton, the resident claims the locust tree was to have been removed a couple of years ago. The tree is hollow and has a tree growing in the middle of it. A Cut Above the Rest has been given a list to quote additional removals this fall and this tree has been added to that list. 1145 Chesterfield has a dead pear tree and that tree was added to the list too. Last, in the island on Nedward, is a little stump that was broke off.

UPDATE ON FALL CONTRACTS

Deblin stated the removal contract started last week. Six trees have been removed. Some were on Clinton and some were smaller trees that are on the replant list. Etzler asked if the electric company notifies Deblin when a tree is removed? Deblin said what is reported to him are the stump grinds when they remember. A list with 14 stumps to grind was been given to Chris Healy for him to provide us with a quote. Work done for the electric department is separate from the tree funding. Deblin added eventually, I would like to see if the Electric Department can do some of our removals to save money.

AWARD FALL PLANTING CONTRACT

Deblin reported one bid was received from North Branch Nursery at \$3,484 to plant 12 trees and to deliver a tree for Arbor Day. Etzler brought up at the last meeting it was suggested to not do plantings next year and put that money towards tree trimming work as that is behind schedule. How many trees would \$20,000 do? Deblin said to plant 25 to 30 trees for the whole year would cost between \$7,000-\$8,000. For tree trimming there is \$20,000 budgeted for spring and \$12,000-\$15,000 for the fall trimming work. There is a grant Lulfs is looking into. The grant will match funds for work completed in 2022. We are checking if the funds are to be used strictly for plantings or if they can be used across the board. The deadline to apply for the grant is October 29, 2021.

Motion: EtzlerSecond: Volkmanto award the Fall Planting Contract to North Branch Nursery for \$3,484.00.

Roll call vote on the above motion: Yea-Volkman, Haase, Etzler, Knepley, Moore, Clausing Nay-

Yea-6, Nay-0. Motion Passed.

BEGIN SPRING PLANTINGS LIST

Etzler suggested we may want to delay the plantings to be able do more trimming work.

OTHER MATTERS

Arbor Day. Deblin reported it is getting harder and harder to find people to volunteer. In checking with two different contacts, they *may have* two scouts to help with Arbor Day. Deblin suggested looking at another way to celebrate Arbor Day or find another group to help volunteer. Volkman stated the Arbor Day Foundation puts out a bulletin that is appropriate for the time of year and has an informational fact sheet. Maybe that can be put on the city's web site as information for people. Deblin confirmed Arbor Day is on Saturday, October 2, 2021 at 1:00 pm. Etzler said at Ritter Park.

ADJOURN

Motion: Moore Second: Volkman to adjourn the Tree Commission meeting at 6:21 pm.

Roll call vote on the above motion: Yea-Volkman, Haase, Etzler, Knepley, Moore, Clausing Nay-

Yea-6, Nay-0. Motion Passed.

Approved

October 18, 2021

Larr Etzler - Chair

AMP and member communities celebrate Public Power Week

By Zachary Hoffman - manager of communications and publications

This week, AMP joined the more than 2,000 public power communities across the U.S. in celebrating Public Power Week. Throughout the week, AMP members have also celebrated the importance of public power in their own communities.

AMP marked the week by hoisting its Public Power Week banner, conducting an e-recycling and shredding event and hosting a food truck for employees. In addition, a virtual Lunch & Learn for staff featured Kristian Fenner, assistant administrator at the City of Columbus Division of Power, and Brian O'Connell, director of public infrastructure/utilities director with the City of Bowling Green Utilities Department, who spoke about their electric utilities, their unique communities and the benefits of public power, followed by a short Q&A.

AMP wants to know how you celebrated Public Power Week this year. Please send any information or photos you would like to share to me at <u>zhoffman@amppartners.org</u>.

Here are some highlights of member celebrations from throughout the week.

