Press Release

FOR IMMEDIATE RELEASE

Date: 03/03/2022

On March 2, 2022 the Napoleon Police Department was made aware of a post on social media that was circulating in the community, referencing the threat of a shooting at the Napoleon Area Schools. The police department thoroughly investigated this threat and found it was not credible. A juvenile was identified as the person who created this post making the threat, and the case file will be forwarded to juvenile court for possible criminal charges.

The Napoleon Police Department coordinated with the Napoleon Area schools for this investigation. There will be an increased police presence at the schools on March 3, 2022 in order to assist the school in alleviating any concerns or fears the community may have because of this incident.
