PRESS RELEASE FOR IMMEDIATE RELEASE

To: Media

From: Napoleon Police Department

Date: April 12, 2018

On 04/12/2018 the Napoleon Police Department began investigating the passing of fake (Counterfeit) currency which appears to have been intended for use in motion pictures; however, the currency has been found to have been passed at several local businesses.

All of the currency which has been reported to the Police Department, thus far, has been in the form of twenty (20) dollar bills, and all of it has been stamped with the same serial number, which is PR 10008679 P. The clear difference from U.S. currency can be seen on the top right of the bill, where it would usually state "The United States of America," it instead reads "For Motion Picture Use Only." In addition, these bills have written at the bottom left, "This note is not legal. It is used for motion pictures."

Please pay close attention to any currency when accepting cash as payment to verify the legitimacy of the currency used. Call the Napoleon Police Department at (419) 599-2810 should you have any questions or come across any of this currency.

Authority, David J Mack