On Oct. 3, the Berlin Maryland Electric Utility Department held a touch-a-truck event with a live demonstration of setting and climbing a utility pole.

Throughout the week, Cleveland Public Power held a virtual Public Power Week celebration with informative videos.

On Oct. 6, Village of Yellow Springs Electric Distribution employees celebrated Public Power Week with a proclamation signed by Yellow Springs Mayor Pam Conine.

The City of Bowling Green recognized electric utility

The Town of Front Royal recognized their employees

On Oct. 5, DEMEC hosted an informational table during an open house event with the Clayton Fire Company.

On Oct. 7, the Cuyahoga Falls Electric System held an Energy Expo open house for residents to drop by and learn about their utility, public power and electricity.

On Oct. 7, Tipp City held a Public Power Week open house for residents to learn about their utility, public power and electricity.

Stronger together ... Public Power Week

By Jolene Thompson - President/CEO

I look forward to celebrating Public Power Week each year in October because it's a time to reflect on the many benefits of public power. The annual event provides an opportunity to shine a light on the hard work and dedication of municipal utility employees and recognize our member public power communities.

During this year's Public Power Week, we're also nearing the end of our year-long celebration of AMP's golden anniversary.

Over the past five decades, AMP and its members have celebrated numerous memorable milestones. Many of those achievements fall into three categories:

- The foresight, dedication and innovation demonstrated by AMP's founders and early leaders who embraced joint action and recognized what could be accomplished by working together;
- The legal, legislative and regulatory battles that resulted in the protection of local control and access to wholesale markets for AMP members; and
- The benefits of AMP's strategic growth in membership, power supply diversity, political reach, partners and staff expertise.

Throughout the past year, AMP has shared a great deal of historical information, including video interviews with past and current AMP members and leaders, and history minute presentations provided during AMP Board of Trustees meetings and at AMP all staff town halls. To house this

information, our team has published a dedicated webpage that can be visited at <u>AMP 50 Years –</u> <u>Stronger Together</u>.

While we've been celebrating this major milestone, we've also been looking forward as an organization. The AMP Board of Trustees worked over the summer on strategic plans for both AMP and AMPT.

AMP Board of Trustees Chairman Jeff Brediger/Orrville outlined AMP's strategic priorities during the recent AMP General Membership Meeting. More details are provided in a memo that sent via email to AMP member principal contacts this week. I welcome the opportunity to discuss these efforts with any member that would like more information. You can reach me at <u>jthompson@amppartners.org</u> or 614-519-8901.

Additionally, we have ordered new Public Power Community flags for each member community. Please keep an eye out for those to arrive within the next couple of weeks. AMP staff will follow up to ensure each community receives the new flag.

Thank you for all that you do for public power and happy Public Power Week!

AMP 50 Years: Stronger Together interview series: Gerken recalls AMP's growth in past 20 years

By Michele Lemmon - manager of public relations and digital media

As AMP marks its 50th anniversary in 2021, we are interviewing former and current leaders to share their insights on AMP's strengths and milestones and how AMP benefits its members, proving they are Stronger Together.

AMP recently interviewed Marc Gerken, retired AMP president/CEO and AMP Wall of Fame honoree, to discuss AMP's growth in generation assets and membership during his 20-year tenure at the helm of the organization. Gerken, who retired in March 2020, also shared his thoughts on what he considers to be the key milestones in the organization's history.

Gerken recalled how important it was for AMP to move into owning more generation assets. After the successful completion and operation of the Belleville Hydroelectric Facility, AMP researched other possible sites on the Ohio River and ranked the top 10 locations, he said. The evaluation showed that the locks and dams at Meldahl, Cannelton, Smithland and Willow Island were among the top sites.

"We just felt like that was a good portfolio, and it was renewable. And we knew how to run them," Gerken said. "My push really (was for) a long-term asset."

Gerken also recalled in his interview what a turning point it was for AMP to continue accepting members from outside of Ohio and to establish a credit-scoring program for AMP members.

