## Person Impersonating City Employee

The City of Findlay has reported that an individual has been impersonating a City of Findlay employee, going door-to-door in Findlay seeking to enter the homes in order to perform a water quality test. While this activity has not been reported in the City of Napoleon, the City reminds residents that if someone identifying themselves as a City employee approaches their home, the individual will have identification showing them as a City employee and will also be in a marked vehicle.

If someone identifying themselves as a City utility employee approaches your home, residents are welcome to call the City during normal business hours (Monday-Friday, 7:30 a.m. – 4:00 p.m.) at 419-592-4010 to confirm the person's identity. After-hours calls or any suspicious behavior is to be reported by calling the Napoleon Police Department at 419-599-2810.