"The growth of the organization was tremendous," he said. "The growth was good in the fact that we brought in Michigan South Central Power Agency. We brought in Blue Ridge; DEMEC came in. All those organizations brought quality Board members, that really (were) an asset to AMP and its other Board members."

Looking back on his 20 years as president and CEO, Gerken counted the acquisition of the AMP Fremont Energy Center, the decommissioning of the Richard H. Gorsuch Generating Station and the creation of the Efficiency Smart[™] program in partnership with VEIC as among the key milestones during his tenure. Reflecting on and appreciating the history of the organization is good for AMP stakeholders to understand, as well.

"You need to understand how we got where we got and why we did it," Gerken said. "If you looked at the markets in 2006 and 2007, there were reasons why decisions were made. It's always good to go back and understand the organization. ...You have to understand how this organization got there (and) why, and the 'why' is to provide value to members."

Read more in the full Q&A with Gerken here and watch a video of his interview below.

Continue to learn more about AMP's 50 years of history on the <u>AMP 50 Years – Stronger</u> <u>Together webpage</u>, where you can view videos with current and former leaders, read Q&A's of interviews and learn more about AMP's history and accomplishments. Also, keep an eye on future editions of *Update* and follow us on <u>Facebook</u>, <u>Twitter</u>, <u>LinkedIn</u>, <u>Instagram</u> and <u>YouTube</u> for more historical information on the organization.

Reimbold wins inaugural HR Impact Award

By Michele Lemmon

Tracy Reimbold, AMP chief people officer and vice president of administrative services has been named a winner of *Columbus Business First's* inaugural HR Impact Award.

The weekly business newspaper created the HR award in 2021 as an addition to the Best Places to Work program to honor the people behind the policies and practices that make companies attractive places to work. Reimbold and others who have been named HR Impact Award honorees will be recognized at the annual Best Places to Work Celebration on Nov. 3 in Columbus. Reimbold was named as

a recipient in the category of large companies with 100 to 249 local employees.

The nomination in support of Reimbold pointed out how, when COVID-19 hit in early 2020, Reimbold led the AMP HR team in collaborating with other AMP departments to successfully — and immediately — transition more than 125 AMP employees to remote work. Her team worked to ensure that regularly scheduled all-staff meetings transitioned to a virtual format, ensuring a level of support for AMP employees and enabling them to remain engaged with their colleagues. During the pandemic, the HR team also successfully moved the company's talent and recruitment process to an entirely online format, filling 30 positions and hiring 10 interns; and launched a new employee mentorship program, which paired 11 mentees with 11 mentors. In addition, the HR team, under Reimbold's leadership, oversaw the successful phased return-to-office plan for employees in mid-2021, introduced a new telework policy, and the HR team also collaborated with other departments to reimplement the Oracle E-Business Suite.

"I am honored to accept this award on behalf of our entire HR team," said Reimbold. "They are the real winners, because I could not have accomplished any of these projects without their hard work, talent and efforts."

Congratulations to Tracy and her team on being recognized for the impact that their efforts in HR have had on AMP and its team of employees.

September 2021: Short-term prices remain elevated

By Mike Migliore - vice president of power supply and marketing

The temperatures throughout September 2021 were above normal across AMP's service territory. This compares to September 2020, when we saw cooler temperatures throughout much of the month. Natural gas prices remain high and led to another month of power prices that were more than double last year's low rates. September saw steady doses of consistent high daily prices rather than any price spikes. The maximum hourly day-ahead rate at the A/D Hub was \$131/MWh on Sept. 13 during the 4 p.m. to 5 p.m. hour. Overall, September had 6 hours above \$100/MWh in the day-ahead market. This compares to 28 hours above \$100/MWh in the real-time market. For the month, real-time locational marginal pricing (LMP) averages were \$2.50/MWh higher than day-ahead LMPs. Despite the high energy prices, congestion within PJM remained within normal ranges.

Average Daily Rate Comparisons					
	September 2021 \$/MWh	August 2021 \$/MWh	September 2020 \$/MWh		
A/D Hub 7x24 Price	\$44.53	\$42.29	\$20.00		
PJM West 7x24 Price	\$45.27	\$43.54	\$19.56		
A/D to AMP-ATSI Congestion/Losses	-\$0.45	-\$0.38	-\$0.72		
A/D to Blue Ridge Congestion/Losses	\$0.10	-\$0.45	-\$0.06		
A/D to PJM West Congestion/Losses	\$0.74	\$1.25	-\$0.44		
PJM West to PP&L Congestion/Losses	-\$5.02	-\$2.70	-\$5.09		
MISO to A/D Hub Congestion/Losses	\$1.78	\$1.14	\$1.66		

DP&L transmission rate to see 7 percent increase in 2022

By Mike Migliore

Dayton Power & Light (DP&L) recently filed their annual formula-based transmission rate for 2022. The base transmission charge will increase to \$1.54 per kilowatt-month (kW-mo) for the January 2022 to December 2022 billing period. The Dayton transmission rate has increased by \$0.50/kW-mo since they changed from their long-time fixed rate to a formula-based approach in 2020, but is still the lowest rate of the PJM zones that AMP members operate in. DP&L's 1 CP for 2022 was set on Aug. 12, during the hour from 4 p.m. to 5 p.m.

Economic Development webinar: *Business Retention and Expansion Success* planned for Oct. 14

By Erin Miller - assistant vice president of energy policy and sustainability

AMP will host an economic development training webinar, Business Retention and Expansion (BRE) Success, featuring speaker Carol Johnson, president of Continuous Dialog. The educational webinar is scheduled for Oct. 14, 2-3:30 p.m.

Johnson is an economic development sales expert and founder of Continuous Dialog. She has over 16 years of experience training private and public organizations helping clients to keep, grow and recruit more new jobs.

In this workshop participants will learn how to effectively engage local business decision makers to strategically understand and respond to the company's current and anticipated operating challenges and opportunities. Johnson will share successful approaches to keep business leaders engaged while not overburdening local professionals.

The webinar will be recorded and made available on the <u>Member Extranet</u> (login required) for 60 days following the live event. For webinar registration information, or if you have questions or need additional information, please contact me at 614.540.1019 or <u>emiller@amppartners.org</u>.

Members encouraged to complete post-conference surveys

By Jodi Allalen - Member events and program manager

An email containing a link to a survey on the 2021 AMP Annual Conference has been sent to members who attended the event, both in person and virtually. Members are encouraged to complete this survey to help AMP staff improve the event in future years. Questions cover the topics of favored sessions, the venue, networking opportunities and more.

If you did not receive a survey or have any questions, please contact me at <u>jallalen@amppartners.org</u>.

Energy market update

By Jerry Willman - assistant vice president of energy marketing

The November 2021 natural gas contract increased yesterday \$0.002/MMBtu to close at \$5.677. The EIA reported an injection of 118 Bcf for the week ending Oct. 1, which was above industry estimates of +107 Bcf. This was the largest build of the injection season and the largest since June 2020. Last year was an injection of 75 Bcf and the five-year average was +81 Bcf. Storage is now 3,288 Bcf, 13.9 percent below a year ago and 5.1 percent below the five-year average.

On-peak power prices for 2022 at AD Hub closed yesterday at \$55.80/MWh, which was \$2.80/MWh higher for the week.

On Peak (16 hour) prices into AEP/Dayton							
Week ending Oct. 8							
MON \$79.53	TUE \$76.31	WED \$76.12	THU \$79.13	FRI \$72.11			
Week ending Oct. 1							
MON \$54.91	TUE \$61.49	WED \$64.96	THU \$63.49	FRI \$58.35			
AEP/Dayton 2022 5x16 price as of Oct. 7 — \$55.80 AEP/Dayton 2022 5x16 price as of Sept. 30 — \$53.00							

AFEC weekly update

By Jerry Willman

The AMP Fremont Energy Center (AFEC) plant operated in 2x1 configuration for the week. The plant cleared offline for the overnight hours Friday, Saturday, Sunday and Tuesday based on PJM day-ahead economics. Duct firing operated for 87 hours this week. For the week, the plant generated at a 78-percent capacity factor (based on 675-MW rating).

Hometown Connections, GreatBlue Research offering year-end special discount on customer survey

By Susan Ryba - executive marketing consultant, Hometown Connections

Back by popular demand, Hometown Connections (HCI) and GreatBlue Research are offering a public power year-end special for a 20-question digital survey. The digital survey will give you the unfiltered data on the impressions and preferences of your customers. The data can be used to improve utility services and design programs your community will value. Last year, over 12,000 customers provided their public power utility with valuable feedback as part of this offering.

The price of the survey is only \$3,850 for orders placed by Dec. 31. To keep the cost of this service low, this is a one-size-fits-all survey with questions based on HCI and GreatBlue Research's extensive experience in the utility industry. Questions will be made available in advance upon request.

The ready-to-go customer survey from GreatBlue will cover:

- · Overall satisfaction with utility services and personnel
- Communication vehicle preferences
- Priorities for the utility in the next five years
- The impact of work from home, including:
 - Changes in work setting
 - When customers work from home
 - Frequency of working from home
 - Increased or decreased energy consumption
- Customer demographics

The custom survey link is ready and can be distributed immediately. You may use each of your communication methods — email, social media, bill insert, website and/or text message — to

distribute the survey link. Then, your customers will access a mobile-friendly survey web page featuring your logo. GreatBlue will give you access to a secure web portal to track the survey results online in real-time.

To order your digital customer survey, send an email to <u>info@hometownconnections.com</u>. This special offer expires on Dec. 31.

Cybersecurity Awareness Month: Multi-factor authentication

By Jared Price - vice president of information technology and chief technology officer

Have you noticed how often security breaches, stolen data and identity theft make front-page news these days? Perhaps you, or someone you know, are a victim of cybercriminals who stole personal information, banking credentials or more. As these incidents become more prevalent, you should consider using multi-factor authentication (MFA), also called strong authentication or two-factor authentication.

This technology may already be familiar to you, as many banking and financial institutions require both a password and one of the following to log in: a call, email or text containing a code. By applying these principles of verification to more of your personal accounts, such as email, social media and more, you can better secure your information and identity online!

What is it?

MFA is defined as a security process that requires more than one method of authentication from independent sources to verify the user's identity. In other words, a person wishing to use the system is given access only after providing two or more pieces of information which uniquely identifies that person.

How does it work?

There are three categories of credentials: something you either know, have or are.

- Something you *have* might include a:
 - Security token or app;
 - Verification text, call or email; or
 - Smart card
- Something you are might include a:
 - Fingerprint;
 - Facial recognition; or
 - Voice recognition
- Something you *know* might include a:
 - Password/passphrase; or
 - PIN number

In order to gain access, your credentials must use security measures from at least two different categories. One of the most common methods is to log in using your username and password, then use a unique one-time code that is generated and sent to your phone or email, which you would then enter within the allotted amount of time. This unique code is the second factor.

When should it be used?

MFA should be used to add an additional layer of security around sites containing sensitive information, or whenever enhanced security is desirable. MFA makes it more difficult for unauthorized people to log in as the account holder. According to the National Institute of Standards and Technology MFA should be used whenever possible.

Activate MFA on your accounts right away

When it comes to your most sensitive data—like your primary email, financial accounts and health records, some organizations will require you to use MFA; with others it is optional. If you have the option to enable it, you should take the initiative to do so to protect your data and your identity.
